

THE EMERGING CHURCH & THE ONE PROJECT?

PART 2

“LEONARD SWEET”

1 OF 3

MY STUDY INTO THE EMERGING CHURCH STARTED WHEN A PASTOR BACK EAST ASKED IF I KNEW ANYTHING ABOUT “THE ONE PROJECT”.

WHEN I BEGAN TO STUDY INTO THE HISTORY OF THE PROJECT AND THOSE WHO STARTED THE MOVEMENT, I WAS LEAD TO ENQUIRE ABOUT THE EMERGING CHURCH AND ITS TEACHINGS AND HISTORY. I FOUND THAT IT DEALS WITH MUCH MORE THAN JUST “SPIRITUAL FORMATION” AND “CENTERING PRAYER.”

The Emerging Church Part Two:

The Emerging Church, Millennials, and Religion: Volume 2 Terry Shoemaker, Rachel C. Schneider, Xochitl Alvizo, 2022-03-01 Millennials and progressive Christians are continuing their work of creating alternative spaces for spiritual and religious expressions in North America The practices and beliefs of progressive Christian movements like the emerging church and millennials who tend toward spirituality over and against religion have been the targets of much criticism Yet millennials and progressive Christians continue to both curate spaces for self and collective expression while also engaging within contexts often critical or hostile This collection analyzes these movements from theological religious studies and social scientific perspectives to provide a more holistic view of what is taking shape in religious and spiritual trends and it ventures to project what may lie ahead for the progressive Christianity that is emerging and enduring **The Emerging Church, Millennials, and Religion: Volume 1** Randall Reed, G. Michael Zbaraschuk, 2018-10-31 The landscape of American religion is changing dramatically Millennials are dropping out of church and new experimental types of Christianity such as the Emerging Church are coming to the fore But what is the future of religion in America and what role will Millennials play in that The results of three years of scholarly inquiry this collection of essays looks at the Emerging Church and Millennial religious responses and seeks to define and explore both phenomena always on the lookout for their intersection Bringing together a diverse collection of scholars in theology sociology history and comparative religion this book highlights the importance of both the Emerging Church and the Millennial generation s future for religion The Disappearance of God Dr. R. Albert Mohler, 2009-05-05 Great biblical truths are meant not only for our intellectual acceptance but for our spiritual health Dr Al Mohler More faulty information about God swirls around us today than ever before No wonder so many followers of Christ are unsure of what they really believe in the face of the new spiritual openness attempting to alter unchanging truth For centuries the church has taught and guarded the core Christian beliefs that make up the essential foundations of the faith But in our postmodern age sloppy teaching and outright lies create rampant confusion and many Christians are free falling for feel good theology We need to know the truth to save ourselves from errors that will derail our faith As biblical scholar author and president of The Southern Baptist Theological Seminary Dr Albert Mohler writes The entire structure of Christian truth is now under attack With wit and wisdom he tackles the most important aspects of these modern issues Is God changing His mind about sin Why is hell off limits for many pastors What s good or bad about the dangerous emergent movement Have Christians stopped seeing God as God Is the social justice movement misguided Could the role of beauty be critical to our theology Is liberal faith any less destructive than atheism Are churches pandering to their members to survive In the age old battle to preserve the foundations of faith it s up to a new generation to confront and disarm the contemporary shams and fight for the truth Dr Mohler provides the scriptural answers to show you how Evangelicals Engaging Emergent William David Henard, Adam W. Greenway, 2009 Leading conservative evangelicals from Norman Geisler to Thom

Toward a Twenty-First Century Biblical, Apostolic Church SuYeon Yoon, 2019-09-19 This book explores biblical values that critique the ecclesiology of the New Apostolic Reformation Church NARC and compares the ecclesiology to other missional movements in the North American context A biblical exegesis of Ephesians 4:11-13 as well as C. Peter Wagner's conceptualization of an apostle and apostolic ministry allow the author to demonstrate the gap between the biblical perspective and Wagner's concept of an apostle The biblical role of an apostle is to make the church missional by emphasizing the concept of sending whereas Wagner sees the apostle as a church leader Based upon interviews and participant observation in three NARCs SuYeon Yoon describes the leadership and ecclesiology based on their own self-descriptions This book then demonstrates the gap between the biblical and conceptual ideals and the reality of ecclesial practice The author argues that the NARC serves as a charismatic manifestation of a similar cultural response to establish a relational structure for church communities that can appropriately reflect upon and identify with the contemporary context This implies that each movement needs to be biblically sound faithful to its conceptualization and relevant to the context in order to cultivate its own way of being the church

Enns, 2008-02-01 The Moody Handbook of Theology leads the beginner into the appreciation and understanding of this essential field of study It introduces the reader to the five dimensions that provide a comprehensive view of theology biblical systematic historical dogmatic and contemporary The apostle Paul wrote that all Scripture is profitable for teaching 2 Tim 3:16 that Timothy should pay close attention to your teaching 1 Tim 4:16 and that leaders should be able both to exhort in sound doctrine and to refute those who contradict Titus 1:9 When he wrote these statements Paul was referring to theology Beyond giving basic definitions and general descriptions author Paul Enns summarized the substantial features of theology In this way he provides a concise doctrinal reference tool for the newcomer as well as the seasoned scholar seeking a refresher There are fifty-five informative charts located at strategic points throughout the book

Baptists and the Emerging Church Movement David Mark Rathel, 2014-07-24 In Baptists and the Emerging Church Movement David Rathel examines the major

ecclesiological proposals of the emerging church movement Though many theologians argue that the emerging church movement emphasizes epistemology Rathel contends that its primary concern is ecclesiology Emerging church leaders offer a number of important ecclesiological proposals including restructuring traditional church leadership models to accommodate the rise of postmodernity changing the mission of the church so that the church may strike a more missional tone in contemporary culture removing the categories of in or out within the church body and adopting the multi site church model In assessing these proposals Rathel draws upon historic Baptist convictions about the nature of the church using Baptists ecclesiological distinctives and long history of ecclesiological thought as a helpful reference point This book will not only serve as a guide for those who wish to learn of emerging church ecclesiology it will also be an aid to Baptists who wish to evaluate recent trends in ecclesiology in light of their denominational distinctives **Planting Churches**

Cross-Culturally David J. Slade, 2020-08-27 To survey harsh criticisms against Brian Douglas McLaren 1956 readers gain the inaccurate impression that he is a heretical relativist who denies objective truth and logic While McLaren s inflammatory and provocative writing style is partly to blame this study also suspects that his critics base much of their analyses on only small portions of his overall corpus The result becomes a caricature of McLaren s actual philosophy of religion What is argued in this book is that McLaren s philosophy of religion suggests a faith based intersubjective relationship with the divine ought to result in an existential appropriation of Christ s religio ethical teachings When subjectively internalized this appropriation will lead to the assimilation of Jesus kingdom priorities thereby transforming the believer s identity into one that actualizes Jesus kingdom ideals The hope of this book is that by tracing McLaren s philosophy of Christian religion future researchers will not only be able to comprehend and perhaps empathize with McLaren s line of reasoning but they will also possess a more nuanced discernment of where they agree and disagree with his overall rationale **The Acts of the Apostles, Part Two** Dennis Hamm, SJ, 2021-07-15 Marvel at the spread of Christianity throughout the Roman Empire in The Acts of the Apostles Part Two 15 36 28 31 Empowered by the Holy Spirit and the deep conviction that Jesus is Lord the first generation church continues to witness to the life death and resurrection of Jesus Paul a model of courage and missionary spirit becomes our primary guide as the Gospel sinks its roots into the soil of our world Commentary study and reflection questions prayers and access to online lectures are included 4 lessons **Church Unique** Will Mancini, 2010-06-15 Written by church consultant Will Mancini expert on a new kind of visioning process to help churches develop a stunningly unique model of ministry that leads to redemptive movement He guides churches away from an internal focus to emphasize participation in their community and surrounding culture In this

Like a Mighty Army? David W. Taylor, 2014-10-08 In 1937 prior to the 1948 inauguration of the World Council of Churches Karl Barth challenged the churches to engage in real strict sober genuine theology in order that the unity of the church might be visibly realized At that time The Salvation Army didn't aspire to being formally known as a church even though it was a founding member of the WCC Today it is globally known as a social welfare organization concerned especially to serve the needs of those who find themselves at the margins of society Less well known is that seventy years after Barth's challenge it has made its peace with the view that it is a church denomination Accepting Barth's challenge to the churches and in dialogue with his own ecumenical ecclesiology the concept of the church as an Army is interrogated in service to The Salvation Army's developing understanding of its identity and to the visible unity of God's church
