The Emma Gees:

The Emma Gees Herbert W. McBride, 2022-09-16 In *The Emma Gees* Herbert W. McBride presents a vivid and enthralling account of the experiences of a Canadian soldier during World War I. Through a blend of gritty realism and introspective narrative, McBride captures the psychological complexities of warfare alongside the camaraderie and tribulations faced by soldiers. His use of understated prose and poignant imagery enhances the authenticity of the narrative, placing it within the larger literary context of war literature that sought to convey the raw realities of combat rather than glorifying heroism. This semi-autobiographical work serves as both a chronicle of McBride's own experiences and a broader examination of the human condition amidst the chaos of war. Herbert W. McBride was himself a soldier serving in the trenches of the Western Front, which informs the depth of his narrative. Born in 1880 in Canada, McBride's unique perspective stems from his firsthand experiences of the psychological toll of warfare combined with an educated background in literature and history. His writings reflect not only the horrors of combat but also a profound understanding of human resilience and the search for meaning in tumultuous times. *The Emma Gees* is essential reading for anyone interested in military history, literature, or the nuanced human experiences during wartime. McBride's powerful storytelling invites readers to reflect on the complexities of bravery, loss, and sacrifice, making it a timeless addition to the canon of war literature.

The Emma Gees W. Herbert McBride, 2007-06-01 *The Emma Gees (1918)* Herbert W. McBride, 2014-08-07 This is a new release of the original 1918 edition. **The Emma Gees** Herbert W. McBride, 2019-09-23 Originally published in 1918. Personal narrative of World War I. Illustrated. *The Emma Gees [Illustrated Edition]* Captain Herbert W. McBride, 2015-11-06 Includes the first World War illustrations pack: 73 battle plans and diagrams and 198 photos. The classic account of sniping on the Western Front. Herbert Wesley McBride was a Captain in the Twenty-first Battalion Canadian Expeditionary Force during the First World War. He was a sniper and commander of a machine gun unit known as the Emma Gees. He was also the author of two books on the war: *A Rifleman Went To War* (1933) and *The Emma Gees* (1918). When the war started, he volunteered in a Canadian rifle company in Ottawa because he wanted to see action as quickly as possible. He was commissioned as an officer but was reduced to a private due to several drunken incidents. He shipped to England for training and then to the Western Front where he participated in battles around Ypres and the Somme throughout 1916. In his book *A Rifleman Went To War*, he recounts killing more than 100 German soldiers as a sniper. This book is highly regarded by students of riflery; it's mandatory reading in the U.S. Marine Corps Sniping School. It is also considered one of the best first-person accounts of World War I, often being compared favorably to *Storm of Steel* by Ernst Junger. However, McBride notes in his book that by the end of 1916, he felt in his heart the game was over, and a series of alcoholic binges resulted in his court-martial and dismissal from the Canadian Expeditionary Force in February 1917. He then joined the United States Army's 38th Division, serving out the war as a marksmanship and sniping instructor at Camp Perry. He resigned in October 1918. After the war, he worked in the lumber

industry in Oregon for most of his later years He died in Indianapolis of a sudden heart failure on March 17 1933 shortly after finishing *A Rifleman Went To War* He was 60 Canadaatwar com *The Emma Gees (Classic Reprint)* Herbert W.
