English . The Encyclopedia of Eastern Philosophy and Religion** Ingrid Fischer-Schreiber, Michael H. Kohn, Karen Ready, Werner Wunsche, 1994 **The Rider Encyclopedia of Eastern Philosophy and Religion** Stephen KING, 1989 **Encyclopedia of Asian Philosophy** Oliver Leaman, 2006-10-19 Incorporating cultural and religious contexts this unique Encyclopedia provides a vital guide to the main concepts and thinkers in Asian philosophy starting with Abhidharma and ending with Zurvan The main philosophical trends and thinkers in each geographical area are featured with an emphasis on endtemporary developments and movements The A Z structured encyclopedia emphasizes that Asian philosophy is not merely an ancient form of thought but that it is a living philosophy with roots in the past and also a potent and animate presence today This translates into the reciprocal exchange of theories between Eastern and Western thinking for example of new schools of thought such as orientalism Requiring no prior knowledge of philosophy religion or Asian cultures this book is essential reading for students teachers and the interested individual who wishes to gain an understanding of the philosophical basis to Asian cultural systems *Understanding Eastern Philosophy* Ray Billington, 2002-01-04 *Understanding Eastern Philosophy* provides an accessible critical introduction to how some of the key philosophies of the East compare with those in the West Starting from a discussion of the problems of distinguishing between religions and philosophies Ray Billington presents a clear picture of the key tenets behind Hinduism Buddhism Taoism Jainism and Confucianism Moving on to compare the key themes of religious philosophy that cut across East and West such as a belief in God the soul moral decision making nature and authority *Understanding Eastern Philosophy* presents a fascinating and controversial picture of the contribution theistic religions have to make With its belief in a personal God bestowing a particular version of truth Ray Billington concludes that the universal mysticism characteristic of Eastern thought provides a

more realistic and rewarding path than is commonly supposed in the West Understanding Eastern Philosophy assumes no prior knowledge of religion or philosophy Which god is God? Adrian J. Adams Esq,2024-05-30 Hinduism Buddhism Taoism Islam Judaism Christianity and the New Age Movement have radically different views of God and the hereafter This book presents a concise summary of each religion s core beliefs and using the rules of evidence establishes which religious claims are credible It answers questions such as Is God real or an illusion Are there many gods or just one Are we subject to reincarnation and karmic retribution Can we communicate with spirit guides in other dimensions In Which god Is God Adrian Adams provides an easy to understand guide for those who want to know if God exists and how to separate truth from speculation about our souls and eternity **Understanding World Religions** David Whitten Smith,Elizabeth Geraldine Burr,2014-08-21 Understanding World Religions introduces students to major worldviews including Hindu Buddhist Muslim Jewish Christian Native American and Marxist through the lens of justice and peace The second edition has been updated and revised throughout After an introduction to key themes in studying world religion chapters help students explore major traditions today Each chapter takes a similar approach examining several dimensions of each tradition experiential and emotional social and institutional narrative or mythic doctrinal and philosophical practical and ritual and ethical and legal Chapters feature profiles of major peacemakers or groups to bring the traditions to life Profiles range from Gandhi and Martin Luther King to Thich Nhat Hanh and Dorothy Day Further chapters explore liberation theologies active nonviolence and just war theory The second edition features a broader framework than the first edition and includes new material on non religious ethical norms Islamophobia colonial evangelization religion in China and an updated examination of the Israel Palestine conflict Understanding World Religions remains a powerful introduction to major worldviews with an emphasis on practical connections to peace and justice **Key Concepts in Eastern Philosophy** Oliver Leaman,2002-09-11 Key Concepts in Eastern Philosophy provides an extensive glossary of the main terms and concepts used in Eastern philosophy The book includes definitions of philosophical ideas linked to the national traditions of Persia India Islamic world China Japan Tibet including concepts from Zoroastrianism Hinduism Sufism Islam Confucianism Shintoism Taoism Buddhism Each entry includes a guide for further reading and critical analysis and is cross referenced with associated concepts and is in easy to use A Z format *The Indo-German Identification* Robert Cowan,2010 The nineteenth century development and later consequences of the imagined relationship between ancient India and modern German culture In the early nineteenth century German intellectuals such as Novalis Schelling and Friedrich Schlegel convinced that Germany s cultural origins lay in ancient India attempted to reconcile these origins with their imagined destiny as saviors of a degenerate Europe then shifted from Indomania to Indophobia when the attempt foundered The philosophers Hegel Schopenhauer and later Nietzsche provided alternate views of the role of India in world history that would be disastrously misappropriated in the twentieth century Reconstructing Hellenistic and humanist views of the ancient Brahmins and Goths French Enlightenment

debates over the postdiluvian origins of the arts and sciences and the Indophilia and protonationalism of Herder Robert Cowan focuses on turning points in the development of an Indo German ideal an ideal less focused on intellectual imperialism than many studies of the Aryan Myth and Orientalism would have us believe Cowan argues that the study of this ideal continues to offer lessons about cultural difference in the post national twenty first century Of great interest to historians philosophers and literary scholars this cross cultural study offers a new understanding of the Indo German story by showing that attempts to establish identity necessarily involve a reconciliation of origins and destinies of self and other of individual and collective Robert Cowan is Assistant Professor of English at Kingsborough Community College of the City University of New York

Religion , Handbook for Asian Studies Specialists Noriko Asato, 2013-10-08 An indispensable tool for librarians who do reference or collection management this work is a pioneering offering of expertly selected print and electronic reference

tools for East Asian Studies Chinese Japanese and Korean Handbook for Asian Studies Specialists A Guide to Research Materials and Collection Building Tools is the first work to cover reference works for the main Asian area languages of China Japan and Korea Several leading Asian Studies librarians have contributed their many decades of experience to create a resource that gathers major reference titles both print and online that would be useful to today's Asian Studies librarian Organized by language group it offers useful information on the many subscription based and open source electronic tools relevant to Asian Studies This book will serve as an essential resource for reference collections at academic libraries Previously published bibliographies on materials deal with China or Japan or Korea but none have coalesced information on all three countries into one work or are written in English And unlike the other resources available this work provides the insight needed for librarians to make informed collection management decisions and reference selections

Theology in Avatar: The Last Airbender Anthony G. Cirilla, Michael Riggins, 2025-08-21 The beloved Uncle Iroh once told Prince Zuko It's time to start asking the big questions This statement is as true for us as viewers of Avatar The Last Airbender as it is for the banished prince This collection invites fans of one of the most popular animated shows in America to contemplate how the Avatar Universe prompts big questions about meaning Avatar The Last Airbender and its sequel series The Legend of Korra combine philosophical thoughts from both Eastern and Western perspectives and this collection of twelve essays helps readers to recognize and consider those influences more deeply from ideas as grand as the soul's relationship to the universe to the role tea can have in making a Zen master Contributors consider the show from perspectives such as Buddhism Taoism the Hero's Journey the theory of the elements and many more

The Culture of Leadership in Contemporary China Paul Michael Linehan, 2017-12-06 The resurgence of Confucianism Daoism and Buddhism in the context of Chinese leadership values has emerged as a foundation for a new generation of leaders The once in a decade transition of China's leadership witnessed the ascendancy of a consensus oriented fifth generation of leaders supporting a central authoritative figure whose priority will likely include the reconciliation of a waning communist ideology juxtaposed with its ostensible embrace of capitalism How will Chinese Communist Party authority ideology and control address the encroachment of Western values that are centered on Roman law Greek philosophy and Christian religion which prioritizes individual freedom and democracy This book examines the role of traditional Chinese values ideology and philosophy as a key determinant in modern China's leadership succession The author asserts that as communist ideology wanes Chinese leaders will turn to their own traditional values found in Confucianism Daoism and Buddhism to establish legitimacy to rule as they seek to promote Chinese prominence and greatness in the world The author's research assesses China's promotion of its own traditional values in rejecting foreign value influence Since the inception of modern China at the beginning of the 20th century China's leadership transition has evolved from an authoritarian cult like dictatorship to a consensus oriented process In researching this metamorphosis this book offers social political cultural and historical perspectives to demonstrate that

Chinese human values and character factors have risen in prominence as key elements in the mandate of Chinese governance and leadership. The author concludes that Chinese leadership values and its study and diffusion across sectors of Chinese leadership, including business organizations and government, have become a means to accentuate Chinese values as a viable alternative to Western claims of absolute and universally accepted values.
