**The End of Kings** William R. Everdell, 2000-04-15 Written in clear lively prose The End of Kings traces the history of republican governments and the key figures that are united by the simple republican maxim No man shall rule alone Breathtaking in its scope Everdell's book moves from the Hebrew Bible Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned Along the way he carefully builds a definition of republic which distinguishes democratic republics from aristocratic ones for both history and political science In a new foreword Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes Ultimately Everdell's brilliant analysis helps us understand how examining the past can shed light on the present An energetic aphoristic wide ranging book Marcus Cunliffe Washington Post Book World Ambitious in conception and presented in a clear and sprightly prose This excellent study is the best statement of the republican faith since Alphonse Aulard's essays almost a century ago Choice A book which ought to be in the hand of every American who agrees with Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it Sam I Ervin Ir A Resurrection to Immortality William Robert West, 2011-04-14 Life is the most important possession we have Without it there is nothing Only by the resurrection at the second coming of Christ will anyone have life after death After the resurrection the fate of those who are in Christ 1 Eternal life Romans 6 23 2 Shall inherit eternal life Matthew 19 29 3 After the judgment they shall go away into eternal life Matthew 25 46 4 Will have eternal life John 3 5 5 Christ will raise them up on the last day John 6 40 6 Will be immortal after the resurrection 1 Corinthians 15 5156 7 Will have incorruption 1 Corinthians 15 42 8 Will have glory 1 Corinthians 15 43 9 Will be like Christ We shall be like him

The authors suggest that it is essential to understand the evolution and transformation of contemporary warfare s conceptualisation and practice in order to make sense of the current global geopolitical transformations that are in process from a unipolar to multipolar global order They therefore examine the various key actors in international relations from conceptual theoretical and empirical perspectives through thematic chapters that demonstrate the increasingly central role played by intangible factors in the representation and management of contemporary armed conflict The book stresses the need to reflect and rethink the potentially highly problematic trajectory of the global community within the framework of 21st century warfare s political and informational Forever Time Terry Trafton, 2021-03-01 What happens when a town loses its soul Forever Time is a influence and effects journey into the paranormal by way of an alternate reality After a woman is discovered hanged beneath Harker Covered Bridge in Southern Indiana and a few days later another woman found drowned in the Anderson River people in the scenic town of Bristow declare an ancient curse responsible Investigating authorities have no leads and identities of the two young women remain unknown The mystery deepens when both bodies disappear shortly after they are recovered Bristow is a town in the relentless grip of the supernatural Investigative reporter Abby Kline realizes that local psychic Becca Mitchell who is deeply troubled by visions of another time and place resorts to deception to protect herself from Abby s suspicions With the help of Sheriff's Deputy Brady Willis and anthropologist Dr Niles Robey the pieces of a dark and intricate narrative are slowly revealed Even after the true identities of the Selwyn sisters are known Niles continues his love affair with an enigmatic Emme Selwyn But the secrets Emme conceals are the darkest secrets of all What is the purpose of the archaic chamber on Stone Hill and how is it connected to seven monoliths nearby After spending an eerie night in the Chalk Dr Robey sees the miracle of the stones and realizes their astonishing powers When time is bent significantly altered instead of passing from one minute to the next it becomes possible to pass from one minute to the same minute and from one day to the same day Disillusioned his faith faltering Elwyn Kipps renounces the church where he served as a deacon for 30 years and declares
