Richard Johnston

The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South

Byron E. Shafer, Richard Johnston

The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South:

The End of Southern Exceptionalism Byron E Shafer, Richard Johnston, 2006 Until now the critical shift in Southern political allegiance from Democratic to Republican has been explained by scholars and journalists as a white backlash to the civil rights revolution In this myth shattering book Byron Shafer and Richard Johnston refute that view one stretching all the way back to V O Key in his classic book Southern Politics The true story is instead one of dramatic class reversal beginning in the 1950s and pulling everything else in its wake

The End of Southern Exceptionalism Byron E. Shafer, Richard Johnston, 2009-03-31 The shift in Southern political allegiance from Democratic to Republican has been explained by scholars and journalists as a white backlash to the civil rights revolution Here the authors refute that view The true story they argue is instead one of dramatic class reversal beginning in the 1950s and pulling everything else in its wake *From Bible Belt to Sunbelt: Plain-Folk Religion, Grassroots Politics, and the Rise of Evangelical Conservatism* Darren Dochuk, 2010-12-13 A prize winning five decade history of the evangelical movement in Southern California that explains a sweeping realignment of American politics From Bible Belt to Sun Belt tells the dramatic and largely unknown story of plain folk religious migrants hardworking men and women from Oklahoma Texas and Arkansas who fled the Depression and came to California for military jobs during World War II Investigating this fiercely pious community at a grassroots level Darren Dochuk uses the stories of religious leaders including Billy Graham as well as many colorful lesser known figures to explain how evangelicals organized a powerful political machine This machine made its mark with Barry Goldwater inspired Richard Nixon s Southern Solution and achieved its greatest triumph with the victories of Ronald Reagan Based on entirely new research the manuscript has already won the prestigious Allan Nevins Prize from the Society of American Historians The judges wrote Dochuk offers a rich and multidimensional perspective on the origins of one of the most far ranging developments of the second half of the twentieth century the rise of the New Right and modern conservatism *Routledge Handbook of Primary Elections* Robert G. Boatright, 2018-02-15 Primary elections have been used for the past century for most U S elective offices and their popularity is growing in other nations as well In some circumstances primaries ensure that citizens have a say in elections and test the skills of candidates before they get to the general election Yet primaries are often criticized for increasing the cost of elections for producing ideologically extreme candidates and for denying voters the opportunity to choose candidates whose appeal transcends partisanship Few such arguments have however been rigorously tested This innovative Handbook evaluates many of the claims positive and negative that have been made about primaries It is organized into six sections covering the origins of primary elections primary voters US presidential primaries US subpresidential primaries primaries in other parts of the world and reform proposals The Routledge Handbook of Primary Elections is an important research tool for scholars a resource guide for students and a source of ideas for those who seek to modify the electoral process

Hate Speech and Political Violence Brigitte L. Nacos, Robert Y. Shapiro, Yaeli Bloch-Elkon, 2024-02-06

How did the United States descend into crisis with institutions frayed political violence mounting and democracy itself in peril This timely book identifies how the Tea Party and its extremist narratives laid the groundwork for the rise of Donald Trump his MAGA movement and the January 6 2021 assault on the Capitol Brigitte L Nacos Yaeli Bloch Elkon and Robert Y Shapiro trace the escalation of a strain of extremist rhetoric in right wing political discourse after the inauguration of Barack Obama Drawing on extensive and in depth analysis of political communication in both traditional media and online spaces they demonstrate how the dominant rhetorical styles of the Trump era were pioneered by the Tea Party A backlash to the election of the first Black president this reactionary social movement deployed violent language and spread anti Obama paranoia with the assistance of media insiders GOP leaders and conservative advocacy groups Donald Trump rose to political prominence by hitching himself to the birther racist conspiracy theory espoused by many Tea Partiers and drew from their aggressive and hyperpartisan repertoire Ultimately this book shows the increasingly violent rhetoric of right wing extremists spilled over into real world political violence Revealing the path the Tea Party blazed to Trump and the insurrectionists Hate Speech and Political Violence provides timely new insights into the threats facing American democracy

Dynamics of American Political Parties Mark D. Brewer, Jeffrey M. Stonecash, 2009-07-27 Dynamics of American Political Parties examines the process of gradual change that inexorably shapes and reshapes American politics Parties and the politicians that comprise them seek control of government in order to implement their visions of proper public policy To gain control parties need to win elections and winning elections requires assembling an electoral coalition that is larger than that crafted by the opposition Uncertainty rules and intra party conflict rages as different factions and groups within the parties debate the proper course s of action and battle it out for control of the party Parties can never be sure how their strategic maneuvers will play out and even when it appears that a certain strategy has been successful party leaders are unclear about how long apparent success will last Change unfolds slowly in fits and starts

Red Fighting Blue David A. Hopkins, 2017-09-25 The national electoral map has split into warring regional bastions of Republican red and Democratic blue producing a deep and enduring partisan divide in American politics In *Red Fighting Blue* David A Hopkins places the current partisan and electoral era in historical context explains how the increased salience of social issues since the 1980s has redefined the parties geographic bases of support and reveals the critical role that American political institutions play in intermediating between the behavior of citizens and the outcome of public policy making The widening geographic gap in voters partisan preferences as magnified further by winner take all electoral rules has rendered most of the nation safe territory for either Democratic or Republican candidates in both presidential and congressional elections with significant consequences for party competition candidate strategy and the operation of government

Stealth Reconstruction Glen Browder, 2010-06-01 America seems to have little sense of how the Civil Rights Movement actually played into southern politics over the remainder of the twentieth Century The common vision is a monolithic struggle between heroes and villains

depicted literally and figuratively in black and white Unfortunately this conception provides incomplete explanation for subsequent progress in the southern political system This book reveals that amid all the heroic history of that time there is a fascinating story of stealth reconstruction i e the unheroic quiet practical biracial work of some white politicians and black leaders a story untold and unknown until now

Getting Away with Murder Vanessa A. Holloway, 2014-12-15 Throughout the late nineteenth and early twentieth century the U S Congress engaged in bitter debates on whether to enact a federal law that would prosecute private citizens who lynched black Americans In *Getting Away with Murder* the fundamental question under scrutiny is whether Southern Democrats racist attitudes toward black Americans pardoned the atrocities of lynching The book investigates underlying motives of opposition to Senate filibustering and invites an intellectual discussion on why Southern Democrats thought states rights were the remedy to lynching when in fact the phenomenon was a baffling national crisis A rebuttal to this query may include notions that congressional investigations into state protected rights were deemed unconstitutional In a unifying theme the appeal ties into questions of the federalism civil rights debate by noting intervals that warrant research and advancing new perspectives intended to accentuate the matrices of race based politics To examine the federalism civil rights debate this book asks three practical questions 1 Would Southern Democrats suspend their friendships with private citizens and enact a federal law that would prosecute them for lynching 2 Was the national government limited in its constitutional power to protect black Americans from private citizens who organized themselves as lynch mobs 3 Were concerns for states rights the core reasons for Senate filibustering or did Southern Democrats argue for states rights support the lie of racism

Voting and Political Representation in America Mark P. Jones, 2020-02-24 Examines voting trends and political representation in the United States today with a special focus on debates over voting rights voter fraud and voter suppression and election rules and regulations including those related to gerrymandering campaign fundraising and other controversial subjects Do average Americans have a voice in Washington Are they well represented or are they marginalized Do elections reflect fundamental democratic institutions and values or are they tarnished by voter suppression voter fraud gerrymandering or other factors To what extent do America's elected officials reflect the diversity of race religion gender socioeconomic background sexual orientation and political views of the wider American population This encyclopedia explores all these questions and more It examines important mechanisms and laws shaping political representation in America in the 21st century such as term limits gerrymandering the Electoral College and direct democracy ballot initiatives and referendums and the degree to which various demographic groups are represented in state and federal legislatures from Latinos and senior citizens to atheists and residents of rural states It also explains the basis for escalating concerns about both voter fraud and voter suppression

You Can't Eat Freedom Greta de Jong, 2016-08-30 Two revolutions roiled the rural South after the mid 1960s the political revolution wrought by the passage of civil rights legislation and the ongoing economic revolution brought about by increasing agricultural mechanization Political

empowerment for black southerners coincided with the transformation of southern agriculture and the displacement of thousands of former sharecroppers from the land Focusing on the plantation regions of Alabama Louisiana and Mississippi Greta de Jong analyzes how social justice activists responded to mass unemployment by lobbying political leaders initiating antipoverty projects and forming cooperative enterprises that fostered economic and political autonomy efforts that encountered strong opposition from free market proponents who opposed government action to solve the crisis Making clear the relationship between the civil rights movement and the War on Poverty this history of rural organizing shows how responses to labor displacement in the South shaped the experiences of other Americans who were affected by mass layoffs in the late twentieth century shedding light on a debate that continues to reverberate today [James J. Kilpatrick](#) William P. Hustwit, 2013 James J Kilpatrick Salesman for Segregation *Party Pursuits and The Presidential-House Election Connection, 1900-2008* Jeffrey M. Stonecash, 2013 Stonecash analyzes election results arguing that the separation of presidential and House results occurring from the 1960s to 1980 was a party driven process **Confronting the New Conservatism** Michael Thompson, 2007-05 The new conservatism in America is not easy to define having as it does many strands and many leading proponents This volume explores the ideas that unite Paul Wolfowitz Condoleezza Rice Jeanne Kirkpatrick and other US notables *Losing Power* Sekou M. Franklin, Ray Block Jr., 2020-01-15 Tennessee has made tremendous strides in race relations since the end of de jure segregation African Americans are routinely elected and appointed to state and local offices the black vote has tremendous sway in statewide elections and legally explicit forms of racial segregation have been outlawed Yet the idea of transforming Tennessee into a racially equitable state a notion that was central to the black freedom movement during the antebellum and Jim Crow periods remains elusive for many African Americans in Tennessee especially those living in the most underresourced and economically distressed communities *Losing Power* investigates the complex relationship between racial polarization black political influence and multiracial coalitions in Tennessee in the first decade of the twenty first century Sekou M Franklin and Ray Block examine the divide in values preferences and voting behaviors between blacks and whites contending that this racial divide is both one of the causes and one of the consequences of black Tennesseans recent loss of political power Tennessee has historically been considered more politically moderate and less racially conservative than the states of the Deep South Yet in recent years and particularly since the mid 2000s Republicans have cemented their influence in the state While Franklin and Block s analysis and methodology focus on state elections political institutions and public policy Franklin and Block have also developed a conceptual framework for racial politics that goes beyond voting patterns to include elite level discourse issue framing intrastate geographical divisions social movements and pressure from interest groups **Dollars for Dixie** Katherine Rye Jewell, 2017-04-24 Organized in 1933 the Southern States Industrial Council s SSIC adherence to the South as a unique political and economic entity limited its members ability to forge political coalitions against the New Deal The SSIC s

commitment to regional preferences however transformed and incorporated conservative thought in the post World War II era ultimately complementing the emerging conservative movement in the 1940s and 1950s In response to New Dealers attempts to remake the southern economy the New South industrialists heirs of C Vann Woodward s new men of the New South effectively fused cultural traditionalism and free market economics into a brand of southern free enterprise that shaped the region s reputation and political culture Dollars for Dixie demonstrates how the South emerged from this refashioning and became a key player in the modern conservative movement with new ideas regarding free market capitalism conservative fiscal policy and limited bureaucracy *A Companion to Lyndon B. Johnson* Mitchell B.

Lerner,2012-02-13 This companion offers an overview of Lyndon B Johnson s life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President **War, the American State, and Politics since 1898** Robert P. Saldin,2010-11-01 This book examines major foreign conflicts from the Spanish American War through Vietnam arguing that international conflicts have strong effects on American political parties elections state development and policymaking First major wars expose and highlight problems requiring governmental solutions or necessitating emergency action Second despite well known curtailments of civil liberties wars often enhance democracy by drawing attention to the contributions of previously marginalized groups and facilitating the extension of fuller citizenship rights to them Finally wars affect the party system Foreign conflicts create crises many of which are unanticipated that require immediate attention supplant prior issues on the policy agenda and engender shifts in party ideology These new issues and redefinitions of party ideology frequently influence elections by shaping both elite and mass behavior *A Companion to Ronald Reagan* Andrew L. Johns,2015-02-10 A Companion to Ronald Reagan evaluates in unprecedented detail the events policies politics and people of Reagan s administration It assesses the scope and influence of his various careers within the context of the times providing wide ranging coverage of his administration and his legacy Assesses Reagan and his impact on the development of the United States based on new documentary evidence and engagement with the most recent secondary literature Offers a mix of historiographic chapters devoted to foreign and domestic policy with topics integrated thematically and chronologically Includes a section on key figures associated politically and personally with Reagan **Mainstreaming Black Power** Tom Adam Davies,2017-04-11 Mainstreaming Black Power upends the narrative that the Black Power movement allowed for a catharsis of black rage but achieved little institutional transformation or black uplift Retelling the story of the 1960s and 1970s across the United States and focusing on New York Atlanta and Los Angeles this book reveals how the War on Poverty cultivated black self determination politics

and demonstrates that federal state and local policies during this period bolstered economic social and educational institutions for black control Mainstreaming Black Power shows more convincingly than ever before that white power structures did engage with Black Power in specific ways that tended ultimately to reinforce rather than challenge existing racial class and gender hierarchies This book emphasizes that Black Power s reach and legacies can be understood only in the context of an ideologically diverse black community

The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various

devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South Books

1. Where can I buy The End Of Southern Exceptionalism Class Race And Partisan Change In The Postwar South books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
