The engagement Engagement,1841      **The Engagement** Sasha Issenberg,2021-06-01 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR The riveting story of the conflict over same sex marriage in the United States the most significant civil rights breakthrough of the new millennium Full of intimate details battling personalities heated court cases public persuasion John Williams The New York Times On June 26 2015 the U S Supreme Court ruled that state bans on gay marriage were unconstitutional making same sex unions legal across the United States But the road to that momentous decision was much longer than many know In this definitive account Sasha Issenberg vividly guides us through same sex marriage s unexpected path from the unimaginable to the inevitable It is a story that begins in Hawaii in 1990 when a rivalry among local activists triggered a sequence of events that forced the state to justify excluding gay couples from marriage In the White House one president signed the Defense of Marriage Act which elevated the matter to a national issue and his successor tried to write it into the Constitution Over twenty five years the debate played out across the country from the first legal same sex weddings in Massachusetts to the epic face off over California s Proposition 8 and finally to the landmark Supreme Court decisions of United States v Windsor and Obergefell v Hodges From churches to hedge funds no corner of American life went untouched This richly detailed narrative follows the coast to coast conflict through courtrooms and war rooms bedrooms and boardrooms to shed light on every aspect of a political and legal controversy that divided Americans like no other Following a cast of characters that includes those who sought their own right to wed those who fought to protect the traditional definition of marriage and those who changed their minds about it The Engagement is certain to become a seminal book on the modern culture wars      The Engagement Aesthetic Francisco J. Ricardo,2013-05-23 Long after painting sculpture photography and film developed along with their materials canvas and panel marble and bronze and celluloid film a new generation of art has emerged in which digital electronic architectural and performative materials have offered new forms for creative expression and experience In much of this new art the medium no longer composed of passive materials now embraces and challenges viewers to work as co creators of aesthetic experience Starting from the impossibility of understanding this new and complex art solely within the framework of contemporary art history and criticism The Engagement Aesthetic offers new modes of critique for new media works of art literature and performance that operate in complex ways Blending a range of methodologies from phenomenology art history linguistics and statistical analysis Ricardo explores how a new kinship between individual participation electronic media virtual and actual space and mediated language results in a new aesthetic of mutual engagement      *The Engagement* James R.
