The Celestial Brides:

The Celestial Brides: a Study in Mythology and Archaeology Octavio Alvarez, 1978 *Like a Bride Adorned* Lynn R. Huber, 2007-06-10 The phrase like a bride adorned is one of the ways Revelation describes the new Jerusalem which descends from heaven This phrase can also be read as describing one of the ways interpreters historically have understood the relationship between Revelation and its metaphorical language In contrast to views that suggest Revelation s metaphorical language is simple adornment Huber argues that Revelation s persuasive power resides within the text s metaphorical nature and she articulates a method for exploring how Revelation employs metaphor to shape an audience s thought In order to gain a sense of how metaphorical language works in Revelation s highly metaphorical text *Like a Bride Adorned* Reading Metaphor in John s Apocalypse engages one set of conceptual metaphors in relation to Revelation s literary and social historical milieu Specifically Huber explores the conceptual metaphors undergirding Revelation s nuptial or bridal imagery Positioned at the culmination of the text s nuptial imagery serves as one the text s final and arguably one of its most important characterizations of the Christian community Examining the function of Revelation s nuptial imagery involves investigating how the text redeploys conventional metaphorical constructions used in the writings of the Hebrew prophets and how its imagery engages Greco Roman depictions of women weddings and brides Discourse about marriage and family was such an important part of Revelation s historical context especially as it was shaped by the Roman Empire that any discussion of the text s nuptial imagery must examine how it reflects and responds to this discourse By addressing these questions we see that Revelation s nuptial imagery serves to further the text s goal of shaping Christian identity in opposition to the social demands of the Roman Empire Moreover exploration of the conceptual metaphors undergirding Revelation s bride adorned reveals how John seeks to shape Christian identity as a transitional identity Through metaphor Revelation encourages its audience to envision the Christian community as a bride who constructs her own identity as she transitions into a new role in relation to God and the Lamb Through the process of exploring Revelation s nuptial imagery with insights gained from conceptual metaphor theory we uncover the ways that John employs metaphorical language to persuade his audience s thought about themselves and about others Consequently this work contributes both to our understanding of the text s nuptial imagery and to our knowledge of how Revelation employs metaphor as tool for persuasion **Lucifer**, 1897

The Nature of Shamanism Michael Ripinsky-Naxon, 1993-01-01 Ripinsky Naxon explores the core and essence of shamanism by looking at its ritual mythology symbolism and the dynamics of its cultural process In dealing with the basic elements of shamanism the author discusses the shamanistic experience and enlightenment the inner personal crisis and the many aspects entailed in the role of the shaman **The Bride of Christ Goes to Hell** Dyan Elliott, 2011-11-16 The early Christian writer Tertullian first applied the epithet bride of Christ to the uppity virgins of Carthage as a means of enforcing female obedience Henceforth the virgin as Christ s spouse was expected to manifest matronly modesty and due submission

hobbling virginity's ancient capacity to destabilize gender roles. In the early Middle Ages the focus on virginity and the attendant anxiety over its possible loss reinforced the emphasis on claustration in female religious communities while also profoundly disparaging the nonvirginal members of a given community. With the rising importance of intentionality in determining a person's spiritual profile in the high Middle Ages the title of bride could be applied and appropriated to laywomen who were nonvirgins as well. Such instances of democratization coincided with the rise of bridal mysticism and a progressive somatization of female spirituality. These factors helped cultivate an increasingly literal and eroticized discourse: women began to undergo mystical enactments of their union with Christ including ecstatic consummations and vivid phantom pregnancies. Female mystics also became increasingly intimate with their confessors and other clerical confidants who were sometimes represented as stand-ins for the celestial bridegroom. The dramatic merging of the spiritual and physical in female expressions of religiosity made church authorities fearful of an anxiety that would coalesce around the figure of the witch and her carnal induction into the Sabbath.

The Faces of the Goddess Lotte Motz, 1997-08-21

The belief that the earliest humans worshipped a sovereign nurturing maternal earth goddess is a popular one. It has been taken up as fact by the media who routinely depict modern goddess worshippers as reviving the ancient religions of our ancestors. Feminist scholars contend that in the primordial religions the Great Mother was honored as the primary creative force giving birth to the world, granting fertility to both crops and humans and ruling supreme over her family pantheon. The peaceful matriarchal farming societies that worshipped her were eventually wiped out or subjugated by nomadic patriarchal warrior tribes such as the early Hebrews who brought their male God to overthrow the Great Mother, the first step in the creation and perpetuation of a brutal male-dominated society and its attendant oppression and degradation of women. In *The Faces of the Goddess* Lotte Motz sets out to test this hypothesis by examining the real female deities of early human cultures. She finds no trace of the Great Mother in their myths or in their worship. From the Eskimos of the arctic wasteland whose harsh life even today most closely mirrors the earliest hunter-gatherers to the rich cultures of the sunny Fertile Crescent and the islands of Japan, Motz looks at a wide range of goddesses who are called Mother or who give birth in their myths. She finds that these goddesses have varying origins as ancestor deities, animal protectors, and other divinities rather than stemming from a common Mother Goddess archetype. For instance, Sedna, the powerful goddess whose chopped-off fingers became the seals and fish that were the Eskimos' chief source of food, had nothing to do with human fertility. Indeed, human motherhood was held in such low esteem that Eskimo women were forced to give birth completely alone, with no human companionship and no helpful deities of childbirth. Likewise, while various Mexican goddesses ruled over healing, women's crafts, motherhood, and childbirth and functioned as tribal protectors or divine ancestors, none of them either embodied the earth itself or granted fertility to the crops, for that the Mexicans looked to the male gods of maize and of rain. Nor were the rituals of these goddesses nurturing or peaceful. The goddess

Cihuacoatl who nurtured the creator god Quetzalcoatl and helped him create humanity was worshipped with human sacrifices who were pushed into a fire removed while still alive and their hearts were cut out And Motz closely examines the Anatolian goddess Cybele the Magna Mater most often cited as an example of a powerful mother goddess Hers were the last of the great pagan mysteries of the Mediterranean civilizations to fall before Christianity But Cybele herself never gives birth nor does she concern herself with aiding women in childbirth or childrearing She is not herself a mother and the male character figuring most prominently in her myths is Attis her chaste companion Tellingly Cybele s priests dedicate themselves to her by castrating themselves thus mimicking Attis s death a very odd way to venerate a goddess of fertility To depict these earlier goddesses as peaceful and nurturing mothers as is often done is to deny them their own complex and sophisticated nature as beings who were often violent and vengeful delighting in sacrifice or who reveled in their eroticism and were worshipped as harlots The idea of a nurturing Mother Goddess is very powerful In this challenging book however Motz shows that She is a product of our own age not of earlier ones By discarding this simplistic and worn out paradigm we can open the door to a new way of thinking about feminine spirituality and religious experience The New Jerusalem in the Revelation of John Bruce J. Malina, 2000 There are two major entities at the close of the book of Revelation that explain the author s understanding of forthcoming life with God the Celestial City the heavenly Jerusalem and the cosmic Lamb The marriage of these two marks the concluding highpoint of John the Seer s work What are the entities in question How do they marry and what is the significance of that event for those who believe in Jesus as cosmic Lord In The New Jerusalem in the Revelation of John Bruce Malina offers insights into the concluding Vision of the book of Revelation to assist Bible readers to understand what the Visionary of Revelation said and meant to say to his first century Mediterranean audience The New Jerusalem and the Revelation of John sets out comparative models of what sorts of cities existed during the time of the New Testament and what it meant to live in an ancient Mediterranean city It further explains the significance of the celestial marriage of the City and the Lamb The result is a set of reading scenarios that describe and explain Revelation s closing Visions which mediate the theology of John the Seer The definition and comparative model of the city in The New Jerusalem and the Revelation of John is also useful for persons interested in understanding those first urban members of Jesus groups addressed by other New Testament documents Chapters are Presuppositions about Language and Reading The Genre of the Book of Revelation The Holy City in the Sky and The Cosmic Lamb Marries Includes relevant charts Bruce J Malina STD is professor of biblical studies at Creighton University He is former president of the Catholic Biblical Association and author of articles on biblical interpretation Sanathana Sarathi English Volume 07 (2012 - 2021) Sri Sathya Sai Media Centre, 2022-11-12 Started in 1958 Sanathana Sarathi is a monthly magazine devoted to Sathya Truth Dharma Righteousness Shanti Peace and Prema Love the four cardinal principles of Bhagawan Baba s philosophy It is published from Prasanthi Nilayam the Abode of Highest Peace and acts as a mouthpiece of Baba s Ashram as it speaks of the important events that
