The Complete Idiot's Guide to the Last Days Richard H. Perry,2006-11-07 Get ready for Judgment Day For centuries humans have dreaded and anticipated the end of the world These fears fueled by natural disasters famines world wars and the writings of people like Nostradamus and Jeane Dixon have left us with more questions than answers In The Complete Idiot s Guide to the Last Days Richard H Perry goes to the definitive source on the subject the Bible itself While the book is as exciting as an action adventure novel the author s primary source is the Bible and he guides his readers to an understanding of the Last Days by using related Scripture Covers Bible basics and the Signs of the Times Includes timelines of every stage leading up to the Last Days and after Beyond Bible Basics Duncan Heaster,1999 Martin Luther's Basic Theological Writings Martin Luther,2012 Martin Luther s Basic Theological Writings has become the gold standard for use in seminary and college environments It not only offers all of Luther s most influential noted and important writings in the

modern translations but also includes excerpts of his sermons and letters that shed light on Luther's own religious and theological development. The volume takes the reader straight to Luther the man to his controversial Reformation insights to his strongest convictions about God and Scripture and the life of the church and most valuably to his theology a still exciting encounter with the meaning of Jesus Christ for each age Basic Theology Dag Heward-Mills, 2011 **Bible Basic** Bernard Bangley, 1983 Basic Training for Spiritual Warfare Steven Wiederwax, 2018-10-15

The Personality of God is the first book in a planned series called the Basic Training for Spiritual Warfare. The Personality of God is based on Paul's writing to the Corinthians 1 Cor 14:12 and 2 Cor 3:18 and his comparison of looking into a mirror: we see unclearly the face of God and how it becomes clearer and more distinct as we are changed into the image of God. This reflection we see is of the spiritual image of God and not his physical image. This truth begs for the answer to what is God's spiritual nature or what are the personality traits of God that comprise this nature. The Personality of God strives to answer this question by addressing the nature of God as it is revealed in the Bible. Using both historical and modern Bible commentaries on scripture that documents God's personality, the traces the evolution of thought concerning God's individual personality traits is explored. Additionally, where appropriate, the book cites Biblical dictionaries and lexicons to explore the original Hebrew and Greek meanings of the various words to describe God's personality and the challenges facing the translators of the various Bible versions faced in accurately portraying what was written by the authors of the different books of the Bible. Isaiah wrote that God teaches us and that we learn precept upon precept, line upon line, a little here and a little there. Is 28:10. Thus the Personality of God is intended to help teach us new precepts that our knowledge of God may increase. The Personality of God is intended to help Christians to a greater knowledge and understanding of what it means to be more like God. For Pastors and Sunday School teachers, it can be used as a reference to help strengthen and encourage their congregation and students of becoming a strong witness for Christ.
