Youth Culture, Popular Music and the End of 'Consensus' The Subcultures Network, 2018-01-03 This book examines youth cultural responses to the political economic and socio cultural changes that affected Britain in the aftermath of the Second World War In particular it considers the extent to which elements of youth culture and popular music served to contest the notion of consensus that historians and social commentators have suggested served to frame British polity from the late 1940s into the 1970s The collection argues that aspects of youth culture appear to have revealed notable fault lines in and across British society and provided alternative perspectives and reactions to the presumptions of mainstream political and cultural opinion in the period This perhaps was most acute in the period leading up to and after the seemingly pivotal moment of Margaret Thatcher's election to prime minister in 1979 This book was originally published as a special issue of Contemporary British History

Complete Recorded Works in Transcription Sam Morgan's Jazz Band, 2012-01-01 Book URL <https://www.areditions.com/rrrra/a073.html> This edition consists of musical transcriptions of all eight recordings of Sam Morgan's Jazz Band made in New Orleans in 1927 These are among the first recordings of black New Orleans jazz bands made in their

home city and as the band consisted of musicians who stayed on in New Orleans after the Great Exodus to Chicago and New York in the early 1920s the recordings preserve a purer form of the collectively improvised ensemble of the earliest black jazz bands It is a loosely integrated purely linear ensemble mass a collective projecting of melodic lines close to the unassimilated heterophonic singing of the Black Primitive Baptist and Sanctified Churches This proto jazz style was being rapidly eclipsed in the 1920s by more flamboyant and technically brilliant forms of New Orleans jazz being recorded by Louis Armstrong Sidney Bechet and Jelly Roll Morton The scores contained herein are the first complete transcriptions of this rare and distinctive music to appear in print Catalogue of Printed Books in the Library of the British Museum British Museum.
