The Confederate General Volume 4

Samuel W. Mitcham

The Confederate General Volume 4:

Confederate Generals in the Western Theater, vol. 4 Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 Like its predecessors the fourth and final volume of Confederate Generals in the Western Theater is an invaluable contribution to the historiography of a poorly understood theater of war presenting new interpretations of major figures while bringing to light both the triumphs and failures of lesser known generals Its cutting edge scholarship offers further grounding for the editors contention that the South s bid for independence was lost on its western battlefields and that the responsibility for those defeats lay more with the Confederate generals than with their opponents Among the ten chapters this collection includes C David Dalton on the death of Felix Zollicoffer at the Battle of Mill Springs in Kentucky Roger Durham on Robert E Lee s leadership early in the war of the Department of South Carolina Georgia and East Florida Brian S Wills on Abraham Buford s behind the scenes contributions to Nathan Bedford Forrest s famous exploits the late Nathaniel Cheairs Hughes Jr on the achievements and failings of Gideon J Pillow James M Prichard on John Hunt Morgan and his last Kentucky raid and Keith S Bohannon on Edward C Walthall a Virginia lawyer who overcame his lack of prior military experience to become one of the ablest generals in any of the war s theaters Some essays offer full biographies of their subjects others focus on a single campaign Along with the previous volumes this exemplary collection encourages an important rethinking of the course of the Civil War and its ultimate outcome Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University He is the author of Port Hudson Confederate Bastion on the Mississippi among other publications and his honors include the 2013 Nevins Freeman Award for the advancement of American Civil War scholarship and support for the Round Table movement Thomas E Schott worked as a historian for the Department of Defense He is the author of Alexander H Stephens of Georgia A Biography which won the Jefferson Davis Award He is coeditor and contributor with Lawrence Hewitt of Lee and His Generals Essays in Honor of T Harry Williams as well as several volumes of Confederate Generals in the Western Theater and Confederate Generals in the Trans Mississippi

J. Patton Anderson, Confederate General James W. Raab, 2014-11-18 J Patton Anderson was from Florida the seceding state that was referred to as the tadpole of the Confederate states but nevertheless he was one of the Confederacy s great military leaders Anderson oversaw a large plantation Casa Bianca and his views meshed with secessionist views sufficiently for him to be elected as a delegate to the Secession Conference held in Montgomery Alabama After Florida seceded President Davis appointed Anderson as a Brigadier General Anderson engaged the enemy in the Western theater for four years under his mentor General Braxton Bragg who advanced him to Major General in command of the District of Florida This is a complete biography of Anderson s life including his service in the Mexican War his appointment as United States Marshal to the distant Washington Territory his adventure with his wife Etta Adair of taking the 1853 Washington Territory census by canoe his election as territorial delegate to Washington City and his entire Civil War service J Patton and Etta Anderson s affectionate correspondence is an

important aspect of this biography revealing what it was like to be alive at this time and what it took to keep their family intact **The Battle of Glendale: Robert E. Lee's Lost Opportunity** Douglas Crenshaw, 2017-01-09 By late June 1862 the Union army under George B McClellan stood at the doorstep of Richmond In a desperate hour for the Confederate capital Robert E Lee attacked McClellan and drove the Union army into a full retreat toward the safety of the James River Lee recognized an opportunity to seal a decisive victory and commanded his Army of Northern Virginia to prevent the Union forces from retreating A P Hill James Longstreet and Stonewall Jackson were among those who engaged in the harrowing day of battle during the Seven Days Campaign Author Douglas Crenshaw details the dramatic Battle of Glendale in the Civil War

Confederate Generals in the Trans-Mississippi, Vol 3 Thomas E. Schott, Lawrence Lee Hewitt, 2024-01-12 Far removed from the main centers of commerce and population and thus remote from the priorities of Confederate political leaders in the East the Trans Mississippi Theater experienced a different sort of war during America's great fratricidal conflict of 1861-1865 Not only was its distance from Richmond a distinguishing factor but it was also a theater where the Union army and navy gained a foothold far sooner than elsewhere in the South first in Missouri and then in Louisiana and the Mississippi River Valley Confederate generals were tasked with ousting not merely halting an enemy closing from two directions guerrilla warfare was more often the norm than the exception and the shortage of men and materiel was a constant problem The third volume of Confederate Generals in the Trans Mississippi offers eight new essays on generals engaged in the effort to secure a region whose unique challenges would have daunted the best of commanders Included here are Joseph G Dawson III on Earl Van Dorn's efforts to bring order to the chaos of the Trans Mississippi District and how his experiences affected his battlefield performance in 1862 Jeffery M Prushankin on the administrative nightmares facing Edmund Kirby Smith when he assumed responsibility for the region in 1863 and Richard Holloway on the formidable army commander Richard Taylor and the all but forgotten effort to move Confederate troops east of the Mississippi in 1864 Essays on Hamilton Prioleau Bee James Fleming Fagan William Robertson Boggs Tom Green and Austin Wharton round out the collection Like its predecessors this new volume brings splendid research and a wealth of new insight and analysis to bear on an aspect of the Civil War whose historical significance has too long been overshadowed by the events farther east **Major General Robert E Rodes of the Army of Northern Virginia** Darrell Collins, 2008-06-20 FINALIST FOR BIOGRAPHY 2008 ARMY HISTORICAL FOUNDATION DISTINGUISHED BOOK AWARD WINNER 2009 THE DOUGLAS SOUTHWALL FREEMAN AWARD FOR BEST BOOK ON SOUTHERN HISTORY Jedediah Hotchkiss Stonewall Jackson's renowned mapmaker expressed the feelings of many contemporaries when he declared that Robert Rodes was the best division commander in the Army of Northern Virginia This well deserved accolade is all the more remarkable considering that Rodes a graduate of the Virginia Military Institute and a prewar railroad engineer was one of a very few officers in Lee's army to rise so high without the benefit of a West Point education Major General Robert E Rodes of the Army of Northern Virginia A Biography is the first

deeply researched scholarly biography on this remarkable Confederate officer From First Manassas in 1861 to Third Winchester in 1864 Rodes served in all the great battles and campaigns of the legendary Army of Northern Virginia He quickly earned a reputation as a courageous and inspiring leader who delivered hard hitting attacks and rock steady defensive efforts His greatest moment came at Chancellorsville in the spring of 1863 when he spearheaded Stonewall Jackson s famous flank attack that crushed the left wing of General Hooker s Army of the Potomac Rodes began the conflict with a deep yearning for recognition and glory coupled with an indifferent attitude toward religion and salvation When he was killed at the height of his glorious career at Third Winchester on September 19 1864 a trove of prayer books and testaments were found on his corpse Based upon exhaustive new research Darrell Collins s new biography breathes life into a heretofore largely overlooked Southern soldier Although Rodes widow consigned his personal papers to the flames after the war Collins has uncovered a substantial amount of firsthand information to complete this compelling portrait of one of Robert E Lee s most dependable field generals Darrell L Collins is the author of several books on the Civil War including General William Averell s Salem Raid Breaking the Knoxville Supply Line 1999 and Jackson s Valley Campaign The Battles of Cross Keys and Port Republic The Virginia Civil War Battles and Leaders Series 1993 A native of Ann Arbor Michigan Darrell and his wife Judith recently relocated to Conifer Colorado [The Encyclopedia of Confederate Generals](#) Samuel W.

Mitcham,2022-05-24 A renown military historian and frequent television commenter brings to life the generalship of the South during the Civil War in sparkling information filled vignettes For both the Civil War completist and the general reader Anyone acquainted with the American Civil War will readily recognize the names of the Confederacy s most prominent generals Robert E Lee Stonewall Jackson James Longstreet These men have long been lionized as fearless commanders and genius tacticians Yet few have heard of the hundreds of generals who led under and alongside them Men whose battlefield resolve spurred the Confederacy through four years of the bloodiest combat Americans have ever faced In [The Encyclopedia of Confederate Generals](#) veteran Civil War historian Samuel W Mitcham documents the lives of every Confederate general from birth to death highlighting their unique contributions to the battlefield and bringing their personal triumphs and tragedies to life Packed with photos and historical briefings [The Encyclopedia of Confederate Generals](#) belongs on the shelf of every Civil War historian and preserves in words the legacies once carved in stone [Lone Star Confederate](#) George Skoch,Mark W. Perkins,2003-02-12 Only eighteen years old when he marched off to war young Confederate Robert Campbell already possessed the keen perceptive eye of a seasoned journalist After fighting with the 5th Texas Infantry Regiment in the famed Hood s Texas Brigade Campbell recorded the first months of his service for the benefit of future generations of his family Now editors George Skoch and Mark W Perkins bring Campbell s riveting eyewitness accounts from the frontline to the public in [Lone Star Confederate](#) A Gallant and Good Soldier of the 5th Texas Infantry a lively and telling glimpse into a Johnny Reb s life This young Confederate s tale of battle begins with his introduction to the unit in Virginia and continues

through to his furlough home after he suffers a serious battle wound at Second Manassas Among the thousands who served in what arguably was the most renowned combat unit in the Southern army Hood's Texas Brigade Campbell holds the dubious distinction of being the most wounded man sustaining six wounds during the course of the war Campbell praises Southern women who cared for soldiers along the railroad line from Richmond to Montgomery and recalls eating ten ears of green corn after three days of short rations and a hard day of fighting He recounts falling asleep on picket duty despite the fear of punishment by death and describes being under cannon fire and suffering a painful leg injury The terrible conditions of battle eating and sleeping too little marching and drilling too much cleaning weapons and standing watch in the rain and cold are vividly real under Campbell's pen which also praises his leaders Lee Jackson and other Confederate officers Skoch and Perkins have supplemented the record of Campbell's wartime service with his letters written during and after the war His remarkable firsthand account of life in the 5th Texas will find a permanent niche in the literature of the Civil War

The Cavalry of the Army of the Ohio Dennis W. Belcher, 2024-06-28 At the outset of the Civil War the cavalry of the Army of the Ohio Michigan Ohio Indiana Illinois Pennsylvania Kentucky and Tennessee was a fledgling force beginning an arduous journey that would make it the best cavalry in the world In late 1862 most of this cavalry was transferred to the Army of the Cumberland and a second cavalry force emerged in the second Army of the Ohio Throughout the war these regiments fought in some of the most important military operations of the war including Camp Wildcat Mill Springs the siege of Corinth raids into East Tennessee the capture of Morgan during his Great Raid and the campaigns of Middle Tennessee Perryville Knoxville Atlanta and Nashville This is their complete history

The Civil War Confiscation Acts John Syrett, 2005 The Confiscation Acts were designed to sanction slave holding states by authorizing the Federal Government to seize rebel properties and grant freedom to slaves who fought with or worked for the Confederate military In the first full account in more than twenty years of them John Syrett examines the political contexts of the Acts especially the debates in Congress and demonstrates how the failure of the confiscation acts during the war presaged the political and structural shortcomings of Reconstruction after the war

The Key to the Shenandoah Valley Edward B. McCaul, Jr., 2023-09-13 During the Civil War the Shenandoah Valley was the scene of 326 engagements many taking place around Winchester The city was occupied and evacuated 72 times and six major battles were fought in the vicinity including First and Second Kernstown and Cedar Creek Geography was a crucial factor in the struggle to control Winchester which was key to controlling Virginia Confederate occupation gave them psychological dominance of the central valley and enabled them to disrupt enemy operations When Union forces prevailed they dictated the tempo of operations in the region The decisive Union capture of the city in 1864 foretold the end of the Confederacy Drawing on the Official Records of the Union and Confederate Armies this book chronicles the strategic battle for the heart of the Shenandoah Valley
