The second form is of the etheric – just around you, just around your body. It penetrates your body and it is also around your body just like a hazy light, a blue light, hanging all around like a loose robe.

Just sitting silently, looking at it; not doing anything, just looking at the bluish form around you; not doing anything, just looking at it, you will feel it is increasing, spreading, becoming bigger and bigger.

If with closed eyes you feel as if your body has gone up and you feel there is no weight to it.
