The East Moor Experience 1942-1946 Squadron Operations:

East Moor Experience Brian Shields, 1998-08-01 **Last Flight to Stuttgart** Lisa Jean Russ, 2018-10-26 A woman's journey to uncover the fate of seven RCAF crewmen who perished in the Second World War. For most of her life Lisa Russ knew little about her second cousin Robert Bud George Alfred Burt. All she had were two grainy photos, a poem Bud had written shortly before his death, and the knowledge that he was a tail gunner in a Lancaster bomber during the Second World War. It was only when Russ, a self-described discouraged modern-day war bride, found herself displaced, unemployed, and homesick in Australia that she began to search for a deeper connection to her family back in Canada and stumbled upon the remarkable story of Bud and his fellow crewmen who were shot down over Stuttgart, Germany, in March of 1944. Just nineteen at the time of his death, Bud was one of the bomber boys of Lancaster II, a member of 408 Goose Squadron of the Royal Canadian Air Force. Although he was but one of tens of thousands of long-forgotten Allied soldiers who perished in the War, for Russ he became an emblem of courage and sacrifice. *Last Flight to Stuttgart* is a riveting story told in parallel timelines of one woman's quest for remembrance of a brave crew and their ill-fated mission. For every leader who has his story told, there are many thousands of servicemen whose stories never come to light. This book honours the marginalised by telling their story.
