Here is a truly integral portrait of the life and work of one of the twentieth century s most fascinating spiritual figures Edgar Cayce A Seer Out of Season Harmon Hartzell Bro, 2011-06 Millions worldwide have turned to the readings of Edgar Cayce for advice on health and spiritual growth Drawing from his experience as Cayce s longtime associate Dr Bro has written a firsthand account in this full length biography of the gifted psychic HC A R E Press

Edgar Cayce: The "Sleeping" Medium & Spiritual Discernment John Weldon, 2013-02-09 Edgar Cayce 1877 1945 was one of the most famous trance mediums in the world and the best known psychic in America's history Not commonly placed under those occult classifications he is commonly referred to in a more soothing category as the sleeping prophet Through entering a self induced hypnotic trance he produced over 14300 health and spiritual Readings one of the largest psychic

libraries in history allegedly from his unconscious mind and or the supposed akashic records Uniquely he may be considered the spiritual father of both the modern New Age movement and contemporary holistic medicine His influence has extended to millions of people This book takes a critical look at the life readings and health spiritual impact of Edgar Cayce It illustrates the timely warning of the old adage that the road to hell may be paved with perfectly good intentions and how benevolent concepts such as improved health and spirituality may indeed become the devil s playground Ironically this is the very thing Cayce himself had worried about in reference to the Readings Edgar Cayce in Context K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce's reliability in the subject areas emphasized by the readings Cayce's medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce's ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce's personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective The Gift of Healing Dr. Rev. Diana B. St. Clair, 2016-12-23 The Bible is a divine guide that shows what we need to do to avoid sickness and disease so why dont people use it as such Dr Rev Diana B St Clair an ordained minister proves that everyone has the gift to heal in this detailed thesis that she wrote for the doctorate program at Metropolitan University She looks to the ancient prophets of long ago the Christian Holy Bible and historical events to unlock how we can access this hidden power She also examines how Native Americans used healing techniques the use of gemstones in healing how Jesus healed and the work pastoral counselors have done to promote healing She backs up her arguments with additional research and case studies In explaining how we can heal ourselves and others she looks closely at the soul which we often think of as the spark of God within us She also examines the conscious and subconscious aspects of God Stay vibrant in mind body and spirit by learning the parallels between ancient healing practices Christianity and modern medicine in The Gift of Healing The Edgar **Cayce Remedies** William A.
