Rethinking Uncle Tom William Barclay Allen,2009-01-01 Rethinking Uncle Tom thoroughly explains Uncle Tom's Cabin as an articulation of the conditions of democratic life and the nature of modern humanism The most mature elements of Stowe's political thought emerge from a close reading of *Sunny Memories* and of *Oldtown Folks* This book develops familiarity with the moral discourse of abolition and nineteenth century reformism and it offers a glimpse of an America envisioned as producing a nobility of soul represented in the human model of surpassing excellence **Updating the Literary West** ,1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has changed and widened *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of *LHAW* This volume again affirms the West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries Selected list of contributors James Maguire Fred Erisman Susan J Rosowski Gerald Haslam Tom Pilkington A Carl Bredahl
