The Eleventh Commandment G. Vaughn Smith,2006-04 The Christian Church has failed It has been almost two thousand years since the founder of the Christian Church Jesus Christ died upon the cross yet the Great Commission is not complete There are more human beings in slavery than ever before in the human experience while pornography and sexual crimes are rampant Here in the United States a nation supposedly under God the percentage of people actively attending the church of their choice has fallen to less than half of what it was 40 years ago If that were not enough to prove my premise regarding the failure of the Christian Church every second someone in this world dies of starvation while the organized church ignores the very people it was founded to serve the lost **The Eleventh Commandment** Mario

Martinez,2015-02-20 While on an archaeological dig in Northern Arizona Marcus Machado unearths the journals of a sixteenth century priest The contents make reference to the existence of the Book of Aaron a missing book of the Bible It also suggests a possible location of the book along the Exodus Trail in the Middle East Marc travels to another dig site in the Middle Eastern desert where along with the help of an Egyptian guide they uncover the actual Book of Aaron the brother of Moses The book reveals an even greater secret the existence of an eleventh commandment They soon discover the fabled tablet and after deciphering accompanying information about the commandment Marcus is torn between delivering it to the world and burying it deeper than where he found it He knows that in the wrong hands it could have earth shattering ramifications Follow along as Marc deals with the dilemma thrust upon him *The Eleventh Commandment* Vincent
