by Charles Robertson

The Elijah Conspiracy

Jeannie B. Thomson Davies

The Elijah Conspiracy:

The Elijah Conspiracy Charles Robertson,1980-11 Of Sinners and Liberals Rickard DeMille,2000-06 TEXT FOR AUTHOR BIO Rick DeMille has been active in politics for years He has seen liberalism up close as a delegate to state and county Democratic conventions He is also author of the book Y2K What You Need to Know TEXT FOR BOOK DESCRIPTION How would Christ have been received in a liberal world How would today's rules and regulations changed reactions to his life This is a humorous look at how liberalism would have dealt with Christ and His teachings It is presented to us through the eyes of Joe C Fuss a reporter in Jerusalem We also find comments from national radio celebrities Rush Limbaugh and Mark Davis This is truly a unique look at liberalism and its results Spies and Holy Wars Reeva S. Simon,2010-11-15 Illuminating a powerful intersection between popular culture and global politics *Spies and Holy Wars* draws on a sampling of more than eight hundred British and American thrillers that are propelled by the theme of jihad an Islamic holy war or crusade against the West Published over the past century the books in this expansive study encompass spy novels and crime fiction illustrating new connections between these genres and Western imperialism Demonstrating the social implications of the popularity of such books Reeva Spector Simon covers how the Middle Eastern villain evolved from being the malleable victim before World War II to the international techno savvy figure in today's crime novels She explores the impact of James Bond pulp fiction and comic books and also analyzes the ways in which world events shaped the genre particularly in recent years Worldwide terrorism and economic domination prevail as the most common sources of narrative tension in these works while military tech novels restored the prestige of the American hero in the wake of post Vietnam skepticism Moving beyond stereotypes Simon examines the relationships between publishing trends political trends and popular culture at large giving voice to the previously unexamined truths that emerge from these provocative page turners **Slavery and Crime in Missouri, 1773-1865** Harriet C. Frazier,2001-01-01 Slavery and its lasting effects have long been an issue in America with the scars inflicted running deep This study examines crimes such as stealing burglary arson rape and murder committed against and by slaves with most of the author's information coming from handwritten court records and newspapers These documents show the death penalty rarely applied when a slave killed another slave but that it always applied when a slave killed a white person Despite Missouri's grim criminal justice system the state's best lawyers were called upon to represent slaves in court on serious criminal charges and federal law applied to all persons granting slaves in Missouri protection that few other slave states had By 1860 Missouri's population was only 10 percent slave the smallest percentage of any slave state in America *The President Vanishes* Rex Stout,2011-07-20 The President of the United States has vanished As the guns of war begin to fire in Europe wild rumors spread through the nation's capital Some guess the right wing Gray Shirts have kidnapped him Others blame the Communists But the Secret Service fears the culprit lies closer to the Oval Office Every member of the Cabinet is suspect The President's secretary is taken into custody The richest banker in America a

powerful newspaper publisher and an influential steel lobbyist are all being carefully watched Unless one of these men can be made to tell the truth will a handkerchief an empty chloroform bottle and an abandoned van be enough to lead them to the President before it is too late *Monsters in the Mirror* Sara Buttsworth, Maartje Abbenhuis, 2010-08-31 This collection provides readers with a comprehensive overview of postwar representations of Nazism in popular culture documenting and critiquing their enormous impact and importance From Charlie Chaplin's *The Great Dictator* to the depiction of Nazis in the *Raiders of the Lost Ark* to other various literature comic books video games television programs and pop music Nazism has maintained a constant presence in popular culture after World War II Why are representations of Nazism which are often used to depict the ultimate expression of human evil so entrenched in our culture Each chapter in this book examines this multifaceted topic from different angles highlighting the different incidences of Nazistic representations in the post 1945 period The diverse subject matter in this text ranges from analysis of recent allo historical novels to the music of the neo folk movement to fetishes and pornography Readers will gain insight on how the imagery and symbology of Nazism in popular culture has changed over time and understand how the disconnect between representations of Nazism and the historical record have developed particularly with regard to the genocide that resulted from Nazi politics **The Southwestern**

Metaphysical Africa Michael Muhammad Knight, 2020-09-15 The Ansaru Allah Community also known as the Nubian Islamic Hebrews AAC NIH and later the Nuwaubians is a deeply significant and controversial African American Muslim

movement Founded in Brooklyn in the 1960s it spread through the prolific production and dissemination of literature and lecture tapes and became famous for continuously reinventing its belief system In this book Michael Muhammad Knight studies the development of AAC NIH discourse over a period of thirty years tracing a surprising consistency behind a facade of serial reinvention It is popularly believed that the AAC NIH community abandoned Islam for Black Israelite religion UFO religion and Egyptosophy However Knight sees coherence in AAC NIH media explaining how in reality the community taught that the Prophet Muhammad was a Hebrew who adhered to Israelite law Muhammad s heavenly ascension took place on a spaceship and Abraham enlisted the help of a pharaonic regime to genetically engineer pigs as food for white people Against narratives that treat the AAC NIH community as a postmodernist deconstruction of religious categories Knight demonstrates that AAC NIH discourse is most productively framed within a broader African American metaphysical history in which boundaries between traditions remain quite permeable Unexpected and engrossing Metaphysical Africa brings to light points of intersection between communities and traditions often regarded as separate and distinct In doing so it helps move the field of religious studies beyond conventional categories of orthodoxy and heterodoxy challenging assumptions that inform not only the study of this particular religious community but also the field at large

A Critical and Exegetical Commentary on Amos and Hosea William Rainey Harper,1905 The Elisha-Hazael Paradigm and the Kingdom of Israel Hadi Ghantous,2014-10-14 This study deals with the most important king of the Aramaean kingdom of Damascus Hazael and the impact he had on biblical literature which goes beyond the few verses that mention him explicitly in the Book of Kings and the Book of the Twelve The extra biblical sources reveal that Hazael managed to create a large kingdom and to expand his authority over the whole of Syria Palestine including the Kingdom of Israel and the House of David during the second half of the ninth century BCE The Bible presents that power of Hazael as oppression of both kingdoms yet the biblical writers elaborated a much more nuanced portrait of Hazael than first meets the eye In the Elijah Elisha cycles Hazael provides a theological interpretative paradigm the Elisha Hazael paradigm which provides in the Book of Kings and in the Book of the Twelve especially in the books of Amos and Jonah the key to explain God s mysterious dealings with Israel and Israel s enemies Hazael is presented as a faithful agent of YHWH who fulfils the divine plan Beyond the power Hazael yielded across the Levant in his life time the Elisha Hazael paradigm reveals his enduring influence in Judah and in biblical literature

Thomson Davies,2024-11-15 Originally published in 1933 from the preface The aim of this particular venture is to present the writings now collected in the volume called the Bible in an order

approaching that in which they came into being The hope is that a considerable amount of both the Old and New Testaments may be read in a fresh setting so that questions about inconsistencies in the Bible or about its varying levels of morality or about its uneven value for religious education can no longer be fired as poison darts to attack its life and influence This is an attempt to combine reading the Bible with learning to understand it Of particular relevance to those interested in religious studies today it can be read in its historical context This book is a re issue originally published in 1933 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication
