## The Elijah Years:

Samuel, Kings, Chronicles, Ezra-Nehemiah Athalya Brenner-Idan, Gale A. Yee, 2021-07-29 This volume brings together disparate views about biblical texts in the books of Samuel Chronicles and Ezra Nehemiah and examines their influence in the life of contemporary communities demonstrating how today's environments and disorders help readers to acquire new insights into such texts The contributing scholars hail from different continents from East Asia to the United States to Europe to South Africa and Israel and count themselves as members of various Jewish and Christian traditions or secularist ways of life But in spite of their differences in location and community membership and perhaps in the spirit of the times 2020 and its global discontents they share preoccupations with questions of ethics in politics and life proper death violence and social exclusion or inclusion This volume offers readers a better understanding of how politics and faith can be melded both in ancient and contemporary contexts to serve the interests of certain classes and societies often at the expense of others **3**

**The Stories of the Prophets. Qisas Al-Anbiyā'. An Eastern Turkish Version** Al- Rabghūzī, 2023-03-13 The print edition is available as a set of two volumes 9789004102224 *A History of the Old Town of Stratford and the City of Bridgeport, Connecticut* Samuel Orcutt, 1886 **The Next Thirteen Years** Frank de Ruyter, 2013-11-14 Next Thirteen Years started with the question of how the Mayan Calendar date of 21 December 2012 might be connected to Christian apocalyptic expectations for the end of this age A certain amount of paranoia was no doubt produced by the unexpected destruction of much of my hometown Christchurch through a number of earthquakes that struck throughout 2011 during the year of the super Moon The 2011 Japan tsunami came soon after and these disasters seemed to be leading into 2012 when NASA was also anticipating dangerous solar flares Many thought the government knew something that the rest of us did not and wild speculation broke out on YouTube from 2011 onwards fed by the massive underground bunker building programs and the arming of FEMA camps all across the United States Huge stock piling of food in these bunkers throughout 2013 is not helping to calm public nerves Financial prognosticators have also foreseen an imminent collapse and the picture being drawn is almost apocalyptic expressing a readiness for cosmic disaster or war on American soil My own beliefs anticipate critical events from 2026 to 2030 which is when I think the final great Antichrist will be upon us who will appear with the overthrow of Jerusalem The thirteen year gap from 2013 to 2026 is of the right length to suggest the next thirteen years could be the period of apostasia rebellion that Paul speaks of as preceding this great Man of Sin whom Christ must destroy at his return What governments are doing now can easily be read as preparation for the collapse of society perhaps with the

aim of building a New World Order from the ashes ruling over whoever is fortunate enough to survive what is about to come Plans to cull population may also be brought to fruition in this great set of events about to take place upon the Earth In setting the plan of the elitists alongside what I think will transpire from 2026 onwards I lay before the reader what I think the Next Thirteen Years may hold for us

*The Time Is Near* Ian Foley, 2016-05-31 The Time Is Near the second and final volume of a paired set builds upon the foundations laid in the first volume to offer a comprehensive and systematic interpretation and explanation of the final book of the Bible Revelation The author Ian Foley summarizes the findings of the first volume before turning to an exploration of this often misunderstood biblical book This volume explains how two books of apocalyptic literature Daniel and Revelation have similar structures display similar styles of writing and offer seamlessly connecting content The benefit of this

comparison comes in recognizing that the ambiguities and confusions of meaning that typically accompany readings of Revelation fade away. The reader then receives a clear view of a complete prophetic picture of God's plan for his world stretching from 605 BC to the end of this age and beyond. In its thirty-two parts, *The Time Is Near* presents concise statements of position that begin with Daniel, dwell on Jesus and Paul, and then focus primarily on Revelation. By offering this overall summary of a clear word of prophecy and by supporting it with immersion in the Bible and reflection on historical events, *The Time Is Near* invites readers' reflection and testing. In a time in which the worldwide church faces great challenges, *The Time Is Near* speaks clearly of refreshingly new insights that will help Christians to face those challenges and to resolve their uncertainties about the meaning of Revelation for this world and the next. ... **Select Notes on the**

**International Sunday School Lessons ...**, 1903      **Connections: Year C, Three-Volume Set** Joel B. Green, Thomas G. Long, Luke A. Powery, Cynthia L. Rigby, 2019-05-01. Designed to empower preachers as they lead their congregations to connect their lives to Scripture, *Connections* features a broad set of interpretive tools that provide commentary and worship aids on the Revised Common Lectionary. For each worship day within the three-year lectionary cycle, the commentaries in *Connections* link the individual lection reading with Scripture as a whole as well as to the larger world. In addition, *Connections* places each Psalm reading in conversation with the other lections for the day to highlight the themes of the liturgical season. Finally, sidebars offer additional connections to Scripture for each Sunday or worship day. This nine-volume series is a practical, constructive, and valuable resource for preachers who seek to help congregations connect more closely with Scripture. **Christian Nation**, 1911      *The Branch Exposition of the Bible, Volume 2* Michael A. Eaton, 2024-09-30. A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, *The Branch Exposition of the Bible* is a resource for preachers, scholars, and ordinary Christians alike to help open God's word and shed its light into life, ministry, and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa, India, and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. Together with the New Testament volume, this exposition of the Old Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.      *The Religion of Spiritualism, Its Phenomena and Philosophy* Samuel Watson, 1881      **The New England Historical and Genealogical Register**, 1929.
