**The Light at the End** John Skipp, Craig Spector, 2017-04-25 An adrenaline charged tale of unrelenting suspense that sparks with raw and savage energy. The newspapers scream out headlines that spark terror across the city. Ten murders on the New York City subway. Ten grisly crimes that defy all reason. No pattern. No M.O. No leads for police to pursue. The press dubs the fiend the Subway Psycho. The NYPD desperately seeks their quarry before the city erupts in mass hysteria. But they won't find what they're looking for. Because they all think that the killer is human. Only a few know the true story a story the papers will never print. It is a tale of abject terror and death written in grit and steel and blood. The tale of a man who vanished into the bowels of the urban earth one night taken by a creature of unholy evil then left as a babe abandoned on the doorstep of Hell. Now he is back driven by twin demons of rage and retribution. He is unstoppable. And we are all his prey unless a ragtag band of misfit souls will dare to descend into a world of manmade darkness where the real and unreal alike dwell in endless shadow. A place where humanity has been left behind and the horrifying truth will dawn as a madman's chilling vendetta comes to
