The Emerald Tablet Of Hermes Trismegistus:

Emerald Tablet of Hermes Hermes, The Tablet probably first appeared in the West in editions of the psuedo Aristotlean *Secretum Secretorum* which was actually a translation of the *Kitab Sirr al Asar* a book of advice to kings which was translated into latin by Johannes Hispalensis c 1140 and by Philip of Tripoli c 1243 Other translations of the Tablet may have been made during the same period by Plato of Tivoli and Hugh of Santalla perhaps from different sources The date of the *Kitab Sirr al Asar* is uncertain though c 800 has been suggested and it is not clear when the tablet became part of this work Holmyard was the first to find another early arabic version Ruska found a 12th centruy recension claiming to have been dictated by Sergius of Nablus in the *Kitab Ustuqus al Uss al Thani* Second Book of the Elements of Foundation attributed to Jabir Shortly after Ruska found another version appended to the *Kitab Sirr al Khaliqa wa San at al Tabi* a Book of the Secret of Creation and the Art of Nature which is also known as the *Kitab Balaniyus al Hakim fi l Ilal* book of Balinas the wise on the Causes It has been proposed that this book was written may have been written as early as 650 and was definitely finished by the Caliphate of al Ma mun 813 33 Scholars have seen similarities between this book and the Syriac Book of Treasures written by Job of Odessa 9th century and more interestingly the Greek writings of the bishop Nemesius of Emesa in Syria from the mid fourth century However though this suggests a possible Syriac source non of these writings contain the tablet Balinas is usually identified with Apollonius of Tyna but there is little evidence to connect him with the *Kitab Balabiyus* and even if there was the story implies that Balinas found the tablet rather than wrote it and the recent discoveries of the dead sea scrolls and the nag hamamdi texts suggest that hiding texts in caves is not impossible even if we did not have the pyramids before us Ruska has suggested an origin further east and Needham has proposed an origin in China Holmyard Davis and Anon all consider that this Tablet may be one of the earliest of all alchemical works we have that survives It should be remarked that apparantly the Greeks and Egyptians used the term translated as emerald for emeralds green granites and perhaps green jasper In medieval times the emerald table of the Gothic kings of Spain and the *Sacro catino* a dish said to have belonged to the Queen of Sheba to have been used at the last supper and to be made of emerald were made of green glass Steele and Singer 488

The Emerald Tablets of Thoth the Atlantean Bart Marshall,2020-03-05 Most ancient spiritual texts are of unknown or uncertain origin but few are as deeply shrouded in myth legend and mystery as The Emerald Tablets of Thoth the Atlantean and the closely associated and more well known Emerald Tablet attributed to Hermes Trismegistus In this book Bart Marshall a renowned translator of many eastern and Christian texts presents these valuable teachings in a poetic intensely readable form Scholars speak of the Emerald Tablet as one of the most mysterious documents ever put before the eyes of man and describe it as everything from a succinct summary of Neoplatonic philosophy to an extraterrestrial artifact to a gift from Atlantis The Tablet is attributed to the legendary figure of Hermes Trismegistus said to be an ancient philosopher healer and sage References to Trismegistus can be found in Renaissance Christian Islamic Roman and Greek literature and the Tablet appears and disappears across the ancient world before and after the birth of Christ Spiritually the Emerald Tablet and the Emerald Tablets of Thoth are closely related to alchemy and are said to reveal the secrets of creating the Philosophers Stone Alchemical traditions whether European Middle Eastern or Asian pursue the same prize the creation of the Philosopher s Stone Also known as the Pearl of Great Price the Wish Fulfilling Jewel and the Heart of the Sun it is the tool that turns base lead into gold The ultimate insight to be discovered by the wise is that the alchemical process is an allegory of spiritual development outlining inescapable psychological steps one must pass through to reach Self Realization It is the ultimate transmutation turning the base lead of ego into the gold of enlightenment through a process of destruction and refinement To the master alchemist producing physical gold is not the objective Transmuting and refining the soul is the true prize

The Emerald Tablet 101 Matthew Barnes,2016-09-23 The Emerald Tablet is purported to be a

fourteen step instruction manual for the Alchemical process of turning ordinary metals like lead into something much more valuable like gold If you can decipher the meaning that is Over the centuries many have tried I believe the fourteen statements of the Emerald Tablet to be a symbolic guide to a far greater treasure Legend has it that this guide was written by Hermes Trismegistus an ancient Egyptian philosopher whose discoveries were said to have transformed him through knowledge of this world into a god among men so to speak The Egyptians thought so highly of him that they equated him with their god Thoth see front cover and the Greeks in similar fashion equated him with their god Mercury What is the goal of the Emerald Tablet as transmitted to us by Hermes through the fourteen cryptic statements To transform those of us who can decipher its meaning into a higher level of human consciousness To transform the reader through knowledge into what the Egyptians would have called a god among men This world is a holographic unity that repeats itself in an endless infinite continuum in every direction forever **The Emerald Tablet of Hermes Trismegistus** ,1997 **The Emerald Tablet**

Hermes Trismegistus,Isaac Newton,2017-05-15 The Emerald Tablet also known as the Smaragdine Table or Tabula Smaragdina is a compact and cryptic piece of the Hermetica reputed to contain the secret of the prima materia and its transmutation It was highly regarded by European alchemists as the foundation of their art and its Hermetic tradition The original source of the Emerald Tablet is unknown Hermes Trismegistus is the author named in the text The layers of meaning in the Emerald Tablet have been associated with the creation of the philosopher's stone laboratory experimentation phase transition the alchemical magnum opus the ancient classical element system and the correspondence between macrocosm and microcosm **Eternal Light and the Emerald Tablets of Thoth** Elias Gewurz,2013-02 SECRETS OF ALCHEMY AND THE QABALAH THE SOURCE OF MYSTIC POWER THERE IS A MATRIX OF THE UNIVERSE LEARN HOW TO ADAPT TO IT Great mystics throughout the ages as well as prophets of the Old and New Testaments tell us that the universe comes from some unknown source and is winding its way towards some unknown end and that its true nature can only be described by means of symbols These symbols are thoughts set forth in pictorial forms which come from the creator of the Unknowable It mirrors both the light and darkness without which nothing could exist It reveals within man the physical moral and intellectual spheres of his activities in that of justice culture and work between man and the universe and between man and God between everything This work strives to explain the secret wisdom of the cosmos which includes understanding the meaning of moral and spiritual equilibrium which demands a balancing of all that exists in our lives as well as in the cosmos THE ETERNAL LIGHT The Emerald Tablet of Hermes Trismegistus The Precepts of Hermes engraved upon the Emerald Tablet 1 Speak not fictitious things but that which is certain and true 2 What is below is like that which is above and what is above is like that which is below to accomplish the miracles of one thing 3 And as all things were produced by the one word of one Being so all things were produced from this one thing by adaptation 4 Its father is the sun its mother the moon the wind carried it in its belly its nurse is the earth 5 It is the father of perfection throughout the world 6 The power is vigorous if

it be changed into earth 7 Separate the earth from the fire the subtle from the gross acting prudently and with judgment 8
 Ascend with the greatest sagacity from the earth to heaven and then again descend to the earth and unite together the
 powers of things superior and things inferior Thus will you obtain the glory of the whole world and obscurity will fly far away
 from you 9 This has more fortitude than fortitude itself because it conquers every subtle thing and can penetrate every solid
 10 Thus the world was formed 11 Hence proceed wonders which are here established 12 Therefore I am called Hermes
