**Pastoral Theology** James Mason Hoppin,1901      *Lamplight in the Shadows* Robert Jaggs-Fowler,2015-02-28 How had it happened How had his entire world been turned upside down his every sense of right and wrong of morals and religious duty been so deftly swept aside to leave his mind in a tumult of emotions Set in the early 1990s Dr James Armstrong a young newly qualified GP lives with his wife Janice in Barminster where he is busy laying out plans for their future However his search for a medical partnership is complicated by a long term and persistent sense of being called to ordination in the Church of England Whilst exploring the possibility of a dual professional life as a doctor and priest he accepts a position as a locum GP in a practice in the quiet market town of Bishopsworth Once there his world is thrown into chaos when he finds himself powerfully drawn to a beautiful young woman whose own marriage is failing The result is an emotional drama that brings into focus the underlying difficulties of his own bleak relationship Torn between his loyalty to his wedding vows and

the unexpected discovery of true love James is left battling powerful emotions that make him question all that he has previously stood for He needs to make some difficult decisions decisions that will mean winners and losers But what is he prepared to sacrifice and at what price Lamplight in the Shadows explores the complex tensions between perceived duty and misplaced loyalties With characters drawn from rural society and religious settings the story will appeal to those who enjoy romantic fiction     Great Lowlands by Annie E.
