The Encouraging Word:

The Encouraging Word Robert Sebastian Romeis, 1989 The Power of an Encouraging Word Ken Sutterfield, 1997-08-01 Think of the half dozen times in your life when a bit of encouragement carried you for a long time A word or card here and there boosted your confidence and outlook It just made you feel good But you know what they say it s better to give than to receive If only we realize the impact a well placed note of support and motivation can have on the people around us It might spur them on to achieve great things Or at least lift a chin off a chest Best selling author Ken Sutterfield believes passionately that we are to encourage one another and look for people who need an encouraging word These stories illustrate the impact well timed words have had on various lives Read them for your own enjoyment then go out and practice

An Encouraging Word Michael Pope, 2011-09 An Encouraging Word is a daily devotional designed to move you into a closer and more intimate relationship with the Lord Jesus Christ as you commit yourself to this 30 day study of these words of encouragement which will not only uplift you every day but will also move you into the place of divine restoration and healing as God has intended for all His people God sent His Word and healed them and delivered them from their destructions Psalm 107 20 Michael Pope is an advocate of the gospel of Jesus Christ which attributes the transformation of his life to the daily encouragement which he finds in the Word of God After working in the medical field for over fourteen years he has discovered that the saving of one s life happens through the saving of the soul and grants the individual a life of soundness and wholeness in every area of life He states that he has found no greater medicine available to man which can be more effective for a person than a daily dose of the Word of God He is a graduate of Livingston University now known as the University of West Alabama and currently resides in Northport Alabama E mail me at info@michaelpopeministries.org or visit me at www.michaelpopeministries.org

L. O. E.,1872 Encouraging Words from The Desire of Ages Ray Hartwell, There is power in encouragement Studies have shown that words have a significant impact on the human brain And the messages that we replay in our minds can either lift us up or drag us down The same is true in our spiritual life There are days when we feel like giving up Days when nothing seems to go right Days when we are unsure of what the future may bring Days when we wonder if God knows our address much less if He even remembers our name It is at those times that we can use an encouraging word Just one

powerful thought one powerful promise one powerful assurance that can be the lift we need to help us carry on Gathered here are more than 3 months of daily encouraging words drawn from the classic book on the life of Christ entitled The Desire of Ages by Ellen G White In a unique and inspiring way the short quote on each page will give you a thought to cherish all day And as you ponder and turn over in your mind an encouraging word the power of heaven will lead you to dwell on these promises and cultivate courage and positivity We all need encouragement And those around us with their perplexities and disappointments could use some as well So let these words lift you up and at the same time enable you to spread a little encouragement in your corner of the world *The Poet: On the Wings of the Wind* Thomas Kruger,2010 **Unleashing the Power of Encouragement** Reid Lamport,2011 Did you know you possess the power to change another person s life Pastor and Hall of Fame Coach Reid Lamport provides insight as to why so many of God s children hold their words of encouragement at bay instead of using them to provide the emotional and spiritual support every one of us need Unleashing the Power of Encouragement presents practical advice to those who are intentional about coming alongside others to help them live as overcomers in this world Coach Lamport has spent his entire professional life building leaders in the classroom on the field and in the church This book brilliantly outlines his passion for encouragement and its crucial role in building others as servant leaders Every reader will benefit from Reid s successful plan that has been a long time difference maker for so many Jim Tressel Head Football Coach The Ohio State University Five time National Championship Coach Author of The Winners Manual For nearly forty years Reid Lamport has enthusiastically fulfilled his role as teacher and coach by encouraging and motivating thousands of students and athletes to rise above their earthly talents and circumstances and become the best they can be In addition he is senior pastor for The Church of the Rock in Poland Ohio Reid and his wife Michele have three adult children one son in law and the most handsome grandbaby ever Wuest's Word Studies from the Greek New Testament Kenneth Samuel Wuest,1973 A wealth of information on most of the Greek New Testament all in non technical language This reader s companion series clarifies many of the English words that do not fully capture the meaning of original Greek words Includes topical word and devotional studies book studies on most of Paul s epistles and Wuest s New Testament An Expanded Translation Wuest used interpretative material based on the Greek text some original with the author and some selected from other Greek authorities such as Marvin Vincent and Henry Barclay Swete The order of the Greek words has been preserved as much as possible so the reader may see where the Greek places the emphasis Polished diction has been sacrificed in the in interest of clarity and a closer adherence to the style and force of the Greek text
