The Encyclopaedia Of Scottish Executions 1750 To 1963:

The Encyclopaedia of Scottish Executions, 1750 to 1963 Alex F. Young,1998 Containing details of all executions carried out in Scotland from 1750 to 1963 this unique book will be of great value to genealogists and those attempting to trace ancestors

Capital Punishment and the Criminal Corpse in Scotland, 1740-1834 Rachel E. Bennett,2017-12-04 This book is open access under a CC BY 4.0 license This book provides the most in depth study of capital punishment in Scotland between the mid eighteenth and early nineteenth century to date Based upon an extensive gathering and analysis of previously untapped resources it takes the reader on a journey from the courtrooms of Scotland to the theatre of the gallows It introduces them to several of the malefactors who faced the hangman's noose and explores the traditional hallmarks of the spectacle of the scaffold It demonstrates that the period between 1740 and 1834 was one of discussion debate and fundamental change in the use of the death sentence and how it was staged in practice In addition the study provides an innovative investigation of the post mortem punishment of the criminal corpse It offers the reader an insight into the scene at the foot of the gibbets from which criminal bodies were displayed and around the dissection tables of Scotland's main universities where criminal bodies were used as cadavers for anatomical demonstration In doing so it reveals an intermediate stage in the long term disappearance of public bodily punishment

Bloody Scottish History: Edinburgh Geoff Holder,2012-01-31 Edinburgh is one of the most beautiful cities in the world with one of the darkest histories on record Sweeping through the centuries in a blood soaked catalogue of assaults assassinations and all out attempts at annihilation this volume reveals the hideous tapestry of death disease and disaster that lies beneath Edinburgh's stunning facade You'll never see the city in the same way again

Execution Culture in Nineteenth Century Britain Patrick Low,Helen Rutherford,Clare Sandford-Couch,2020-11-29 This edited collection offers multi disciplinary reflections and analysis on a variety of themes centred on nineteenth century executions in the UK many specifically related to the fundamental change in capital punishment culture as the execution moved from the public arena to behind the prison wall By examining a period of dramatic change in punishment practice this collection of essays provides a fresh historical perspective on nineteenth century execution culture with a focus on Scotland Wales and the regions of England From Public Spectacle to Hidden Ritual has two parts Part 1 addresses the criminal body and the witnessing of executions in the nineteenth century including studies of the execution crowd and executioners memoirs as well as reflections on the experience of narratives around capital punishment in museums in the present day Part 2 explores the treatment of the execution experience in the print media from the nineteenth and into the twentieth century The collection draws together contributions from the fields of Heritage and Museum Studies History Law Legal History and Literary Studies to shed new light on execution culture in nineteenth century Britain This volume will be of interest to students and academics in the fields of criminology heritage and museum studies history law legal history medical humanities and socio legal studies

William Hunter's World Nick Pearce,2017-07-05

Despite William Hunter's stature as one of the most important collectors and men of science of the eighteenth century and the fact that his collection is the foundation of Scotland's oldest public museum The Hunterian until now there has been no comprehensive examination in a single volume of all his collections in their diversity This volume restores Hunter to a rightful position of prominence among the medical men whose research and amassing of specimens transformed our understanding of the natural world and man's position within it This volume comprises essays by international specialists and are as diverse as Hunter's collections themselves dealing as they do with material that ranges from medical and scientific specimens to painting prints books and manuscripts The first sections focus upon Hunter's own collection and his response to it while the final section contextualises Hunter within the wider sphere A special feature of the volume is the inclusion of references to the Hunterian's web pages and on line databases These enable searches for items from Hunter's collections both from his museum and library Locating Hunter's collecting within the broader context of his age and environment this book provides an original approach to a man and collection whose importance has yet to be comprehensively assessed

Perthshire Murders Geoff Holder, 2010-10-15 Nineteenth century crime in Perthshire **Punishing the Dead?** R. A. Houston, 2010-08-05 A strikingly original work that shows how treatments of and attitudes towards suicide can illuminate our understanding of the social political and cultural history of early modern Britain Hangman's Brae Colin Duncan, Norman Adams, 2013-02-21 Hangman's Brae is a vividly written account of the blood curdling crimes and brutal forms of punishment of north east Scotland The book explores the area's underworld and features the grave robbers jail breakers rioters and other lawbreakers whose crimes led them to premature deaths at the end of a rope or at the not so delicate hands of The Maiden a gruesome decapitating device predating the French guillotine The stories of the men who enforced the law and meted out sentences to the ne'er do wells who broke it can be just as interesting and memorable as those of the criminals and Norman Adams introduces the reader to some of them Here you'll find some real characters such as the Aberdeenshire sheriff and criminal officer who always got his man once spending two chilling nights chained to a brutal murderer and rapist And it wasn't just hangings that these men had to perform their grisly work also involved execution by beheading and drowning often with some witch burning for good measure The many true crime cases in this book shed new light on just how violent and bloody the north east of Scotland's past was Crime and the First World War in Scotland DR CAMERON. MCKAY, 2025-01-07 Previously unavailable archival sources reveal the socially disruptive impact of the First World War in Scotland While a great deal has been written on Scotland and the First World War the question of how it affected criminality has been underexplored Although mass enlistment reduced offending drastically servicemen based in Scotland continued to commit offences whilst some crimes such as bigamy actually rose during the war After demobilisation which saw crime rise again fears over brutalisation created a belief that Scotland was a more violent place than before the war By analysing criminal statistics from 1909 to 1926 drawn from previously unavailable archival sources prison registers anonymous

interviews newspapers and legal proceedings this book argues that the First World War had a socially disruptive impact on Scotland evident in abnormal crime patterns during and after the war Covering categories of offence from murder and culpable homicide to lesser felonies such as theft and fraud it discusses how contemporary notions around class gender and respectability shaped the perception of crimes committed by ex servicemen It also looks at whether the war had a disruptive influence on law and order by desensitising society and through psychological damage to a generation of men examining such commonalities as alcoholism family breakdown health problems and unemployment and the prevalence of domestic violence and spousal homicide

Blood and Granite Norman Adams,2013-02-21 Blood and Granite is a chronicle of the most notorious homicides committed in Aberdeen over the last hundred years Written by Norman Adams a journalist who reported on many of the chilling crimes he now recalls so vividly it is compelling reading for those who are too young to remember and those who cannot forget All are human tragedies from the dark side of life including The grudge that ended in death in an East End pub when butcher James Harrow brutally stabbed two workmates in 1901 The grisly discovery of a woman s arm on the Torry shore in 1945 that signalled the start of a mystery which to this day remains unsolved The tragic love affair that led to the gallows in 1963 the first hanging in Aberdeen for 106 years The double life of brilliant scientist Dr Brenda Page of Aberdeen University battered to death in her flat in 1978 Her murder remains unsolved The bar

Law, Equity and Romantic Writing Michael Demson,Regina Hewitt,2024-09-30 This provocative and timely volume examines the activity of seeking justice through literature during the age of revolutions from 1750 to 1850 a period which was marked by efforts to expand political and human rights and to rethink attitudes towards poverty and criminality While the chapters revolve around legal topics they concentrate on literary engagements with the experience of the law revealing how people perceived the fairness of a given legal order and worked with and against regulations to adjust the rule of law to the demands of conscience The volume updates analysis of this conflict between law and equity by drawing on the concept of epistemic injustice to describe the harm done to personal identity and collective flourishing by the uneven distribution of resources and the wish to punish breaches of order It shows how writing and reading can foment inquiries into the meanings of justice and equity and aid efforts to humanise the rule of law

Darwin and the Barnacle Rebecca Stott,2003 Tells the story of the part played by Darwin s eight year study of barnacles and how the examination of this tiny marine organism contributed to the development of his theory of evolution

A Companion to the History of Crime and Criminal Justice Jo Turner,Paul Taylor,Sharon Morley,Karen Corteen,2017-06-21 This companion addresses the history of crime and punishment through entries by expert contributors that select and define the central vocabulary and terminology for the study of the history of crime and punishment Organized alphabetically with useful cross references and bibliographies it goes beyond mere definitions to offer rigorous critical analysis of the terms and their use within the field both now and in the past It will be essential to students researchers and teachers in the field

Life at the Margins in Early Modern Scotland Aaron M.

Allen,2024 An exploration of the diverse lived experiences of marginality in Scottish society from the sixteen to the eighteenth century Throughout the early modern period Scottish society was constructed around an expectation of social conformity people were required to operate within a relatively narrow range of acceptable identities and behaviours Those who did not conform to this idealised standard or who were in some fundamental way different from the prescribed norm were met with suspicion Such individuals often attracted both criticism and discrimination forcing them to live confirmed to the social margins Focusing on a range of marginalised groups including the poor migrants ethnic minorities indentured workers and women the contributors to this book explore what it was like to live at the boundaries of social acceptability what mechanisms were involved in policing the divide between mainstream and marginal and what opportunities existed for personal or collective fulfilment The result is a fresh perspective on early modern Scotland one that not only recovers the stories of people long excluded from historical discussion but also offers a deeper understanding of the ordering assumptions of society more generally Specific topics addressed range from the marginalisation of people with disabilities in the domestic sphere to female sex workers and the place of executioners in society

A Tale of Two Cities: Concerning the Robbery in July, 1811 of the Paisley Union Bank at Glasgow , Auld Stirling Punishments David Kinnaird,2011-07-01 From the murder of James I and the brutal torture of his betrayers to the beheading of Radical Weavers Baird and Hardie the history of crime and punishment in Stirling s Royal Burgh has reflected the passions and prejudices of the Scottish nation Here are shocking tales of the brutal and the bloody the sad and the seditious of the thieves traitors murderers and martyrs who shaped the destiny of those who dwell upon the Castle Rock Richly illustrated and filled with victims and villains nobles executioners and torturers this book explores Stirling s criminal heritage and the many grim and ancient punishments exacted inside the region s churches workhouses and schools It is a shocking survey of our nation s penal history

Famous Last Words Chris Wood,2021-06-09 One last thing before I go True stories of doomed figures from British history and what they announced to the world as the Grim Reaper drew near Nothing focuses the mind more starkly than impending death In this book you can mount the scaffold and share in the final utterings of the condemned and join the stricken in their deathbeds as their deeply entrenched secrets are finally unshackled Famous Last Words collects a fascinating selection of destinies culminating in their often flamboyant always captivating comments just before they shuffled off this mortal coil Revealed inside are tales of sangfroid bravery astonishing ironies and overdue confessions often betraying grave miscarriages of justice Writer and poet Sir Walter Raleigh had some typically forthright and goading words for his executioner as the hesitant axeman displayed fear and reluctance to perform his stately duties The final words of convicted murderer Ernest Brown may have been a candid confession to another killing he had committed deep in the Northumberland Moors some two years previously And what of Britain s first actor to have had a knighthood bestowed upon him Discover the staggering irony that saw his final words on stage prophetically turn out to be his last in life

Haunted Stirling David

Kinnaird,2010-11-08 From heart stopping accounts of apparitions poltergeists and related supernatural phenomena to first hand encounters with phantoms and spirits this collection of stories contains both new and well known spooky tales from around Stirling A whole chapter is dedicated to the mysterious goings on at Stirling Castle where cleaners in the King s Old Building claimed to have heard footsteps coming from the third floor which hasn t existed since a fire in the nineteenth century while a 1930s photograph purports to capture the shadow of a phantom guardsman possibly the same Highland Soldier often reportedly mistaken by tourists for a castle guide The town itself has no shortage of fascinating tales including the story of the Old Town s most famous phantom seventeenth century merchant John Auld Staney Brecks Cowane whose spirit is said to inhabit his statue each Hogmanay A playful ghost supposedly throws pots and pans around the kitchens of the Darnley Coffee House while frequent power failures and mishaps in the Tolbooth Theatre originally the eighteenth century Burgh jail are blamed upon the malicious spirit of the last man hanged Alan Mair Drawing on historical and contemporary sources Haunted Stirling is guaranteed to intrigue and chill both believers and sceptics alike

Glasgow's Black Heart

Douglas Skelton,2011-03-11 Glasgow is the largest city in Scotland It is a city of culture of impressive architecture enterprise and endeavour and is one of warm hearted generous people But it also has a dark side Beneath the busy streets the Victorian sandstone and urban trendiness lies a black heart that beats in rhythm with the roar of the traffic and the echo of footsteps on concrete It is a black heart pumped by greed and lust violence and murder And it has beaten since the city first sprang up on that dear green place on the banks of the Molendinar Burn This is the epic story of Glasgow crime Beginning in 1624 when the Tolbooth was built at Glasgow Cross to house the courts and town jail author Douglas Skelton covers four centuries of Glasgow s hidden history tracing the formation of the first paid police force in Britain the Black Assizes of the circuit court and the formation of the city s own High Court of Justiciary Here you will find the pimps and pushers gangsters and gangleaders rioters and robbers who flooded the veins of the city Famous felons rub shoulders with their less notorious but equally vicious counterparts Here also are the thief takers cops lawyers and judges who tried to stem the gushing flow some with more success than others These stories may not be what the City Fathers would like to see on Glasgow s CV but they are as much a part of its traditions and its legacy as the fish the bell and the tree

John Adam

Graham Clark,2013-05-01 This is the fascinating account of the last public hanging on 16th October 1835 in Inverness the capital of the Scottish Highlands The man on the gallows was John Adam known as The Mulbuie Murderer Graham Clark uncovers who John Adam was and his motives for the murder of one of the two women with whom he was in relations his intention to dispense with the woman who was the richest a classic case of a love triangle ending in tragic circumstances There was no doubt of John Adams guilt although most of the evidence was circumstantial The author traces his early life and the traits that led to his execution The trial was riddled with ineptitude confusion and bizarre practices such as a medieval interrogation known as the ordeal and the use of the medical science of phrenology detection was in its infancy in the 19th century This is a deeply researched

account of an extraordinary murder trial and execution The book is illustrated with over 50 unique photographs and facsimiles
