

# The End Of Desire

**Pamela Eakins**

## **The End Of Desire:**

**The Fate of Desire** James S. Hans, 1990-07-05 The Fate of Desire examines the problems of living in a decentered world Assuming that the poststructuralist declaration of the end of man is an essential aspect of our current ways of thinking the book focuses on the positive values inherent in this shift In substituting multiplicity and fields of play for identity and hierarchy and in distinguishing between desire as fullness and desire as lack Hans argues for a vision of existence that is based on the difficulties Nietzsche posited as an inevitable part of fully affirming the rich but tragic nature of life These reconceptions of the human scene redefine self discipline in terms of understanding and loving one's fate Instead of providing yet one more critique of the flawed values through which the Western world has constituted itself The Fate of Desire takes up the task of weighing the things of the world anew revaluing them in terms of our present understanding of our positions in the world Hans suggests that if we are fated to be driven by desire and if we are led to accept the ways in which our desire manifests itself according to our own individual fates there is still every reason to believe that humans can find a productive way of understanding and fully occupying their place in the world The Middle Works of John Dewey, Volume 14 John Dewey, 2008 *The Logic of Desire* Peter Kalkavage, 2007 The best introduction for the general reader to Georg Wilhelm Friedrich Hegel's Phenomenology of Spirit **Emptiness and Omnipresence** Brook A. Ziporyn, 2016-05-02 This rich and rewarding work explores the connections between ancient Buddhist doctrine and contemporary philosophy Publishers Weekly Tiantai Buddhism emerged in sixth century China from an idiosyncratic and innovative interpretation of the Lotus Sutra It went on to become one of the most complete systematic and influential schools of philosophical thought developed in East Asia In Emptiness and Omnipresence Brook A Ziporyn puts Tiantai into dialogue with modern philosophical concerns to draw out its implications for ethics epistemology and metaphysics Ziporyn explains Tiantai's unlikely roots its positions of extreme affirmation and rejection its religious skepticism and embrace of religious myth and its view of human consciousness Ziporyn reveals the profound insights of Tiantai Buddhism while stimulating philosophical reflection on its unexpected effects The Foundations of Character Alexander Faulkner Shand, 1914 A scientific treatment should not diminish but increase the general interest taken in character To bring together the various aspects of the subject which in literature are treated in isolation from one another to lead up to a general conception of it to study the methods by which the knowledge of it may be increased in accuracy and extent these are to make approaches to a scientific treatment of character While I have had chiefly to confine myself to a study of the tendencies of the emotions and sentiments this has been throughout my aim This book then is a study of method Yet I do not claim that this method is essentially new It is in the main the hypothetical method of the sciences it has had to be adapted to the treatment of character that is all A complete science of mind would include a science of character The best approach to such a science is through the study of the primary emotions and their connected instincts This study is to be directed to an analysis of tendencies PsycINFO Database Record c

2005 APA all rights reserved      **A Short Study of Ethics** Charles Frederick D'Arcy,1901      The Wisdom of Aristotle Carlo Natali,2001-04-19 This is a profound study of Aristotle s concept of phronesis or practical wisdom Carlo Natali critically reconsiders Aristotle s famous doctrine of contemplations relating it to contemporary theories of the good life In Book X of the Nicomachean Ethics Aristotle appears to claim that the best possible life is that which is engaged in theoria usually translated contemplation Quite a few commentators have criticized what they call Aristotle s intellectualism suggesting that when he makes the intellectual life superior to all other human goods he opens the door to a Raskolnikov like immoralism Natali threads his way very carefully through the tangle of recent arguments on the topic and presents a persuasive resolution that preserves the primacy of the life of the mind without giving any room for justifications of amorality In Natali s discussion Aristotle s analysis of wisdom comes into focus for us today as an attractive and well argued ideal to be kept in mind when we are deciding how to live      *The Philosophy of Desire in the Buddhist Pali Canon* David Webster,2004-12-31 David Webster explores the notion of desire as found in the Buddhist Pali Canon Beginning by addressing the idea of a paradox of desire whereby we must desire to end desire the varieties of desire that are articulated in the Pali texts are examined A range of views of desire as found in Western thought are presented as well as Hindu and Jain approaches An exploration of the concept of ditthi view or opinion is also provided exploring the way in which holding views can be seen as analogous to the process of desiring Other subjects investigated include the mind body relationship the range of Pali terms for desire and desire s positive spiritual value A comparative exploration of the various approaches completes the work

**Liberation Theology after the End of History** Daniel Bell,2006-09-07 Daniel Bell assesses the impact of Christian resistance to capitalism in Latin America and the implications of theological debates that have emerged from this He uses postmodern critical theory to investigate capitalism its effect upon human desire and the Church s response to it in a thorough account of the rise failure and future prospects of Latin American liberation theology      Desire and Motivation in Indian Philosophy Christopher G. Framarin,2009-03-27 This book advances an original interpretation of the orthodox Indian theories of motivation in light of the Indian prohibition on desire and evaluates its consequences for Indian ethics and soteriology      *Perilous Passions: Ethics and Emotion in Early Modern Spain* Hilaire Kallendorf,      Containing book III., chapter VI. and last, The foundations of ethic. And book IV, The real universe Shadworth Hollway Hodgson,1898      **Tarot of the Spirit** Pamela Eakins,1992-01-01 Illustrated with the Tarot of the Spirit deck painted by Joyce Eakins Centered on the Qabbalistic Tree of Life this symbolism clearly explores the Minor Arcana as a representation of the four components of life spirit emotion intellect and body while it reveals the Major Arcana to be the keys to our emotional response patterns to the symbolic universe in which we live Includes seven monthly meditations individual readings and layouts      **The Making of a Yoga Master** Suhas Tambe,2012-07-23 When Suhas Tambe was initiated into the study and life of a yogi through his Indian spiritual master the Yoga Sutras of Patanjali an age old system of guidance were integral to his training Tambe is now a

scholar and longterm practitioner of this esoteric wisdom He is also the first Westerner to reveal the hidden sequence of these sutras which he received from his teacher From the time of Patanjali onward 300 BCE the scrambling of the sequence of sutras was a respected tradition Such deliberate confusion was done with a view to preserving the sanctity of these precious teachings Since interpretation of any sutra must bear reference to and consistency with the previous and the following sutra proper sequence becomes a critical factor fundamental to the use of this time honored scripture The key to the real sequence of Yoga S tra was handed down verbally by the guru only to the eligible disciple The Making of a Yoga Master reveals this original sequence which has been hidden for so long Far more than an instruction manual this book is also about one seeker s progression The author who began his search entrenched in materialism he was an accountant with an MBA working in IT was transformed into a devoted Yoga practitioner This path thoroughly changed his life s priorities evolved his purpose and dissolved old habits in a way that will be inspiring to many Yoga not just entered my life he writes but now it is my life The clear and sequential stages of transformation through yoga are documented here as perhaps nowhere else in contemporary literature This new sequence unfolds a practical road map for knowing and practicing the elevation of the seeker s awareness from the physical to more subtle and refined levels and designates observable milestones to determine one s progress on the path The Making of a Yoga Master marries the philosophy of Yoga with clear how to instructions

*Dynamic Sociology, Or, Applied Social Science* Lester Frank Ward, 1897

*Buddhist Thought* Paul Williams, Anthony Tribe, Alexander Wynne, 2012-03-12 This book serves as an accessible and reliable survey for students wishing to gain familiarity with the basic ideas of Buddhist philosophical and religious thought and with some of the recent research in the field It guides readers towards a richer understanding of the central concepts of classical Indian Buddhist thought from the time of Buddha to the latest scholarly perspectives and controversies Abstract and complex ideas are made understandable by the authors clear and engaging style The second edition has been fully revised in light of new scholarship in particular on Mah y na Buddhism and Tantric Buddhism an often neglected and inadequately understood topic As well as a detailed bibliography this authoritative resource now includes recommended further reading study questions a pronunciation guide and extensive glossary of terms all aimed at helping students to develop their knowledge and appreciation of Buddhist thought

**A Non-instrumentalist Approach to Collective Intentionality, Practical Reason, and the Self** Juliette Gloor, 2014 English summary Taking into account the relevant and mostly contemporary anglo american debates concerning collective intentionality the author examines what it means to share reasons and other intentional states such as thoughts and emotions The guiding question of the dissertation is in what way and to what extent morality and therefore self consciousness can be understood as conditions of possibility for the sharing of mental states especially reasons The dissertation is a contribution mainly to fields of research in practical philosophy normative ethics and moral psychology and in social philosophy collective intentionality analysis and rational choice theory German description Juliette Gloor

Monographie fragt aus hauptsächlich analytischer Perspektive und unter spezieller Berücksichtigung der einschlägigen anglo amerikanischen Debatten was es bedeutet Grunde und andere intentionale Einstellungen zu teilen Die Leitfrage der Untersuchung lautet inwiefern Moral und damit Selbstbewusstsein als Bedingungen der Möglichkeit solchen Teilens begriffen werden können Die Dissertation ist ein Beitrag zur Forschung innerhalb des Gebiets der Praktischen Philosophie insbesondere der normativen Ethik und der Sozialphilosophie speziell im Bereich der Kollektiven Intentionalität

*The Triumph of Venus* Jeanne Lorraine Schroeder, 2004-02-23 The theory of law and economics that dominates American jurisprudence today views the market as rational and individuals as driven by the desire to increase their wealth It is a view riddled with misconceptions as Jeanne Lorraine Schroeder demonstrates in this challenging work which looks at contemporary debates in legal theory through the lens of psychoanalysis and continental philosophy Through metaphors drawn from classical mythology and interpreted via Lacanian psychoanalysis and Hegelian philosophy Schroeder exposes the hidden and repressed erotics of the market Her work shows how the predominant economic analysis of markets and the standard romantic critique of markets are in fact mirror images reflecting the misconception that reason and passion are inalterably opposed

**Aquinas and the Nicomachean Ethics** Tobias Hoffmann, 2013-07-25 This book discusses Aquinas's reception of Aristotle's work exploring how Aquinas adopts corrects or transforms key themes from Aristotle's ethics

Mr. Sidgwick's Hedonism Francis Herbert Bradley, 1877
