

The End of Philosophy

The background image is a classical painting of a grand, vaulted hall. The architecture features high arches and statues in niches. In the foreground, several figures in dark, heavy robes are seen from behind, looking towards a bright, open archway at the far end of the hall. A large group of people in various classical-style clothing is gathered in the middle ground, some appearing to be in a state of commotion or discussion. The lighting is dramatic, with the far end of the hall being very bright, creating a sense of depth and focus.
