The End Of The Russian Empire:

The End of the Russian Empire, 1961 **The End of the Russian Empire** Prof. Michael T. Florinsky, 2017-07-31
THE RUSSIAN REVOLUTION FROM THE TSARS TO THE SOVIETS This economic political and social study by a distinguished Russian authority uses a wealth of contemporary evidence state documents memoirs correspondence statistics to analyze the forces which brought about the fall of the Tsars and paved the way for Bolshevism in the crucial years 1914 1917 Beginning with a survey of the state of the Russian Empire on the eve of World War I Professor Florinsky shows how the Imperial system failed to meet the challenges raised by that conflict and why the Bolsheviks were able to assume control of the national Revolution Every aspect of the collapse is scrutinized from the absolutist tradition inherited by Nicholas II to the estrangement of the intelligentsia from the peasant masses whose only aims were peace and land The principals are strikingly portrayed Tsar Nicholas Tsaritsa Alexandra Grand Duke Nicholas Nikolaevich and Rasputin as are the breakdown of the ministerial bureaucracy the impotence of the Duma and Union of Zemstvos and the colossal losses of the army This richly documented account of the Provisional Government's failure to meet the nation's Revolutionary goals and of the Bolsheviks spectacular success in formulating and giving voice to Russian aspirations is basic to an understanding of the origins of today's Soviet state **The End of the Russian Empire (Classic Reprint)** Michael T. Florinsky, 2017-11-19 Excerpt from *The End of the Russian Empire* Of them have been published since and the completion Of our task is now in sight It is impossible for me to close these introductory remarks without acknowledging the immense debt Of gratitude I owe to Professor Shotwell TO say that this volume would never have been written if it were not for his encouragement and interest in my work is no mere figure Of speech Professor Shotwell's broad vision and enthusiasm for historical research and his invaluable counsel at every stage have guided me through the long and thorny journey and his patience kindness and generosity made possible the completion Of my task NO words could adequately express how much I owe to him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The End of the Russian Empire* Michael Timotheevich Florinsky, 1971 **END OF THE RUSSIAN EMPIRE** MICHAEL T. FLORINSKY, 2018 **The End of the Russian Empire** Michael T. Florinsky, 1931 **The End of Tsarist Russia** Dominic Lieven, 2016-08-16 An Economist Best Book of the Year A Financial Times Best Book of the Year Winner of the the Pushkin House Russian Book Prize Finalist for the Lionel Gelber Prize An Amazon Best Book of the Month History One of the world's leading scholars offers a fresh interpretation of the linked origins of World War I and the Russian

Revolution Lieven has a double gift first for harvesting details to convey the essence of an era and second for finding new startling and clarifying elements in familiar stories This is history with a heartbeat and it could not be more engrossing Foreign Affairs World War I and the Russian Revolution together shaped the twentieth century in profound ways In *The End of Tsarist Russia* acclaimed scholar Dominic Lieven connects for the first time the two events providing both a history of the First World War s origins from a Russian perspective and an international history of why the revolution happened Based on exhaustive work in seven Russian archives as well as many non Russian sources Dominic Lieven s work is about far more than just Russia By placing the crisis of empire at its core Lieven links World War I to the sweep of twentieth century global history He shows how contemporary hot issues such as the struggle for Ukraine were already crucial elements in the run up to 1914 By incorporating into his book new approaches and comparisons Lieven tells the story of war and revolution in a way that is truly original and thought provoking

A Journey to the End of the Russian Empire Anton Pavlovich Chekhov, 2007

Inspired by Penguin s innovative Great Ideas series our new Great Journeys series presents the most incredible tours voyages treks expeditions and travels ever written from Isabella Bird s exaltation in the dangers of grizzlies rattlesnakes and cowboys in the Rocky Mountains to Marco Polo s mystified reports of a giant bird that eats elephants during his voyage along the coasts of India Each beautifully packaged volume offers a way to see the world anew to rediscover great civilizations and legends vast deserts and unspoiled mountain ranges unusual flora and strange new creatures and much more

Russian series. Economic and social history of the world war, 1931

The End of Empires Michael Gehler, Robert Rollinger, Philipp Strobl, 2022-11-21

The articles of this comprehensive edited volume offer a multidisciplinary global and comparative approach to the history of empires They analyze their ends over a long spectrum of humankind s history ranging from Ancient History through Modern Times As the main guiding question every author of this volume scrutinizes the reasons for the decline the erosion and the implosion of individual empires All contributions locate and highlight different factors that triggered or at least supported the ending or the implosion of empires This overall question makes all the contributions to this volume comparable and allows to detect similarities differences as well as inconsistencies of historical processes

Territorial Integrity in a Globalizing World Abdelhamid El Ouali, 2012-03-28

This book offers a comprehensive highly informative and interdisciplinary study on territorial integrity and the challenges globalization self determination and external interventions present This study aims at not only to fill an epistemological gap in this regard but also answer the question of whether International Law is adequately equipped to help states address these challenges The author argues that the biggest threat that many states are confronted with today is their disintegration rather than their obsolescence and that International Law has not often been able to prevent that eventuality In fact states when they were not destroyed by war managed to survive thanks to the flexibility of territoriality i e their ability to adjust to difficult situations as they arose It is this understanding of adaptation that urges an increasing number of states today to revive territorial autonomy and restore

an original understanding of self determination in which democracy is a pivotal factor in establishing congruence between the states and their nations While this move is endorsed by International Law it is not the case for globalization for their own sake proponents of globalization should recognize that the states are irreplaceable as long as they remain the sole providers of protection for their peoples *The Russian Peasantry 1600-1930* David Moon,2014-07-16 This impressive work set to become the standard history on the subject offers a definitive survey of peasant society in Russia from the consolidation of serfdom and tsarist autocracy in the 17th century through to the destruction of the peasant s traditional world under Stalin Over three quarters of Russian society were peasants in these years and David Moon explores all aspects of their life xxx including the rural economy peasant households village communities xxx and their political role including protest against the landowning elites In the process he presents a fresh perspective on the history of Russia itself A big book in every way xxx and compellingly readable *A Companion to Russian History* Abbott Gleason,2014-01-28 This companion comprises 28 essays by international scholars offering an analytical overview of the development of Russian history from the earliest Slavs through to the present day Includes essays by both prominent and emerging scholars from Russia Great Britain the US and Canada Analyzes the entire sweep of Russian history from debates over how to identify the earliest Slavs through the Yeltsin Era and future prospects for post Soviet Russia Offers an extensive review of the medieval period religion culture and the experiences of ordinary people Offers a balanced review of both traditional and cutting edge topics demonstrating the range and dynamism of the field **Death and Funeral Practices in Russia** Sergei Mokhov,2021-11-18 Built on original ethnographic research conducted by the author this book offers a highly detailed and comprehensive account of funerary history and practices in Russia Death and Funeral Practices in Russia provides rich data on mortality statistics trends in the funeral market in contemporary Russia the legal framework of funerary practices as well as regional and demographic disparities The first part of the book presents an in depth account of the historical development of funerary practice in Russia charting the emergence and evolution of funeral traditions and customs in the country from the Russian Empire to the collapse of the USSR Having explored the wider historical context surrounding funerary culture in Russia the second part of the book explores the key features of the funeral industry in post Soviet times highlighting critical changes and areas of continuity Topics explored include the death care industry in Russia the key features of the typical funeral in the country cemetery and crematorium provision the technicalities and legalities of burial and cremation and the illegal practices within the funeral market A truly unique offering the book is essential reading for academics policy makers and practitioners interested in the history and legal technical and professional aspects of the funerary industry in Russia *The SAGE Encyclopedia of War: Social Science Perspectives* Paul Joseph,2016-10-11 Traditional explorations of war look through the lens of history and military science focusing on big events big battles and big generals By contrast The SAGE Encyclopedia of War Social Science Perspective views war through the lens of the social sciences looking at the causes processes and effects

of war and drawing from a vast group of fields such as communication and mass media economics political science and law psychology and sociology Key features include More than 650 entries organized in an A to Z format authored and signed by key academics in the field Entries conclude with cross references and further readings aiding the researcher further in their research journeys An alternative Reader's Guide table of contents groups articles by disciplinary areas and by broad themes A helpful Resource Guide directing researchers to classic books journals and electronic resources for more in depth study This important and distinctive work will be a key reference for all researchers in the fields of political science international relations and sociology

The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917 Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union

Imperialism and Colonialism: Unmasking the Past Pasquale De Marco, 2025-07-15 This book delves into the complex and often controversial history of imperialism and colonialism examining the motivations methods and consequences of these practices that have shaped the political economic and social landscapes of nations across the globe From the Age of Exploration to the 21st century empires have risen and fallen leaving behind a tangled web of power dynamics cultural exchanges and economic dependencies We explore the factors that drove European powers to embark on a quest for colonies the impact of imperialism on indigenous populations and the struggles for independence that ultimately led to the decolonization of much of the world We also examine the legacy of imperialism and colonialism from the enduring inequalities between nations to the rise of neocolonialism and economic imperialism The book sheds light on the challenges of globalization global inequality and poverty and explores the ongoing debates about the future of imperialism and colonialism in a rapidly changing world This book is an essential read for anyone seeking a deeper understanding of the historical political and economic forces that have shaped our world It is a timely and thought provoking examination of a topic that continues to resonate in the present day Through a comprehensive analysis of historical events primary sources and scholarly perspectives this book provides readers with a nuanced understanding of imperialism and colonialism its impact on societies and its enduring legacy It is a valuable resource for students researchers and anyone interested in gaining a deeper understanding of this complex and multifaceted phenomenon If you like this book write a review

The First World War Antonello Biagini, 2015-11-25 This volume is the result of an international conference held at Sapienza University of Rome in June 2014 which brought together scholars from different countries to re analyse and re interpret the events of the First World War one hundred years after a young Bosnian Serb student from the Mlada Bosna Gavrilo Princip lit the fuse and ignited the conflict which was to forever change the world The Great War initially on a European and then on a world scale demonstrated the fragility of the international system of the European balance of powers and determined the dissolution of the great multinational empires and the need to redraw the map of Europe according to the principles of national sovereignty This book provides new insights into theories of this conflict and is characterized by internationality

interdisciplinarity and a combination of different research methods The contributions based on archival documents from various different countries international and local historiography and on the analysis of newspaper articles postcards propaganda material memorials and school books examine the role of intellectuals and artists in the conflict the issue of minorities and nationalities the economy and international relations and politics in addition to specific case studies such as Russia and the Ottoman Empire the Caucasus and the Middle East

Atlas of World History Patrick Karl O'Brien, Patrick O'Brien, 2002 Synthesizing exceptional cartography and impeccable scholarship this edition traces 12 000 years of history with 450 maps and over 200 000 words of text 200 illustrations

Power and Identity in the Post-Soviet Realm Steven Bottlik, Zsolt Berki, Marton Jobbitt, 2021-02-16 With the dissolution of the Soviet Union and the demise of the Cold War s bipolar world order Soviet successor states on the Russian periphery found themselves in a geopolitical vacuum and gradually evolved into a specific buffer zone throughout the 1990s The establishment of a new system of relations became evident in the wake of the Baltic States accession to the European Union in 2004 resulting in the fragmentation of this buffer zone In addition to the nations that are more directly connected to Zwischeneuropa i e In Between Europe historically and culturally Belarus Moldova Ukraine countries beyond the Caucasus Azerbaijan Georgia Armenia as well as the states of former Soviet Central Asia Kazakhstan Uzbekistan Kyrgyzstan Turkmenistan Tajikistan have also become characterized by particular developmental pathways Focusing on these areas of the post Soviet realm this collected volume examines how they have faced multidimensional challenges while pursuing both geopolitics and their place in the world economy From a conceptual point of view the chapters pay close attention not only to issues of ethnicity which are literally intertwined with a number of social problems in these regions but also to the various socio spatial contexts of ethnic processes Having emerged after the collapse of Soviet authority the so called post Soviet realm might serve as a crucial testing ground for such studies as the specific social and regional patterns of ethnicity are widely recognized here Accordingly the phenomena covered in the volume are rather diverse The first section reviews the fundamental elements of the formation of national identity in light of the geopolitical situation both past and present This includes an examination of the relative strength and shifting dynamics of statehood the impacts of imperial nationalism and the changes in language use from the early modern period onwards The second section examines the transformation of the identities of small nations living at the forefront of Tsarist Russian geopolitical expansion in particular in Central Asia the Caucasus and the Southern Steppe Finally in the third section the contributors discuss the fate of groups whose settlement space was divided by the external boundaries of the Soviet Union a reality that resulted in the diverging developmental trajectories of the otherwise culturally similar communities on both sides of the border In these imperial peripheries Soviet authority gave rise to specifically Soviet national identities amongst groups such as the Azeris Tajiks Karelians Moldavians and others The book also includes more than 30 primarily original maps graphs and tables and will be of great use not only for human geographers particularly political and cultural geographers and

historians but also for those interested in contemporary issues in social science

Unveiling the Energy of Verbal Beauty: An Psychological Sojourn through **The End Of The Russian Empire**

In some sort of inundated with monitors and the cacophony of immediate connection, the profound power and psychological resonance of verbal artistry usually disappear in to obscurity, eclipsed by the continuous onslaught of sound and distractions. However, set within the musical pages of **The End Of The Russian Empire**, a fascinating function of fictional brilliance that pulses with fresh thoughts, lies an remarkable trip waiting to be embarked upon. Published by way of a virtuoso wordsmith, this magical opus courses viewers on a mental odyssey, softly exposing the latent possible and profound influence stuck within the complicated internet of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is central subjects, dissect their captivating writing model, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.

The End Of The Russian Empire Introduction

In the digital age, access to information has become easier than ever before. The ability to download The End Of The Russian Empire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The End Of The Russian Empire has opened up a world of possibilities. Downloading The End Of The Russian Empire provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The End Of The Russian Empire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The End Of The Russian Empire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The End Of The Russian Empire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The End Of The Russian Empire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The End Of The Russian Empire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The End Of The Russian Empire Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The End Of The Russian Empire is one of the best book in our library for free trial. We provide copy of The End Of The Russian Empire in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The End Of The Russian Empire. Where to download The End Of The Russian Empire online for free? Are you looking for The End Of The Russian Empire PDF? This is definitely going to save you time and cash in something you should think about.
