The End Of Time Eschatology Of The New Testament:

The End of Time Joseph Rhymer, 1992 *Understanding the New Testament and the End Times, Second Edition* Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **Four Views of the End Times** Rose Publishing, Timothy Paul Jones, 2021-08-03 So what does the Bible actually say about the end times that lead to the return of Jesus Christ The differing ideas that divide believers into four major points of view are examined in the Four Views of the End Times pamphlet This bestseller tackles Pre and Post millennialism as well as Historic Premillennialism and Amillennialism in 12 panels of objective information For each view the full color pamphlet includes A definition of the position with supporting Scriptures A time line of the view s popularity A sampling of Christian leaders supporting that view The events leading up to the return of Jesus Christ are controversial and many Christians identify with one of four positions Dispensational Premillennialism Historic Premillennialism Amillennialism or Postmillennialism The Four Views of the End Times pamphlet makes the viewpoints and their biblical support easy to understand Packed with information regarding what Jesus and Paul taught about the end times the pamphlet also includes a list of important terms and their definitions such as Church Eschatology Rapture The Great Tribulation Preterism Four Views of the End Times pamphlet addresses end time eschatology outlining the four major points of view regarding events leading up to the second coming of Christ Below is the outline applied to each of the four views with a few examples What is emphasized by the view Which Scriptures seem to support the position The time period for the view s main popularity Dispensational Premillennialism Gained acceptance in the 1800s and is still widespread Historic Premillennialism The earliest view following the time of the apostles Amillennialism Emerged in the 5th century championed by St Augustine Postmillennialism Became popular in the 1800s but decreased in 1900s as a result of the Great Depression A graphic timeline showing the order of events held by that view A sampling of Christian leaders sharing the viewpoints Dispensational Premillennialism Dr Charles Stanley Rev Tim LaHaye Hal Lindsay Historic Premillennialism Justin Martyr AD 100 165 John Warwick Montgomery current Amillennialism Martin Luther John Calvin Postmillennialism Jonathan Edwards C H Spurgeon

R C Sproul A Peaceable Hope David J Neville,2013-02-15 In the New Testament texts there is significant tension between Jesus's nonviolent mission and message and the apparent violence attributed to God and God's agents at the anticipated end David Neville challenges the ready association between New Testament eschatology and retributive vengeance on christological and canonical grounds He explores the narrative sections of the New Testament the Gospels Acts and Revelation with a view to developing a peaceable as opposed to retributive understanding of New Testament eschatology Neville shows that for every narrative text in the New Testament that anticipates a vehement eschatology another promotes a largely peaceable eschatology This work furthers the growing discussion of violence and the doctrine of the atonement

The Messiah in the Old and New Testaments Stanley E. Porter,2007-04-26 When the ancients talked about messiah what did they picture Did that term refer to a stately figure who would rule to a militant who would rescue or to a variety of roles held by many While Christians have traditionally equated the word messiah with Jesus the discussion is far more complex This volume contributes significantly to that discussion Ten expert scholars here address questions surrounding the concept of messiah and clarify what it means to call Jesus messiah The book comprises two main parts first treating those writers who preceded or surrounded the New Testament two essays on the Old Testament and two on extrabiblical literature and then discussing the writers of the New Testament Concluding the volume is a critical response by Craig Evans to both sections This volume will be helpful to pastors and laypersons wanting to explore the nature and identity of the Messiah in the Old and New Testament in order to better understand Jesus as Messiah *The Routledge Handbook of African Theology*

Elias Kifon Bongmba,2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa As such it will be a hugely useful volume to any scholar interested in African religious dynamics as well as academics of Theology or Biblical Studies in an African context **Interpreting the New Testament**

Francis J. Moloney, Sherri Brown,2019-10-03 A succinct and accessible text for teaching students how to interpret the New Testament This new textbook effectively introduces students to the art and craft of biblical interpretation New Testament scholars Sherri Brown and Francis Moloney begin by orienting students to the world of the Bible exploring contemporary methods for interpreting the biblical literature and showing how the Old Testament is foundational to the formation of the

New Testament The book proceeds to lead readers through the books of the New Testament by genre The Narratives Gospels and Acts Paul and His Letters Hebrews and the Catholic Epistles Apocalyptic Literature and the Book of Revelation Unlike book by book introductory textbooks that tend to overshadow the primary biblical text with lots of detailed information Brown and Moloney's *Interpreting the New Testament* actually facilitates the study of the New Testament itself Their concluding chapter reflects on the challenge of the New Testament to our present world

A New Testament Biblical Theology G. K. Beale, 2011-12-01 Christianity Today 2013 Book Award Winner In this comprehensive exposition a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament G K Beale coeditor of the award winning *Commentary on the New Testament Use of the Old Testament* examines how the New Testament storyline relates to and develops the Old Testament storyline Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter day new creation and kingdom Offering extensive interaction between the two testaments this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ This major work will be valued by students of the New Testament and pastors alike

Preaching and Teaching Difficult Texts of the New Testament Bryan Murawski, 2025-08-05 Understand how to preach or teach all the New Testament including passages or genres that prove challenging What do preachers do when they come across a difficult passage not covered in seminary What about teachers who haven't even been to seminary This book equips all of them to understand and handle challenging passages and genres in the New Testament such as Introductions lists of names and conclusions in the epistles Well known well worn stories Short passages Texts that may not be considered inspired or that have textual issues Old Testament quotations or allusions References to noncanonical texts such as Enoch or Maccabees Enigmatic passages such as baptized on behalf of the dead 1 Cor 15 29 Potentially explosive topics such as homosexuality and gender Eschatological texts such as Jesus Olivet Discourse or the book of Revelation Preaching and teaching the Bible is difficult work but it's worth the effort As Paul wrote to Timothy all Scripture is inspired and useful for teaching even the difficult ones If we know where to look and how to dig significant treasure awaits the adventurous preacher and teacher

The Moody Handbook of Messianic

Prophecy Michael Rydelnik, Edwin Blum, 2019-10-10 What does the Old Testament say about Jesus Most of us hear an occasional messianic prophecy during advent we see Old Testament verses cited by New Testament authors and applied to Jesus but we don't really know what passages in the Old Testament can be considered messianic much less how to interpret some of the confusing ones *The Moody Handbook of Messianic Prophecy* is an authoritative and reliable guide to the Old Testament passages pointing us to Jesus A collection of essays from Old Testament scholars this work enables believers to understand the messianic nature of the Hebrew Bible like never before You'll learn about messianic prophecy and its interpretation and make new discoveries about the context and application of both familiar and strange passages Enjoy the delight of discovery as you look at familiar passages in a new light Dig into the messianic prophecy today *182 Greek Words: The Language of the New Testament Bible* Vinu V Das, Unlock the Depth of the New Testament Discover the power of original language with 182 Greek Words The Language of the New Testament Bible This indispensable resource invites you to dive deeper into Scripture by exploring the key Greek terms that shape the heart of the Gospel Whether you're a dedicated Bible scholar or a curious seeker this book is designed to enhance your understanding of God's Word offering clear translations insightful meanings and rich theological context Each carefully selected word unlocks layers of meaning that bring clarity to the teachings of Jesus the mystery of salvation and the dynamic life of the early Church By studying these words you'll gain a more intimate connection with the text uncover hidden nuances and enrich your personal devotional time Empower your Bible study and transform your spiritual journey 182 Greek Words is your guide to understanding the language that has inspired millions throughout the centuries making the New Testament more accessible engaging and alive than ever before Embrace a new perspective on Scripture and experience the transformative power of its original message

Redemptive Reversals and the Ironic Overturning of Human Wisdom Gregory K. Beale, 2019-11-05 But many who are first will be last and the last first Matthew 19:30 The Bible is full of ironic situations in which God overturns the world's wisdom by doing the opposite of what is expected people are punished by their own sin the persecution of the church is the catalyst for its growth Paul claims to have strength through weakness and more In this book biblical scholar G. K. Beale explores God's pattern of divine irony in both judgment and salvation finding its greatest expression in Jesus's triumph over death through death on a cross Unpacking this pattern throughout redemptive history Beale shows us how God often uses what is seemingly weak and foolish to underscore his own strength and power in the lives of his people today *The Gospel in a Changing World* Pasquale De Marco, 2025-08-10 The Gospel in a Changing World is a timely and important book that explores the Gospel in a changing world It is a book that will challenge you to think deeply about your faith and how you live it out in the world In this book Pasquale De Marco argues that the Gospel is not just a set of beliefs it is a way of life It is a way of living that is based on love compassion and forgiveness The Gospel is for everyone regardless of their background or beliefs It is a message of hope and transformation that has the power to change lives Pasquale De Marco writes with passion

and conviction about the importance of the Gospel in today's world. He challenges us to live our lives in accordance with the Gospel values even when it is difficult. He also challenges us to share the Gospel with others so that they too can experience its transformative power. *The Gospel in a Changing World* is a must read for anyone who is interested in the Gospel and its implications for our lives. It is a book that will challenge you, inspire you, and change the way you think about the world. In this book, you will learn the challenges and opportunities facing the Church today. How the Gospel can help us to navigate these challenges and seize these opportunities. The personal implications of the Gospel. How the Gospel can change our lives and help us to become more loving, compassionate, and forgiving people. *The Gospel in a Changing World* is a powerful message that has the power to change the world. It is a message that we need to hear today more than ever before. I pray that this book will help you to understand the Gospel better and to see how it can make a difference in your life. An Introduction to the New Testament and the Origins of Christianity Delbert Burkett, 2002-07-10.

Publisher Description *Why Salvation?* Prof. Joel B. Green, 2014-02-18. Salvation is the bedrock of our faith and the touchstone for faithful living. It is the good news of God drawing near to us as individuals but also as communities of faith. This book helps us understand that when we say Jesus saves, we stand on scripture that proclaims a God who through Jesus heals, liberates, and rescues. Like each generation that has gone before, we too must find our own awareness and then respond and participate in God's work as transformed people serving together as the Body of Christ who have also signed up for ongoing personal and social transformation. This book is an invitation to a journey of salvation oriented toward increased understanding but also to transformed commitments, renewed allegiances, and fresh practices. To address the grand narrative of Scripture in a way that takes seriously its essential focus on the journey of salvation is to open ourselves to fresh and perhaps refreshed perspectives on the world and thus on life in the world. In this book, Joel Green shows how salvation can illumine new categories for conceiving the world, for making sense of our experiences, and for directing our lives.
