## **The End Times Prophecies Of Coming Changes:**

*The End Times* John Van Auken, 2001      **The End Times** John Van Auken, 1996 This eye opening book looks at end time prophecies from the Bible the Edgar Cayce readings Nostradamus and the Holy Mother      End-Time Prophecy Made Easy William Lightner, 2018-08-24 I chose the name End Time Prophecy Made Easy because my goal in writing this book was to simplify prophecy for the average layperson Moreover since Prophecy for Dummies was already taken and copy written I had to choose something If you are a biblical scholar or theological genius this book is definitely not for you However if you are one of the millions of regular people who would just like to know more about end time prophecy this book will make things easier to understand and reduce it to the bare bones It explains what the rapture is where it is located in the Bible and who it is directed toward It explains the tribulation judgment seat of Christ wedding banquet of the Lamb and millennium in nontechnical language This book also distinguishes the differences between the nation of Israel the church and the rest of the world describing their parts in each event It takes each end time event and besides describing what each event is puts it on a timeline depicting the order of these events Interestingly to most people this book also points to the various places in the Bible where the United States is mentioned in prophecy Although the United States was not a nation at the time the Bible was written it gives a very extensive and widespread description of this country This description fits the United States to a tee It is so graphically expressive and vivid that as the description is given every other nation on the face of the earth is eliminated At the same time as the portrayal is depicted the case for it pointing to the United States grows It is obviously clear that the United States is this end time nation the Bible portrays      *Earth's Catastrophic Past and Future* William Hutton, Jonathan Eagle, 2004-08 Edgar Cayce America's best documented psychic gave upwards of 44 readings that dealt with lost continents geophysical changes to Earth beginning 1958 1998 and a pole shift due to begin about now In this book geologist William Hutton and researcher Jonathan Eagle look for correspondences between results of geophysical research studies and psychic descriptions of prehistoric catastrophes They also seek scientifically to test readings predictions of catastrophic Earth changes all the while investigating the following fascinating subjects Development and calibration of a comprehensive pole shift model The countries predicted to be most affected by a sudden 1 pole shift The geologic trend for a mineralized gold vein at Bimini Bahamas The authors discoveries of correlations between a 2002 arctic earthquake and the eruption of torrid area volcanoes the dropping of atom bombs in 1945 and a significant increase in sunspots following and the peaceable nature of Europe in 1645 1715 and the period's near total lack of sunspots Cayce readings implied or predicted all three phenomena The first ever analysis of the sources of Cayce's channeled readings including a ranking of the veracity and reliability of the most important Earth changes and pole shift readings Moralistic reasons for future catastrophic geophysical changes to Japan China and America Locations of post pole shift safety lands in Canada and America Locations of the records of the Atlantean civilization to be found when Earth changes begin How to awaken to the New Cycle presently

opening before humanity Evidence for Atlantis in the mid Atlantic ridge area and for Lemuria or Mu in the Pacific The consuming religious war in which we find ourselves and an answer to world conditions today Visions of an imminent Age ending fire as found in a Cayce reading in a channeled book by Phylos the Tibetan and in the 1960s visions of girls at Garabandal Spain Doubtful interpretations of Earth changes and pole shift readings advanced by managers and writers of Cayce s legacy organization the Association for Research and Enlightenment Inc From the Foreword by the Editor The acid test of pole shift and other Earth change predictions is their scientific credibility If true momentous societal and political changes are imminent The geopolitical map of the world will be redrawn The authors are exploring the transition from the end of one Age to the beginning of another     *The End Times, Again?* Martyn Whittock, 2021-10-15 From the Middle Eastern politics of Donald Trump to the UK s 2016 EU Referendum large numbers of Christians are making decisions based on the alleged end times aspects of modern politics Such apocalyptic views often operate beneath the radar of much Christian thought and expression In this book historian Martyn Whittock argues that while the New Testament does indeed teach the second coming of Christ complications occur when Christians seek to confidently identify contemporary events as fulfilments of prophecy Such believers are usually unaware that they stand in a long line of such well intended but failed predictions In this book Whittock explores the history of end times speculations over two thousand years revealing how these often reflect the ideologies and outlooks of contemporary society in their application of Scripture When Christians ignore such past mistakes they are in danger of repeating them Jesus Whittock argues taught a different way     **Secret Chamber Revisited** Robert Bauval, 2014-10-09 A firsthand behind the scene account of the controversies surrounding modern explorations at Giza Investigates the recent scandals at Giza and claims of secret excavations and tunneling inside the Great Pyramid Reveals the historical evidence in support of secret chambers in the Great Pyramid and beneath the Great Sphinx Exposes the secret agendas behind the latest explorations on the Giza plateau Since 1993 Robert Bauval has been embroiled in the many controversies involving the search for the lost treasures of the pyramid builders and the quest for the legendary Hall of Records of Atlantis The strange but true story that he unfolds implicates American business moguls the prestigious National Geographic Society several Ivy League universities the Edgar Cayce Foundation the Freemasons Christian fundamentalists Zionists and the Egyptian government In this fully updated edition of Secret Chamber including new color photographs Robert Bauval pursues his in depth investigation of clandestine events at Giza and the role played by the controversial ex Minister of Antiquities Dr Zahi Hawass What lies behind the mysterious doors at the end of the star shafts in the Great Pyramid What do the mysterious inscriptions found behind the Gantenbrink door mean What is the real purpose of the Relief Chambers and the red ochre graffiti in them Who is behind the secretly tunneling and excavating in these chambers and why Is there really a hidden Hall of Records from Atlantis beneath the Great Sphinx Is the Great Pyramid just a tomb or does it serve a higher purpose involving a lost science of immortality Why do the ancient texts ascribe the Pyramid s design to the

supreme god of wisdom Thoth the writer of the fabled Books of Hermes Will the Great Pyramid prove to be the missing link to our true origins or a metaphysical machine to access the world beyond Providing a firsthand account of the strange events that have taken place at the Giza plateau in the last three decades Bauval reveals the hidden agendas behind these events and raises important questions about the meaning of Egypt s ancient structures and the very origins of civilization *The Church in End-Time Prophecy* Curtis Schulze,2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church s obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through Unveiling the End Time Prophecy Emmanuel Harry Eyafe,2023-12-08 The green pass certificate which is the consequence of the present worldwide pandemic COVID 19 was introduced in most nations for accesses to public places and transports Without the GREEN PASS accesses to flights hospitals and schools are denied in some nations a kind of reality in the period of Tribulation to come after the rapture of the saints During the period of Tribulation the famously known 666 number will be introduced and enforced on the people and whoever will not comply is denied transactions HE CAUSES ALL BOTH SMALL AND GREAT RICH AND POOR FREE AND SLAVE TO RECEIVE A MARK ON THEIR RIGHT HAND OR ON THEIR FOREHEADS AND THAT NO ONE MAY BUY OR SELL EXCEPT ONE WHO HAS THE MARK OR THE NAME OF THE BEAST OR THE NUMBER OF HIS NAME HERE IS WISDOM LET HIM WHO HAS UNDERSTANDING CALCULATE THE NUMBER OF THE BEAST FOR IT IS THE NUMBER OF A MAN HIS NUMBER IS 666 REVELATION 13 16 18 The GREEN PASS certificate of the present worldwide pandemic COVID 19 is liken to the mark of the beast to be imposed in the period of Tribulation and so a believer who escapes the rapture will most likely escape Heaven in

the Tribulation period to come THIS BOOK IS TARGETED TO ENRICH INDIVIDUALS AND MINISTRIES IN THE KNOWLEDGE OF THE LATTER DAYS      *Understanding End Times Prophecy* Paul Benware,2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I m premillennial or amillennial If what the Bible says about the future puzzles you *Understanding End Times Prophecy* will help you put together the pieces and see the big picture      **The End of the World** Tom McIver,1999 This bibliography contains careful and bias free annotations of close to 3 500 works written over many centuries about the end of the world predominantly but not entirely from a Christian perspective The books pamphlets websites and selected other media cover a wide variety of eschatological beliefs from the numerous fundamentalist scenarios to the mystical and the violent and include such topics as the Tribulation the Rapture the Millennium Armageddon the Second Coming the Antichrist and the Apocalypse Works on other major religions such as Judaism Islam the mythos of popular cultures Mayan prophecies Norse Ragnarok UFO occult and psychic theories Heaven s Gate Nostradamus and secular theories Y2k computer chaos can be found The work is in four parts plus indexes Entries in the pre 1800 part are arranged chronologically beginning with the Books of Enoch in the second century BC Other entries are arranged alphabetically within the three chronological subdivisions of 1800 1910 1910 1970 and post 1970 All include full bibliographic information and annotations regarding format type of work theme the author s background the category of theories espoused distinctive or notable characteristics the intended readership and the significance of the work There are cross references to works by the same author An introduction describes major types of beliefs outlines basic Fundamentalist end of the world scenarios summarizes Biblical sources and explains important terms concepts and relationships among sources The work is extensively indexed by author title and subject      *The Gospel of Climate Skepticism* Robin Globus Veldman,2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork *The Gospel of Climate Skepticism* reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits

associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change

Newcombe, Sarah Harvey, 2016-04-15 Secular and spiritual prophets of doom abound in the information rich twenty first century as they have for millennia But there has yet to be worldwide floods meteor impact global computer failure obvious alien contact or direct intervention from God to end the world as we know it Considering the frequency with which prophecy apparently fails why do prophecies continue to be made and what social functions do they serve This volume gives a concise but comprehensive overview of the rich diversity of prophecy its role in major world religions as well as in new religions and alternative spiritualities its social dynamics and its impact on individuals lives Academic analyses are complimented with contextualized primary source testimonies of those who live and have lived within a prophetic framework The book argues that the key to understanding the more dramatic apocalyptic and millenarian aspects of prophecy is in appreciating prophecys more mundane manifestations and its role in providing meaning and motivation in everyday life *The Haunting of*

**Revelation** Jimmy Poon, 2022-08-15 What happened in 2020 is just the beginning of a series of wakeup calls God is sending to mankind regarding the impending tribulations and judgments prophesied about in the Bible which will precede Jesus Christ s return to Jerusalem he mysteries of raptures and jubilee cycles the seventy sevens in Daniel 9 have been unsealed The final seven years of this age foretold in Daniel 9 will begin in 2025 when the Antichrist will sign a seven year covenant with Israel The fourth seal in Revelation 6 predicting massive death by war violence pestilence and famine involving a quarter of the earth is beginning to open This book will open your eyes to biblical prophecies to see what has been sealed up until now Following sound hermeneutic principles Dr Poon has decoded all the symbols and metaphors used in the books of Revelation and Daniel so that the events which will happen between now and 2032 have been written in plain language for all to understand Through a Jewish perspective he explains how Old Testament prophecies are fulfilled in Revelation even digging into the original text on certain key words This is a must read for our generation **End Times to 2019** David

Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more
