

THE ENDURING CONSTITUTION: A BICENTENNIAL PERSPECTIVE

Robert F. Drinan*

THE ENDURING CONSTITUTION: A BICENTENNIAL PERSPECTIVE.
By Jethro K. Lieberman. St. Paul: West Publishing Company. 1987.
Pp. xvii, 483. \$29.95.†

In 1976, the West Publishing Company, in order to celebrate its own one hundredth birthday and the nation's bicentennial, published *Milestones: 200 Years of American Law*¹ by Jethro Lieberman. The book was a legal history of the United States based on eighteen events selected by a poll of American lawyers.

To celebrate the bicentennial of the Constitution, West Publishing Company again asked Mr. Lieberman to write a popular but solid book about the work of the fifty-five men at the Constitutional Convention in the summer of 1787 in Philadelphia. Mr. Lieberman, a graduate of Harvard Law School, and a successful journalist, as well as the author of *The Litigious Society*² (winner of the 1982 American Bar Association's Silver Gavel Award), has authored a very valuable book filled with little known historical facts about the two-hundred-year history of the U.S. Constitution. The book, entitled *The Enduring Constitution* is handsomely put together, and contains several truly

interesting facts. The book is a must for students, although there are enough references and a bibliography.

By almost any means, a reader has to conclude that Mr. Lieberman's book is a gem. In just 483, and indeed in often surprising, "bite-sized" with photos and references of the history of the Constitution are extremely interesting, and the book's content depth goes much as many major issues considered by the Supreme Court in almost two hundred years.

The backbone of Mr. Lieberman's book is its "chronology" section. The author records the up to the minute in the spirit of the Constitution and by seeking to "reconstruct a sophisticated constitution for the most

* Professor of Law, Georgetown University Law Center, B.A. 1962, M.A. 1965, J.D. 1966, LL.M. 1967, LL.D. 1978, Georgetown University Law Center, B.A. 1962, Georgetown University Law Center, LL.M. 1967, Georgetown University Law Center, LL.D. 1978.

1. The book is available in paperback, *The American Constitution: A History of the First Two Hundred Years*, by Jethro K. Lieberman, New York: Harper & Row, 1976, pp. xv, 483, \$12.95.

2. J. Lieberman, *Milestones: 200 Years of American Law* (1976).

3. J. Lieberman, *The American Constitution* (1976).

The Enduring Constitution A Bicentennial Perspective:

The Enduring Constitution Jethro Koller Lieberman,1987 Examines the vital interplay between the Constitution and the American culture **The Enduring Constitution** Jethro Koller Lieberman,1987 **Contemporary Perspectives on the Enduring Constitution** ,1991 The 17 essays included in this book are designed to provide educators and other interested readers with contemporary perspectives on a broad range of themes and topics concerning the U S Constitution The authors are a distinguished group of historians political scientists legal scholars and jurists The essays include The Achievement of the Constitution as Viewed by the Leading Federalists Thomas L Pangle The Contributions of the States to American Constitutionalism George Dargo The Drafting of the Constitution Margaret Pace Duckett The Senate the Framers Created and Its Legacy Today Richard A Baker The First Federal Congress Charlene N Bickford The Confirmation Process and the Separation of Powers Hon Patti B Saris The Article III Judiciary The Ideal and the Reality Hon Kenneth F Ripple Focal Themes and Issues for Teaching about the Federal Judiciary Kent Newmyer The Work of the Supreme Court and Sources of Information about It Jeffrey Morris The Institution of the Presidency under Article II Thomas E Cronin The Constitution and the Conduct of Foreign Affairs David G Adler Does the Constitution Matter to the Presidency Today Nancy Kassop Ratifying the Constitution The State Context John P Kaminski The Debate over Ratification in Virginia Richard R Beerman The Debate over Ratification in New York Stephen L Schechter The Constitution A Political Document with an Ambitious Legacy James A Henretta and Women and the Constitution The Equal Rights Amendment Winifred Wandersee DB

The United States Constitution Karen Faye Judson,2013-01-01 Readers learn about the history and the events that led to first Constitution of the United States and how it s been revised and amended since then *The Constitutional Convention of 1787* John R. Vile,2005-06-24 The first encyclopedic treatment of the personalities politics and events involved in drafting the U S Constitution This comprehensive treatment of all the personalities philosophies debates and compromises involved in drafting the U S Constitution is the first encyclopedic work on the subject compiling information into an easily accessible A Z format Biographies of all 55 delegates analysis of the competing political viewpoints procedural and substantive disputes along with a host of other details are all presented here Both the detail and the scholarship in this book are unmatched in any other work the encyclopedic presentation simply does not exist elsewhere Civil liberties the scope of authority of the three branches of government and other constitutional matters are increasingly at the forefront of public discussion Scholars citizens interested in self education and reference librarians faced with questions about the Constitution will find in this book all they require to answer their needs *North Carolina's Revolutionary Founders* Jeff Broadwater,Troy L. Kickler,2019-03-27 This collection of essays profiles a diverse array of North Carolinians all of whom had a hand in the founding of the state and the United States of America It includes stories of how men who stood together to fight the British soon chose opposing sides in political debates over the ratification of the supreme law of the land the Constitution It also

includes accounts of women freedmen and Native Americans whose narratives shed light on the important roles of marginalized peoples in the Revolutionary South Together the essays reveal the philosophical views and ideology of North Carolina s revolutionaries Contributors Jeff Broadwater Jennifer Davis Doyle Lloyd Johnson Benjamin R Justesen Troy L Kickler Scott King Owen James MacDonald Maggie Hartley Mitchell Karl Rodabaugh Kyle Scott Jason Stroud Michael Toomey and Willis P Whichard

The Sleeping Juror & Other Baldwin County Courtroom Tales and History Samuel Neil Crosby,2002

Documents of American Democracy Roger L. Kemp,2010-04-13 This reference work presents 27 key documents from the historic origins of the United States government through its subsequent expansion and evolution The book is divided into five sections the first of which is an introductory essay about American democracy Section II includes three documents that laid the foundation for America s government the Magna Carta the 1628 Petition of Right and England s Bill of Rights The third section presents 13 core documents such as the Mayflower Compact the Virginia Declaration of Rights the Articles of Confederation the U S Constitution and the Civil Rights Act of 1964 Section IV provides 11 documents of America s territorial expansion from the Treaty of Paris through the Louisiana Purchase Treaty and the Alaska Treaty and Hawaii Resolution The final section is an essay about the future of democracy There are 12 useful appendices

Resources in Education ,1992-10

Exceptional Leadership Gilbert W. Fairholm,2013-06-20 This book is about values and principles that have formed the backbone of the exceptionality of America These values and principles have shaped the way leadership in America has evolved and prescribed the way leaders have practiced their craft It is about what both leaders and their followers implicitly know about what a good leader is and does and about why they follow one leader and not another The book is about how leaders in all facets of society think or should think about their interrelationships with other human beings For relationships is the essence of leadership We can only lead those in some kind of association with us as Only together can we do whatever task the leader of our particular organization asks of us today and every day of our lives This is true not just at work but in the family our collective social and recreational pursuits and even when alone doing something we want to get done Because all we do ultimately will impact our attitudes and actions or those of others For that finally is what leadership is impact on another This book identifies the values and principles of leadership the founding leaders identified and used and that have marked American culture for over two centuries in all dimensions of life It defines and delimits the actions and attitudes of mind of the exceptional leaders who first articulated and then led in terms of those values as they made America The ideas about exceptional leadership discussed are taken from their own leadership example and from their thoughtful conclusions The ideas are fully American These first leaders drew up the blueprint for what America is and has become Their creation has survived countless challenges over the two hundred years of its creation to become the United States of America

ABA Journal ,1987-10-01 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Just War Reconsidered James M. Dubik, 2016-08-12 In the seminal *Just and Unjust Wars* Michael Walzer famously considered the ethics of modern warfare examining the moral issues that arise before during and after conflict However Walzer and subsequent scholars have often limited their analyses of the ethics of combat to soldiers on the ground and failed to recognize the moral responsibilities of senior political and military leaders In *Just War Reconsidered* Strategy Ethics and Theory James M Dubik draws on years of research as well as his own experiences as a soldier and teacher to fill the gaps left by other theorists He applies moral philosophy political philosophy and strategic studies to historical and contemporary case studies to reveal the inaccuracies and moral bankruptcy that inform some of the literature on military ethics Conventional just war theory adopts a binary approach wherein political leaders have moral accountability for the decision to go to war and soldiers have accountability for fighting the war ethically Dubik argues however that political and military leadership should be held accountable for the planning and execution of war in addition to the decision to initiate conflict Dubik bases his sober reassessment on the fundamental truth that war risks the lives of soldiers and innocents as well as the political and social health of communities He offers new standards to evaluate the ethics of warfare in the hope of increasing the probability that the lives of soldiers will not be used in vain and the innocent not put at risk unnecessarily *Michigan Law Review*, 1988 *Civics* 105 Roger L. Kemp, 2021-08-18 This volume contains all of the official documents that have formed America's original government over the years including how it has expanded the laws of the nation This volume has been broken down into three sections for reference purposes These include those documents approved before the U S Constitution those documents that were approved after it was adopted and a few recent significant documents that were approved in later years by the U S Congress The documents approved before the U S Constitution was adopted included the Mayflower Compact the Fundamental Order of Connecticut the first state that had an approved State Constitution the Declaration and Resolves of the First Continental Congress the Declaration of the Causes and Necessity of Taking Up Arms and the Virginia Declaration of Rights Then came the nation's Declaration of Independence the Constitution of Massachusetts the Articles of Confederation and the Constitution of the United States as well as the Bill of Rights Over the years Other Amendments to the Constitution of the United States followed including America's Civil Rights Act and the Voting Rights Act All of these documents are included in this volume as well as a chapter on the future of America's democratic form of government

Celebrating the Bicentennial of the U.S. Constitution, 1787-1987, 1988 *Seriatim* Scott Douglas Gerber, 1998-07-01 Seldom has American law seen a more towering figure than Chief Justice John Marshall Indeed Marshall is almost universally regarded as the father of the Supreme Court and the jurist who started it all Yet even while acknowledging the indelible stamp Marshall put on the Supreme Court it is possible in fact necessary to examine the pre Marshall Court and its justices to gain a true understanding of the origins of American constitutionalism The ten essays in this tightly edited volume were especially commissioned for the book each by the leading authority on his or her particular subject They examine such

influential justices as John Jay John Rutledge William Cushing James Wilson John Blair James Iredell William Paterson Samuel Chase Oliver Ellsworth and Bushrod Washington The result is a fascinating window onto the origins of the most powerful court in the world and on American constitutionalism itself **Courts and Power in Latin America and Africa** B.

Wilson, S. Gloppen, R. Gargarella, Morten Kinander, E. Skaar, 2016-04-30 Why do courts hold political power holders accountable in some democratic and democratizing countries but not in others And why do some courts remain very timid while others under seemingly similar circumstances become hyper active This is valuable contribution to the ongoing debate over the issue of democratic accountability *The Army Lawyer* ,1988 **Law Books in Print: Title index** Glanville

Publishers, Incorporated, 1997 **The Noter Up** Donald J. Dunn, 1985

Decoding **The Enduring Constitution A Bicentennial Perspective**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**The Enduring Constitution A Bicentennial Perspective**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
