Lay Leader's Handbook United States. Marine Corps,1966 **The Congregational Visitor** ,1844 Rabbinic Judaism Jacob Neusner,2002 Rabbinic Judaism in its classical writings produced from the first through the seventh century of the Common Era sets forth a theological system that is orderly and reliable This work make its contribution in seeing in the principal conceptions of Rabbinic Judaism a logos a sustained rigorous coherent argument This title is also available in paperback ISBN 0 391 04179 7 Judaism in the New Testament Bruce Chilton,Jacob Neusner,2006-04-21 Judaism in the New Testament explains how the writings of the early church emerged from communities which defined themselves in Judaic terms even as they professed faith in Christ These two extremely distinguished scholars introduce readers to the plurality of Judaisms of the period They show by examining a variety of texts how the major figures of the New Testament reflect distinctly Judaic practices and beliefs This important study shows how the early movement centred on Jesus is best seen as Christian Judaism Only with the Epistle to the Hebrews did the profile of a new and distinct Christian religion emerge

Theology of the Oral Torah Jacob Neusner,1999 The Theology of the Oral Torah demonstrates the cogency and inner rationality of the classical statement of Judaism in the Oral Torah bringing a theological assessment to bear on the whole of rabbinic literature Jacob Neusner shows how the proposition *Making God's Word Work* Jacob Neusner,2004-01-22 The central theme of Making God s Word Work is that throughout the rules and norms of the Mishnah and beneath their surface is a governing theological pattern which defines the detail relating to social conduct and brings to the fore a coherent system of analysis thought and argument The Body of Faith Jacob Neusner,1996-11-01 The first part of the book deals with Israel in the theology of Judaism Israel as a kingdom of priests and holy nation Israel as family and Israel as Christian Rome The second part examines Jesus and the absence of Israel the Israel of James the community of Q and Peter and the church ekklesia in the Synoptic Gospels Paul Hebrews and Revelation **Down by the Riverside** Charles Joyner,2022-08-15 Charles Joyner takes readers on a journey back in time up the Waccamaw River through the Lowcountry of South Carolina past abandoned rice fields once made productive by the labor of enslaved Africans past rice mills and forest clearings into the antebellum world of All Saints Parish In this community and many others like it enslaved people created a new language a new religion indeed a new culture from African traditions and American circumstances Joyner recovers an entire lost society and way of life from the letters diaries and memoirs of the plantation whites and their guests from quantitative analysis of census and probate records and above all from the folklore and oral history of the enslaved Americans His classic reconstruction of daily life in All Saints Parish is an inspiring testimony to the ingenuity and solidarity of a people This anniversary edition of Joyner s landmark study includes a new introduction in which the author recounts his process of writing the book reflects on its critical and popular reception and surveys the past three decades of scholarship on the history of enslaved people in the United States **The Posthumous works of the Reverend and pious James M'Gready**

James McGready,1831 Teaching for Results Findley B. Edge,1999-01-01 In this revised edition Findley B Edge explains that many Sunday school teachers fail to achieve better results because their teaching aims are too general and often vague The solution he says is for the teacher to focus on a single objective for each lesson and work toward that aim with singleness of purpose **Obedient Heretics** Michael D. Driedger,2017-07-05 The Reformation s legacy religious identities and the history of minority communities are all subjects of growing importance in Reformation studies and are addressed in this case study of the Netherlandic Mennonite community living in and around Hamburg after the Thirty Years War "Jewish, Gay and Proud" Wilkens, Jan,2020-11-16 This publication examines the foundation and institutional integration of the first gay lesbian synagogue Beth Chayim Chadashim which was founded in Los Angeles in 1972 As early as June 1974 the synagogue was admitted to the Union of American Hebrew Congregations the umbrella organization of the Reform congregations in the United States Previously the potential acceptance of a congregation by and for homosexual Jews triggered an intense and broad debate within Reform Judaism The work asks how it was possible to successfully establish a gay lesbian synagogue at a time when homosexual acts were considered unnatural and contrary to tradition by almost the entire Jewish community The starting point of the argumentation is in addition to general changes in American synagogues after World War II the assumption that Los Angeles was the most suitable place for this foundation Los Angeles has an impressive queer history and the Jewish community was more open tolerant and innovative here than its counterpart on the East Coast The Metropolitan Community Church was also founded in the city and as the largest religious institution for homosexual Christians it also served as the birthplace of queer synagogues Reform Judaism was chosen as the place of institutional integration of the community because a relative openness for such an endeavor was only seen here Responsa written in response to a potential admission of Beth Chayim Chadashim can be used to understand the arguments and positions of rabbis and psychologists regarding homosexuality and communities for homosexual Jews in the early 1970s Ultimately the commitment and dedication of the congregation and its heterosexual supporters convinced the decision makers in Reform Judaism The decisive impulse to question the situation of homosexual Jews in Judaism came from Los Angeles With its analysis the publication contributes to the understanding of Queer Jewish History in general and queer synagogues in particular The Epworth Hymnal No. 2 Methodist Episcopal Church,1891 *The Epworth Hymnal [no. 1] Containing Standard Hymns of the Church, Songs for the Sunday-school, Songs for Social Services ...* Methodist Episcopal Church,1885 The Epworth Hymnal ,1885 The Baptist Praise Book: for congregational singing.
