The Siren's Call Matthew S. Urdan, 2012-01-10 Throughout our lives we all come into contact with some amazing people Some of them come some of them go and some of them even stay for a while At its heart The Sirens Call is the story of the love between friends what we do to sustain our friendships and sadly what we do to destroy them Hopefully in that process somewhere lies a bit of redemption Steven Perry and Kenneth Pierson are best friends and trusted partners in the successful Detroit law firm they co founded They are handsome young bright and at the top of their game with the world at their feet that is until Steve's fiancée is killed by a drunk driver Consumed by grief Steve can't sleep So in the middle of the night Steve impulsively drives to Kip's northern Lake Michigan retreat in an attempt to escape and begins to hear voices in his head Concerned for his friend's sanity Kip convinces Steve to join him in Hawaii for a much needed extended vacation spring break style Fun in the sun hilarious hijinks surfing lessons remembered dreams and unexpected meetings with friends from home all ensue But while Steve struggles to deal with his own grief and potentially gestating madness he begins to suspect that Kip is wrestling with his own demons that Kip refuses to reveal stressing their relationship to the breaking point But as Kip's best friend Steve cannot imagine neither the depth of Kip's deception nor the terrible secret he is hiding Filled with raw emotional power and vivid images of the surrounding landscapes The Sirens Call is an unforgettable story of two friends trying to cope with profound grief the best way they know how and make sense out of a senseless personal tragedy The sirens are calling Read this book
