Ashes and Bones Dana Cameron, 2009-10-13 Just when everything is going beautifully for archaeologist Emma Fielding a position at a respected university a beautiful home in New England

and the warm love of a devoted husband her world starts to crumble What begins as a series of seemingly innocent gestures the anonymous delivery of gifts and flowers to Emma s family and friends soon progresses to secret sadistic acts designed to destroy her reputation her character and her career Someone has instituted a brilliantly insidious campaign of personal terror against Emma Fielding and she is certain she knows who it is a cunning and dangerous enemy whom everyone but she believes is dead But with no proof no clues and no allies Emma will have to fight alone in the dark to rescue a life being rapidly reduced to ashes if she can survive long enough to do so Grave Consequences Dana Cameron, 2009-10-13 An American archaeologist digs up murder and intrigue at a twelfth century English abbey in this mystery by the Agatha Award winning author of Site Unseen Archaeologist Emma Fielding is beginning to doubt the wisdom of spending her summer vacation in England helping friends excavate a 12th century abbey especially after they uncover an all too modern skeleton in the nearby medieval graveyard But it s the second discovery of a murdered graduate student recently missing from the dig that suggests to Emma that Marchester isn t exactly the quiet riverside town it appears to be And when a member of the town s neopagan community shows up claiming that the site is a sacred spot for Wiccans Emma knows that conflicting interests and intentions may have driven someone to murder There are dark passions and lethal secrets buried here heinous crimes that shake the conflicted community to its core and it s up to Emma an outsider far from home to delve into a past that too many people including her friends would do anything to hide Praise for Site Unseen now a Hallmark feature film A rip snorting good mystery Aaron Elkins This is one terrific read which will keep you turning the pages Rendezvous Magazine
