common style Where many argue nineteenth century women s humor constitutes a genre unto itself Camfield finds that like women men filtered reaction to the constraints and opportunities of home life through genial comedy and that women like their male counterparts wrote humor marked by extravagance expansion caricature fantasy and posturing Broadening out to an intriguing consideration of humor theory in part III Camfield draws on recent work in psychology culture studies neo pragmatist philosophy and neuroscience to model a compelling alternative view of humor capable of negotiating both the complexities of nineteenth century American humor and the comic art of periods before and since Students and scholars of humor nineteenth century American literature and culture and women s writing will find Necessary Madness to be a provocative essential achievement
