Algar Thorold,2015-07-02 Excerpt from Six Masters in Disillusion In order that the reader may be as little disappointed as possible with these studies I must explain that they are not concerned with strictly contemporary disillusion The period which they are intended in a very partial and tentative way to illustrate is behind us and its forces are in great measure already spent Contemporary disillusion of which among the writers here noticed Anatole France alone could fairly be considered an example is a different matter Our fathers were rationalists and were naive enough to think that Theology stood or fell by its claims to rationality They thought that the cosmology and psychology of Christianity the propositions which it enunciated about the nature of man and the world he finds himself in were intended to be taken as facts About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Six Masters in Disillusion.** (Fontenelle, Prosper Mérimée, Ferdinand Fabre, Joris-Karl Huysmans, Maeterlinck, Anatole France.).
