Everyone to Skis! William D. Frank,2013-10-31 Nowhere in the world was the sport of biathlon a combination of cross country skiing and rifle marksmanship taken more seriously than in the Soviet Union and no other nation garnered greater success at international venues From the introduction of modern biathlon in 1958 to the USSR s demise in 1991 athletes representing the Soviet Union won almost half of all possible medals awarded in world championship and Olympic competition Yet more than sheer technical skill created Soviet superiority in biathlon The sport embodied the Soviet Union s

culture educational system and historical experience and provided the perfect ideological platform to promote the state's socialist viewpoint and military might imbuing the sport with a Cold War sensibility that transcended the government's primary quest for post war success at the Olympics William D Frank's book is the first comprehensive analysis of how the Soviet government interpreted the sport of skiing as a cultural ideological political and social tool throughout the course of seven decades In the beginning the Soviet Union owned biathlon and so the stories of both the state and the event are inseparable Through the author's unique perspective on biathlon as a former nationally ranked competitor and current professor of Soviet history Everyone to Skis will appeal to students and scholars of Russian and Soviet history as well as to general readers with an interest in skiing and the development of twentieth century sport Everyone's Trash Duncan Watson,2024-11-15 Each day every single person in the United States all 324 million discards about five pounds of waste Be it a bottle that gets placed in a recycling bin or a piece of paper crumpled and tossed into the waste bin every bit of the daily 1 6 billion pounds cast off has a story This book is full of those stories It will wake you up and give you hope As the author Duncan Watson says More people in America recycle than vote Recycling is more popular than Democracy Watson has been running the City of Keene's solid waste program for 33 years He has brought nation attention to the program for solid waste disposal that Keene NH has built He spins a good yarn and the rich characters who populate the dump in Keene New Hampshire provide endless entertainment and a lot of laughs He is also a yoga teacher dog lover and he visits Comic Cons all over the country as he was a voice actor of Charlie Brown in three movies in his youth Be My Valentine Charlie Brown You're a Good Sport Charlie Brown and Race for Your Life Charlie Brown By turns hilarious and heartwarming distressing and hopeful Everyone's Trash is about way more than recycling and trash It's a poignant X-ray of a small city's soul and a testament to the power of connection compassion and community Sy Montgomery NYT Bestselling author Soul of the Octopus Of Time and Turtles Duncan Watson turned his passion for recycling trash into creating a nationally recognized facility in southwestern New Hampshire Now he tells his story filled with unforgettable characters self deprecating humor and a larger message for today Like one of those unexpected discoveries many of us have picked up on a visit to our own recycling center Everyone's Trash is a treasure Dayton Duncan author The National Parks America's Best Idea From his first Recycling Center job in California to his Municipal Recycling Facility MRF Murph in New Hampshire Duncan shares the humanity of his life well lived and the intertwined storylines that come alive in every chapter His skill as a recycling and waste professional is only surpassed by his ability to share heartfelt stories of humanity with his readers It is the rare author who can be this honest in his narration and every reader will be the richer for the experiences he recounts Mike Durfor Executive Director Ret Northeast Resource Recovery Association **Skiing Heritage Journal** ,2001-06 Skiing Heritage is a quarterly Journal of original entertaining and informative feature articles on skiing history Published by the International Skiing History Association its contents support ISHA's mission to preserve skiing history and to increase awareness of the
