

MGMT 499: Cases in Strategic Management

Individual Case Report

Case: Costco Wholesale in 2020

This assignment is an **individual** assignment, worth **150 out of the 1000 points** for the semester.

You must follow the following guidelines in writing this case study.

- **Read the required topics carefully. Don't assume they are exactly the same as the topics in the group project.**
- The time period is the one covered by the case as reported in the textbook. No outside research is allowed.
- Make use of concepts and theories from the text and class discussions. You need not cite the text directly nor should you explain/develop the concepts or theories. Please assume that I have knowledge and understanding of management theories. Simply make the logical connections between the concept or theory and the case issue to which it applies.
- Use the perspective of a consulting team (**NO first person**). Pretend that your audience is the CEO or Board of Directors. Thus, your audience is familiar with all the facts of the case; do not waste time restating case data. Your objective is to analyze, interpret, draw conclusions, and make recommendations and projections that are unique and must be explained and justified.
- The case analysis report must be **typed, Times New Roman, 12-point, 1-inch margins all around, double-spaced, at least 10-page in length (EXCLUDING cover page, abstract, exhibits, tables, references or appendices), and follow APA (7th edition) format** (APA is the College of Management standard, so you should be familiar with it. More information about APA format can be found at: <https://libguides.metrostate.edu/APA>). **There should be NO extra, unnecessary, or redundant space between paragraphs.** The case analysis report should be **submitted only as Microsoft Word file format (.doc).**
- Your report should be well organized, succinct, and well written. The report should read as a unified piece of work and flow smoothly. The case should not read as multiple individual pieces merged into the same file.
- **In your report, please clearly indicate each topic you are addressing.**
- Number pages consecutively from the beginning of the document to the end.
- **The Turnitin Similarity grade of your submission must be less than 20%.**
- **PROOFREAD! In addition to content, grammar, spelling, and style are important! I will take off points for not following these guidelines and for submitting a sloppy report.**
