Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier:

Strategy and Politics in the Middle East, 1954-1960 Michael Cohen, 2004-10-21 Cohen reveals the extent to which the UK clung on to great power pretensions in the Middle East 1954-60 and used bluff to give the impression that it disposed of greater military resources than was the case

Strategy and Politics in the Middle East, 1954-1960 Michael Joseph Cohen, 2005 The period covered by this book 1954-60 witnessed a significant change in Allied strategy for the Middle East Its focus switched from Egypt to the states of the so called northern tier of the Middle East Turkey Iraq Iran and Pakistan Allied planning focused now on holding up a future Soviet offensive against the Middle East at the strategic passes that cut through the Zagros mountains across the Iraqi Iranian border This was to be done with the indigenous ground forces of the northern tier states complemented by Allied strategic and tactical nuclear bombing In 1955 the Baghdad Pact became the political expression of the new strategy The economic and strategic interests of the West in the Middle East provide the context for the tumultuous events of this period the Anglo Egyptian Agreement of 1954 for the evacuation of Egypt the formation of the Baghdad Pact in 1955 the Suez Crisis which together with the escalating Arab Israeli conflict erupted into open war in November 1956 and finally the crises that rocked the Middle East in July 1958 the fall of the Hashemite dynasty and the ancien regime in Iraq and the British and American military intervention in Jordan

Strategy and Politics in the Middle East, 1954-1960 Michael J. Cohen, 2004-10-21 The period covered by this book witnessed a significant change in Allied strategy for the Middle East Its focus switched from Egypt to the states of the so called northern tier of the Middle East Turkey Iraq Iran and Pakistan This book reveals the extent to which the UK clung on to great power pretensions and used bluff even deception in order to give the impression that it disposed of greater military resources than was in fact the case It describes not only Anglo American tensions in the Middle East but also the Americans reluctance to take over Britain's former hegemony in the region Finally it reveals the extent to which the Allies relationship with Israel was a constant restraint upon their freedom of action in the area and their ability to forge military alliances with Arab states

Anglo-American Defense Projects in the Postwar Middle East Behçet Kemal Yesilbursa, 2023-05-08 This book examines Anglo American defense policies in the Middle East between 1945 and 1955 and the attempts of these two Western powers to contain the Soviet expansion towards the region It does not attempt to offer a comprehensive history of British and American policies in the Middle East Instead it examines those policies with a particular focus on the problems of Middle East defense It also seeks to determine the aims behind the proposals of Middle East Command Middle East Defense Organization Northern Tier Defence Concept and Baghdad Pact their failings and the struggle that was undertaken against them by hostile countries such as Egypt India and the Soviet Union It examines the events surrounding their formation development and collapse Furthermore it examines the policies of the regional countries namely Turkey Pakistan Iran and Iraq Thus it poses the questions of how the participating countries perceived the question of Middle East defense what their

basic aims were and what problems they faced while trying to achieve these aims and implementing their chosen solutions

Routledge Handbook of Middle East Politics Larbi Sadiki, 2020-03-31 Drawing on various perspectives and analysis the Handbook problematizes Middle East politics through an interdisciplinary prism seeking a melioristic account of the field Thematically organized the chapters address political social and historical questions by showcasing both theoretical and empirical insights all of which are represented in a style that ease readers into sophisticated induction in the Middle East It positions the didactic at the centre of inquiry Contributions by forty four scholars both veterans and newcomers rethink knowledge frames conceptual categories and fieldwork praxis Substantive themes include secularism and religion gender democracy authoritarianism and new borderline politics of the Middle East Like any field of knowledge the Middle East is constituted by texts authors and readers but also by the cultural spatial and temporal contexts within which diverse intellectual inflections help construct write speak academic meaning knowing and practice By denaturalizing notions of singularity of authorship or scholarship the Handbook plants a dialogic interplay animated by multi vocality multi modality and multi disciplinarity Targeting graduate students and young scholars of political and social sciences the Handbook is significant for understanding how the Middle East is written and re written read and re read epistemology methodology and for how it comes to exist ontology

Ending Empire in the Middle East Simon C. Smith, 2013-03-01 This book is a major and wide ranging re assessment of Anglo American relations in the Middle Eastern context It analyses the process of ending of empire in the Middle East from 1945 to the Yom Kippur War of 1973 Based on original research into both British and American archival sources it covers all the key events of the period including the withdrawal from Palestine the Anglo American coup against the Musaddiq regime in Iran the Suez Crisis and its aftermath the Iraqi and Yemeni revolutions and the Arab Israeli conflicts It demonstrates that far from experiencing a loss of nerve or tamely acquiescing in a transfer of power to the United States British decision makers robustly defended their regional interests well into the 1960s and even beyond It also argues that concept of the special relationship impeded the smooth running of Anglo American relations in the region by obscuring differences stymieing clear communication and practising self deception on policy makers on both sides of the Atlantic who assumed a contiguity which all too often failed to exist With the Middle East at the top of the contemporary international policy agenda and recent Anglo American interventions fuelling interest in empire this is a timely book of importance to all those interested in the contemporary development of the region

The Southern Flank of NATO, 1951-1959 Dionysios Chourchoulis, 2014-12-18 In 1951 52 the North Atlantic Treaty Organization established the Southern Flank a strategy for the defense of the eastern Mediterranean in the Cold War involving Italy Greece and Turkey Among its many aims the Southern Flank sought to mobilize these countries as allies and integrate them into the Western defense system Throughout the 1950s the alliance developed the Southern Flank and in 1959 it was finally stabilized as fractious Greek Turkish relations were improved by the temporary settlement over Cyprus The Southern Flank of NATO 1951

1959 Military Strategy or Political Stabilization examines among other things the initial negotiations of 1951-52 the Southern Flank's structure and function and relative value in NATO's overall policy and the alliance's response to the challenges in the eastern Mediterranean in the early Cold War. It explores not only the military aspects of the Southern Flank but also the more controversial political aspects: the admission of Greece and Turkey to NATO, the short-lived military cooperation between these states and Yugoslavia during 1953-55 and the effects of the deterioration in Greek-Turkish relations from 1955 due to Cyprus. It also focuses on the part played by other major members of the alliance principally the United States and Britain in Southern Flank politics and strategy. Thus it considers how the United States and the U.K. viewed the power balance between the three Southern Flank members and how the Americans sought to influence affairs through financial, military and technical assistance including the construction of U.S. bases in Italy, Greece and Turkey. The book also assesses the threat posed to the Southern Flank at various points by rising tensions in the Middle East. More generally the book illuminates the complexities of intra-alliance dynamics in a region full of Cold War tensions. However, in its Middle Eastern/Mediterranean neighborhood it was not only the Cold War that provided tensions since the Arab-Israeli dispute and the tensions of decolonization further complicated the picture. Thus the study of the Southern Flank is a test case of a Cold War theater which was subjected to additional historical pressures creating a nexus of problems which the Western Alliance needed to address within its effort to respond to the various challenges of the Cold War.

The Oxford Handbook of Late Colonial Insurgencies and Counter-Insurgencies Martin Thomas, Gareth Curless, 2023. Beginning with Britain's 1948 declaration of a Malayan Emergency and ending with the 1973 withdrawal of US ground troops from Vietnam, this Handbook connects ideas about contested decolonization and the insurgencies that inspired it with an analysis of patterns and singularities in the conflicts that precipitated the collapse of overseas empires.

Decline of the Anglo-American Middle East, 1961-1969, 2014-12-01. Discusses Anglo-American policy in the Middle East under Kennedy and Johnson as well as under British Conservative and Labour governments. This title provides a historical background on the Anglo-American Middle East for the 1950s. It analyses Western policy toward Egyptian President Gamal Abdul Nasser and toward the Arabian Peninsula.

Understanding the Cold War Elspeth O'Riordan, 2022-09-29. This book provides an advanced introduction to the Cold War, assessing its origins, development and conclusion as a dynamic interaction between superpower confrontation and complex regional and local situations. The evolution of the subject's scholarly debate is discussed throughout and the contest situated alongside enduring historical themes including decolonisation, development, nationalism and globalisation. Regional case studies on Europe, East and Southeast Asia, Latin America and the Middle East illuminate the Cold War's global reach. Thematic analysis considers competition in military, strategic and economic spheres as well as in aspects of culture, ideology, society and Human Rights. The Cold War's transnational elements and facets of international cooperation are also highlighted. The book unpacks the subject's extensive scholarly discourse, underlining the interdisciplinary character of today's Cold War.

historiography and the importance of understanding that its development has been informed by a vibrant interface between international history international relations and the Cold War itself

Thank you certainly much for downloading **Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier**. Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier Introduction

In today's digital age, the availability of Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared

to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier books and manuals for download and embark on your journey of knowledge?

FAQs About Strategy And Politics In The Middle East 1954 1960 Defending The Northern Tier Books
