

Strategy: Positive

- Lean towards the positive in your essay.
- The essays are phrased in such a way so that the essays will not be negative- they never ask you bash a branch, or say bad stuff about public officials, or rip into the American public. So don't do that.
- Be positive, avoid being cynical, and rise above tendencies to say bad stuff. Those comments will rarely earn you points, so don't waste time and effort writing them in this context.
