Straw Dogs Blue Murder Series:

Straw Dogs Bolaji Olatunde, 2011-04-19 Olatunde's lively imagination and wicked sense of humour maintain suspense and keep the plotline from tiring in this international supernatural semi farcical thriller. Kirkus Reviews Shola Dina, son of a wealthy Nigerian socialite, is forced to flee from Nigeria to New York after the Abacha regime assassinates his father and threatens his life. As a migrant in New York, he struggles to make ends meet. In May 1998, while employed as a waiter at an upscale restaurant, he has a chance encounter with Carol Moore, a notable Hollywood director who casts him as a lead in her new movie. Things take an unexpected turn when Moore is murdered in her apartment midway into the movie production after she stumbles upon a telltale video recording of a covert plot to break into the White House to harm President Bill Clinton. Shola is implicated in her murder. The break-in is sponsored by the Rose Flower Committee, a secret Chinese hard-line communist organization which was founded during China's Cultural Revolution by Madame Mao and a young Chinese army officer Tung Yuk Kai, who had become a major general by 1998. Two weeks before China Summit II in June 1998, a Chinese secret agent contracted to execute the break-in accidentally plunges to his death from the presidential bedroom of the White House. The Committee feeds American intelligence evidence linking China's President Jiang Zemin with the botched break-in. Intensive investigations are quietly launched separately by the American and Chinese governments. Desperate to cover its tracks, the Rose Flower Committee attempts its most daring mission: a poison gas attack on a state dinner held in honour of Clinton in Beijing, a dinner scheduled to have China's top leaders in attendance. *Straw Dogs* is an account of the events surrounding the break-in and the bomb plot. The novel has a cast of celebrities, disgruntled angels, secret service agents, and members of the American Autosexual Society (AAS), an organisation which defends the rights of autosexuals. Autosexual is a term which refers to an individual whose sexual preference is masturbation. The interactions of these odd characters result in a tale that is comic action-packed and full of suspense.

Hammer Complete Howard Maxford, 2018-12-17 A Booklist Starred Review. A Booklist Top 10 Reference Book. This tome contains everything anyone would want to know about the British company.
