Straw Things:

Funny Things Can Happen on Your Way through the Bible, Volume 2 Charles D. Barrett, 2013-06-04 In these meditations upon Scripture the author quickly lightly opens up the sacred text to us in a way that to my knowledge has never been attempted in the entire history of the Christian faith Through irony pun parody spoof and joke he reads Scripture with tongue in cheek a rhyme in his pen and a smile on his face If you ever wondered what the Bible would sound like if it were written by Ogden Nash and who hasn't here it is Charlie Barrett's religious rhymes William H Willimon acclaimed author and Dean of the Chapel emeritus Duke University **All Things Aside** Iliza Shlesinger, 2022-10-11 From the razor sharp mind of award winning comedian Iliza Shlesinger a collection of hilarious and insightful essays about the exasperating issues of everyday life Foreword by Margaret Cho Vibrant and entertaining relatable and poignant and above all it's funny Los Angeles Times Iliza is exceptionally funny If this book doesn't make you laugh it means you can't read In which case disregard Jimmy Kimmel A book for everyone wrestling with what it means to show up for ourselves and the world today I love Iliza and I love her advice New York Times bestselling author Rebecca Serle All Things Aside is a punchy honest incisive book that shares a view of the world through the eyes of the inimitable Iliza Shlesinger From the macro to micro Shlesinger tackles it all with her no bullshit comedic style Throughout the book Shlesinger dives from one subject into the next making her hilarious asides the meat of her stories much like she does in her stand up comedy Topics range from dissecting social expectations to the notion that products marketed specifically to women are scams and all manner of things in between She even dares to ask herself the all important question that every woman is forced to consider at some point Am I actually an annoying person Shlesinger also shares intimate moments including a devastating miscarriage which she manages to navigate not only with grace but somehow with side splitting humor All Things Aside offers unexpected insights much needed truths and tons and tons of laughs Funny Things Can Happen on Your Way through the Bible, Volume 1 Charles D. Barrett, 2010-04-01 Proceeding from Voltaire's conclusion that God is a comedian playing to an audience that's afraid to laugh this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor wit and laughter Readers are invited to take a strikingly unusual if not unique approach to the texts imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories The Cleaning Encyclopedia Don Aslett, 2009-10-14 The ultimate guide to the art of cleaning this reference is packed with professional secrets for getting maximum results through minimum results through minimum effort Discover how to save time money and elbow grease on every cleaning problem as well as how to prevent housework with surprising tricks of the trade From aluminum siding to zoom lenses this alphabetical index covers every job big and small *Serious Little Catholics* Kathy Gereau, 2025-07-30 Serious Little Catholics follows Kathy Gereau the oldest of seven children as she grows up in the mid 50s and 60s and makes her way through Catholic school alongside

her siblings Initially she buys into the mysteries of faith and the litany of rules being spouted by the Sisters of Mercy But when her fourth grade teacher tells the class that Kathy s sweet little Protestant grandmother would never be admitted into heaven she begins to question the rigid dogma of the church Later she discovers that not all boys are as goofy as her brothers and struggles with the notion that it is a woman s responsibility to discourage men from the plague of impure thoughts Even an innocent flirtation can sinfully lead men into a temptation they are not capable of resisting it doesn t seem fair Ultimately with the help of her classmates and a few understanding teachers she learns to laugh at the ridiculous bits of her religion and discovers the spiritual message within
