Strengthsbased Case Management For Older Adults

Charles A. Rapp, Richard J. Goscha

Strengthsbased Case Management For Older Adults:

Strengths-based Care Management for Older Adults Becky Fast,2000 This ready to use curriculum trains both new and experienced case managers to focus attention on older clients remaining strengths instead of losses Teaching modules cover all skills needed to establish a successful helping relationship use effective strategies and develop goal plans Includes reproducible handouts and exercises

Strengths-Based Therapy Elsie Jones-Smith,2013-01-09 Combining both the theory and practice of strengths based therapy Elsie Jones Smith introduces current and future practitioners to the modern approach of practice presenting a model for treatment as well as demonstrations in clinical practice across a variety of settings This highly effective form of therapy supports the idea that clients know best about what has worked and has not worked in their lives helps them discover positive and effective solutions through their own experiences and allows therapists to engage their clients in their own therapy Drawing from cutting edge research in neuroscience positive emotions empowerment and change Strengths Based Therapy helps readers understand how to get their clients engaged as active participants in treatment

The Strengths Model: Case Management with People with Psychiatric Disabilities Charles A. Rapp,Richard J. Goscha,2006-02-10 Much has occurred since the publication of the first edition of this classic textbook Recovery from psychiatric disabilities has become the new vision for mental health services It has placed a new eminence on consumer resiliency choice self determination shared decision making and empowerment Implementing evidence based services has become a major focus of service system reform internationally The Strengths Model Second Edition firmly grounds the strengths model of case management within the recovery paradigm and details evidence based guidelines for practice In clear language the authors describe the conceptual underpinnings theory empirical support principles and practice methods that comprise the strengths model of case management A chapter on the organizational structure and management methods necessary for successful implementation of the model make this a valuable tool for trainers supervisors and quality assurance personnel This thoroughly updated edition reflects the dynamic nature of the strengths model Practice methods have been added and refined and more detailed descriptions provided Practice tools have been improved and new ones like the Strengths Model Fidelity Instrument added New case vignettes have been added to give the reader a vivid picture of the methods in actual practice A user friendly guide for students and professionals The Strengths Model remains the only book available that systematically translates the ideas and conceptions about the strengths model into a set of empirically derived practices for people with psychiatric disabilities

[The Oxford Handbook of Social Work in Health and Aging](#) Daniel B. Kaplan,Barbara Berkman,2016 This Second Edition of the Handbook addresses the evolving interdisciplinary health care context and the broader social work practice environment as well as advances in the knowledge base which guides social work service delivery in health and aging This includes recent enhancements in the theories of gerontology innovations in clinical interventions and major developments in the social policies that structure and finance

health care and senior services In addition the policy reforms of the 2010 Patient Protection and Affordable Care Act set in motion a host of changes in the United States healthcare system with potentially profound implications for the programs and services which provide care to older adults and their families In this volume the most experienced and prominent gerontological health care scholars address a variety of populations that social workers serve and the arenas in which they practice followed by detailed recommendations of best practices for an array of physical and mental health conditions The volume s unprecedented attention to diversity health care trends and implications for practice research policy make the publication a major event in the field of gerontological social work This is a Must Read for all social work social work educators practitioners and students interested in older adults and their families Policy and Program Planning for Older Adults and People with Disabilities, Second Edition Elaine Jurkowski, 2019-01-14 The second edition of this landmark textbook is distinguished by its pioneering approach to encompassing disability and aging policies under one umbrella in response to the newly developed Administration on Aging and Disability It addresses policy changes impacting health and disability services resulting from the Affordable Care Act ACA and other new legislation and offers a pioneering approach to transforming policy into practice applications New to the second edition is current census data and new legislative mandates from the ACA and other policy organizations impacting aging adults and or disabled populations Also included is new coverage on Social Media Motivational Interviewing Health Literacy Underrepresented Groups LGBT and Rural Communities Podcasts available as downloads present the messages of advocates lobbyists policy experts and consumers who address various aspects of relevant policies and policy development Unlike other texts the book focuses on triangulating skills policies and programs for graduate students in social work public health gerontology and rehabilitation It aims thus to enhance understanding of policy development through a critical analysis and review of policy framework and promotes development of skills in shaping programs and implementing policy The text lays out tools that facilitate policy and program development to include the media coalition building the use of an evidence base and how each mandated policy addresses these programs and services Chapters include learning objectives case studies review discussion questions and resources for additional information An Instructors Manual Test Bank and PowerPoint slides facilitate the teaching process New to the Second Edition Addresses both disability and aging policies Includes updated census data Presents new legislation and mandates for the ACA Veterans and the Military Caregivers Caregiver Support Act Alzheimer Support Health Lifestyles Aging and Disability Resource Centers Elder Justice Act and Substance Use and Misuse Provides new coverage on Social Media Motivational Interviewing Health Literacy Minorities Incarcerated Individuals Immigrants Refugees LGBT and Rural Communities Offers podcasts of interviews with key consumers and policy experts Key Features Lays out tools that facilitate policy and program development Examines major service areas for older adults Addresses philosophical historical and demographic challenges Enhances understanding of policy development through critical analysis Includes learning objectives

case studies review questions and instructor package **Delivering Home-based Services** Susan F. Allen, Elizabeth M. Tracy, 2009 Service providers are increasingly called upon to serve clients at home a setting even a seasoned professional can find difficult to negotiate From monitoring the health of older populations to managing paroled offenders preventing child abuse and reunifying families home based services require models that ensure positive outcomes and address the ethical dilemmas that might arise in such sensitive contexts The contributors to this volume are national experts in diverse fields of social work practice policy and research Treating the home as an ecological setting that guides human development and family interaction they present rationales for and overviews of evidence based models across an array of populations and fields of practice Part 1 provides historical background and contemporary applications for home based services highlighting ethical administrative and supervision issues and summarizing the social policies that shape service delivery Part 2 addresses home based practice in such fields as child and adult mental health school social work and hospice care detailing the particular population being treated the policy and agency context theories and empirical data and practice guidelines Part 3 the editors present a unifying framework and suggest future directions for home based social work Gerontological Social Work Practice Enid Opal Cox, Rosemary Chapin, Elizabeth Kelchner, 2014-02-25 What are the challenges facing gerontological social workers today and in the near future This book gives you an essential overview of the role status and potential of gerontological social work in aging societies around the world Drawing on the expertise of leaders in the field it identifies key policy and practice issues and suggests directions for the future Here you ll find important perspectives on home health care mental health elder abuse older workers issues and death and dying as well as an examination of the policy and practice issues of utmost concern to social workers dealing with the elderly With Gerontological Social Work Practice Issues Challenges and Potential you ll explore the differences between real situations and what demographics lead one to expect the need for social workers to focus on economic political and social issues in order to promote positive change the long term care insurance issues facing elderly Japanese citizens a Canadian perspective on social work practice with aging people practice techniques to use with aging African Americans strengths based and empowerment oriented ways to work with frail elderly the impact of multiculturalism on social policy and much more Social Work Practice with the Elderly Marvin David Feit, Michael J. Holosko, 2004 The third edition describes significant practice issues and challenges facing gerontological social workers working with the fastest growing demographic cohort in North America Insightful and creative practitioners provide current accounts and case examples from their work in a variety of settings The material includes both micro and macro practice and offers a focus on advanced specialty practice while also providing an advanced generalist model All the chapters have been rewritten and updated by adding related additional readings and websites Six new chapters have been added on sensory impairment HIV AIDS elder abuse community assisted living rural elderly retirement and volunteerism Social Work Practice with the Elderly offers an exciting collection of well crafted readings and will be useful for

any social work student at the undergraduate or graduate level It will also be a valuable resource for those in other helping professions who work side by side with social workers in this field nurses physiotherapists music and art therapists psychologists physicians recreational therapists speech and language therapists and clergy Evidence-Based Counseling and Psychotherapy for an Aging Population Morley D. Glicken,2009-08-01 At a time when the mental health difficulties disorders of the elderly are coming to the fore of many practitioners patient rosters naming and treating those problems is still too often handled as an art as much as a science Inconsistent practices based on clinical experience and intuition rather than hard scientific evidence of efficacy have for too long been the basis of much treatment Evidence based practices help to alleviate some of the confusion allowing the practitioner to develop quality practice guidelines that can be applied to the client identify appropriate literature that can be shared with the client communicate with other professionals from a knowledge guided frame of reference and continue a process of self learning that results in the best possible treatment for clients The proposed volume will provide practitioners with a state of the art compilation of evidence based practices in the assessment and treatment of elderly clients As such it will be more clinically useful than anything currently on the market and will better enable practitioners to meet the demands faced in private and institutional practice Focusing on the most current research and best evidence regarding assessment diagnosis and treatment the volume covers difficulties including but not limited to social isolation loneliness elder abuse neglect depression and suicidal inclinations anxiety disorders substance abuse dementias prolonged bereavement patients with terminal illnesses Because concrete research evidence is so often not used as the basis for practice this book provides a timely guide for clinicians social workers and advanced students to a research oriented approach to serving the mental health needs of elderly adults Fully covers assessment diagnosis treatment of the elderly focusing on evidence based practices Consolidates broadly distributed literature into single source and specifically relates evidence based tools to practical treatment saving clinicians time in obtaining and translating information and improving the level of care they can provide Detailed how to explanation of practical evidence based treatment techniques Gives reader firm grasp of how to more effectively treat patients Chapters directly address the range of conditions and disorders most common for this patient population i e social isolation elder abuse neglect depression anxiety disorders terminal illnesses disabilities bereavement substance abuse and dementias Prepares readers for the conditions they will encounter in real world treatment of an elderly patient population Cites numerous case studies and provides integrative questions at the end of each chapter Exposes reader to real world application of each treatment discussed Offers reader easy base for further study of subject saving clinicians time *Social Work Practice With Older Adults* Jill M. Chonody,Barbra Teater,2017-12 This book presents a contemporary framework based on the World Health Organization's active aging policy that allows students to focus on client strengths and resources when working with the elderly Covering micro mezzo and macro practice domains the text examines all aspects of working with aging populations from assessment through

termination

Strengthsbased Case Management For Older Adults Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strengthsbased Case Management For Older Adults has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strengthsbased Case Management For Older Adults has opened up a world of possibilities. Downloading Strengthsbased Case Management For Older Adults provides numerous advantages over physical copies of books and

documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strengthsbased Case Management For Older Adults has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strengthsbased Case Management For Older Adults. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strengthsbased Case Management For Older Adults. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strengthsbased Case Management For Older Adults, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strengthsbased Case Management For Older Adults has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
