String Art:

DIY String Art Jesse Dresbach, 2016-06-14 This isn't your summer camp string art. String art is making a comeback with seemingly endless new designs and author Jesse Dresbach's modern more flexible approach lets you methodically string away to your heart's content. This book is full of patterns simple to more intricate designs that help you quickly get to the fun part of the craft. The stringing Jesse walks you through his tool room and even includes tips on cutting and preparing the right size boards. He shares how to structure the nails using paper patterns and details several stringing techniques. *DIY String Art* includes simple geometrics, nature inspired motifs worked on tree slices, zodiac signs and even patterns for negative space string art where you fill in the entire board everywhere but inside the chosen motif. These are cool urban designs some with random string work some with faceted sections and still others with specific string paths to achieve more uniform results and they look amazing no matter where you hang them. Jesse's double wrap technique lets you add pronounced details and even create a string frame he's thought of basically everything you need to know to string a gallery of modern art. *Easy String Art for All Seasons* Darline Later Andelin, 1996 *String Art Patterns* Smilonada, 2020-11-21 37 different String Art Paper Patterns and templates from simple hearts to complex unicorn and cactus designs.
