at the conclusion that the message received by Garcia at dinner was an appointment or an assignation Now if the obvious reading of it is correct and in order to keep the tryst one has to ascend a main stair and seek the seventh door in a corridor it is perfectly clear that the house is a very large one It is equally certain that this house cannot be more than a mile or two from Oxshott since Garcia was walking in that direction and hoped according to my reading of the facts to be back in Wisteria Lodge in time to avail himself of an alibi which would only be valid up to one o'clock As the number of large houses close to Oxshott must be limited I adopted the obvious method of sending to the agents mentioned by Scott Eccles and obtaining a list of them Here they are in this telegram and the other end of our tangled skein must lie among them *The Adventure of Wisteria Lodge (World Classics, Unabridged)* SIR ARTHUR CONAN.
