The Adventures of Eric Hamilton Robert J. Franklin, 2003 Fictional exploration of the late twentieth century male and how he responds to American political social and business pressures **The Adventures of Eric Hamilton** Robert J. Franklin, 2003 Fictional exploration of the late twentieth century male and how he responds to American political social and business pressures Science-Fiction Rebels: The Story of the Science-Fiction Magazines from 1981 to 1990 Mike Ashley, 2016-01-28 Fourth volume in Mike Ashley's acclaimed set on the history of science fiction magazines This volume looks at the 1980s **The Book Buyer**, 1891 A review and record of current literature **A Serious Person** Brad Vance, 2015-11-28 Adam Bede has it good Writing pop songs for teen idol Christie Squires isn't much of a creative challenge but it pays for his champagne lifestyle He's got his boyfriend Lyle a Serious Person and regular CNN geopolitical contributor his bestie and songwriting partner Callie and his partners in ChrisCo the industrial combine behind their manufactured superstar And he's even got his bipolar illness managed without completely dulling his creativity Until one day Christie decides she wants to be Taken Seriously and sues ChrisCo for child labor violations And just like that Adam's cash cow is no more As if that wasn't bad enough along comes Sam Sparks brilliant talented young songwriter and social activist who's got the hots for Adam's boyfriend and who may be the Serious Person who's a better match for Lyle than frivolous Adam When a cable channel creates a reality show to find the best singer songwriter in America Adam knows he has only one way to save his career and his relationship And if winning that contest involves going off his medications going a little crazy just a little he swears isn't it worth the risk Especially when he discovers that Christie and Sam are his competition Before he was Brad Vance Brad published as Orland Outland Here in a substantially revised version is one of his best comic novels available again at last A Little Too Broken Brad Vance, 2016-06-03 When Jamie walks through the door of the Humane Society it's not just an animal who needs rescuing that day Tom is there to adopt another service dog into the Canine Comrade Corps but it's Jamie his heart goes out to But each man turns away walks away from the potential pain the rejection the knowledge that it'll all end in tears Jamie knows damn well that the HIV he contracted from an unfaithful lover has put him out of the dating game forever in the small town of Santa Vera Tom lost his legs in Afghanistan and got new ones yeah but with a side order of PTSD to go he thought grimly The real problem is that only now does he realize he's gay now that the revelation would be just one too many things to put his family through after everything else they've had to deal with So both men grin and bear the loneliness put their feelings on a shelf even as Jamie's volunteer stint at CCC turns into friendship and despite their resolve something more Tom saw Jamie's smile He's totally relaxed about this You're getting there This is going to work out this is going to be a friendship I need this To be with normals again people who aren't Well the fact was that Jamie wasn't normal was he The fact that he had been through what he'd been through in Tom's mind put him on Tom's side of the world on the island of broken toys Someone who could understand who wasn't one of them the ones living a life oblivious to

suffering illness pain It s too bad Jamie thought calmly If only I didn t have the bug I could do this I could well at least fantasize realistically about this becoming something People liked it when you were just a little broken he knew from experience It lets them think that you re not so unattainable gives them the confidence to make a move Then they can fix you be the one to un break you so they get to have it all get the perfect lover in the end by coming to it through the side door Yeah he smirked But they don t want you when you re just a little too broken just a little bit beyond where you can be repaired back into perfection their reward for accepting those lesser flaws for a while Some things stay broken and nobody wants that **New England Stationer and Printer** ,1901 **Have a Little Faith in Me** Brad Vance,2016-06-05 When
