challenging he reflects on life and death freedom and destiny man and God sex and religion Asked about the complexity of his lyrics Bruce said in an interview I ask myself does it rock And if it does who gives a s t what s it s about All information s there if people choose to dig for it The treasures you can find are absolutely worth the digging Bruce also added And if they don t then it doesn t matter so long as they enjoy it Bruce Dickinson is an undisputed master of heavy metal his voice and music are a natural force The subjects are extremely interesting and Bruce succeeds in artfully getting to the heart of them This is why this book is dedicated to Bruce as a songwriter as a poet of lyrics some of which represent little masterpieces even without music They point beyond themselves by means of powerful imagery Their ambiguity holds some surprises The best way to get to know the real Bruce Dickinson probably is to have a beer with him But he admitted that through his lyrics you can certainly maybe get an idea of what is going on with myself and that s why all fans of Bruce and Iron Maiden should read this book
