Comrades Judson L. Jeffries, 2007-12-25 Essays about the original Black Panther Party s local chapters in seven

American cities that seek to move beyond the usual media stereotypes Recommended Choice The Black Panther Party for Self Defense was founded in Oakland California in 1966 by Huey P Newton and Bobby Seale It was perhaps the most visible of the Black Power groups in the late sixties and early seventies not least because of its confrontational politics its rejection of nonviolence and its headline catching gun toting militancy Important on the national scene and highly visible on college campuses the Panthers also worked at building grassroots support for local black political and economic power Although there have been many books about the Black Panthers none has looked at the organization and its work at the local level This

book goes beyond Oakland and Chicago examines the work and actions of seven local initiatives in Baltimore Winston Salem Cleveland Indianapolis Milwaukee Philadelphia and Los Angeles These local organizations are revealed as committed to programs of community activism that focused on problems of social political and economic justice The African American Odyssey Library of Congress,1998 *American Book Publishing Record* R.R.
