**The Aftermath, 1975-85** Edward Doyle, Terrence Maitland, 1985 Chronicles the legacy of the Vietnamese War for Vietnam its neighbors and the United States during the ten years after the war      **A Final Valiant Act** John B. Lang, 2020-04-28 This Vietnam War biography recounts the story of an American soldier who heroically gave his life to save his comrades Private 1st Class Douglas E Dickey was just twenty years old when he dove onto a grenade saving the lives of four men including his platoon leader The young Marine's actions on Easter Sunday 1967 won him a posthumous Medal of Honor Dickey grew up in Ohio and enlisted in the Marine Corps with four of his high school friends After he was deployed to Vietnam he took part in Operation Deckhouse VI a landing in Quang Ngai then Operation Beacon Hill which led him and his comrades into a devastating ambush During the ensuing battle one that nearly wiped out the entire platoon a grenade landed in their midst Without hesitation Dickey took action This biography grounds Dickey's final valiant act in the context of his life and the lives of his comrades and family It is based on over a decade of research including interviews with family members and Dickey's letters home A tribute to a true hero A Final Valiant Act also includes the most detailed account of Operation Beacon Hill ever written      **A Tangled Web** William P. Bundy, 1999-06-04 An authoritative historical assessment of American foreign policy in a crucial postwar decade William Bundy's magisterial book focuses on the controversial record of Richard Nixon's and Henry Kissinger's often overpraised foreign policy of 1969 to 1973 an era that has rightly been described as the hinge on which the last half of the century turned Bundy's principled clear-eyed assessment in effect pulls together all the major issues and events of the thirty year span from the 1940s to the end of the Vietnam War and makes it clear just how dangerous the consequences of Nixon and Kissinger's deceptive modus operandi were      **The Women Who Changed Architecture** Jan Cigliano Hartman, 2022-03-29 A visual and global chronicle of the triumphs challenges and impact of over 100 women in architecture from early practitioners to contemporary leaders Marion Mahony Griffin passed the architectural licensure exam in 1898 and created exquisite drawings that buoyed the reputation of Frank Lloyd Wright Her story is one of the many told in The Women Who Changed Architecture which sets the record straight on the transformative impact women have made on architecture With in-depth profiles and stunning images this is the most comprehensive look at women in architecture around the world from the nineteenth century to today Discover contemporary leaders like MacArthur Fellow Jeanne Gang spearheading sustainable design initiatives reimagining cities as equitable spaces and directing architecture schools An essential read for architecture students architects and anyone interested in how buildings are created and the history behind them      **Historical Dictionary of the 1960s** James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s When JFK became president in 1960 the U S was the hope of the world Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the

brave This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women s movement and the youth rebellion It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history      *Traffic in Asian Women* Laura Hyun Yi Kang,2020-08-14 In *Traffic in Asian Women* Laura Hyun Yi Kang demonstrates that the figure of Asian women functions as an analytic with which to understand the emergence decline and permutation of U S power knowledge at the nexus of capitalism state power global governance and knowledge production throughout the twentieth century Kang analyzes the establishment suppression forgetting and illegibility of the Japanese military comfort system 1932 1945 within that broader geohistorical arc Although many have upheld the comfort women case as exemplary of both the past violation and the contemporary empowerment of Asian women Kang argues that it has profoundly destabilized the imaginary unity and conceptual demarcation of the category Kang traces how Asian women have been alternately distinguished and effaced as subjects of the traffic in women sexual slavery and violence against women She also explores how specific modes of redress and justice were determined by several overlapping geopolitical and economic changes ranging from U S guided movements of capital across Asia and the end of the Cold War to the emergence of new media technologies that facilitated the global circulation of comfort women stories      *Energy: a Continuing Bibliography with Indexes* ,1976      [Developments in Demographic Forecasting](#) Stefano Mazzucco,Nico Keilman,2020-09-28 This open access book presents new developments in the field of demographic forecasting covering both mortality fertility and migration For each component emerging methods to forecast them are presented Moreover instruments for forecasting evaluation are provided Bayesian models nonparametric models cohort approaches elicitation of expert opinion evaluation of probabilistic forecasts are some of the topics covered in the book In addition the book is accompanied by complementary material on the web allowing readers to practice with some of the ideas exposed in the book Readers are encouraged to use this material to apply the new methods to their own data The book is an important read for demographers applied statisticians as well as other social scientists interested or active in the field of population forecasting Professional population forecasters in statistical agencies will find useful new ideas in various chapters      [International Criminal Law, Volume 3: International Enforcement](#) M. **Refugees and the End of Empire** P. Panayi, P. Virdee, 2011-05-17 An examination of the relationship between imperial collapse the emergence of successor nationalism the exclusion of ethnic groups and the refugee experience Written by both established authorities and younger scholars this book offers a unique international comparative approach to the study of refugees at the end of empire

**Germany and Europe 1919-1939** John Hiden, 2014-09-25 This is the only short study in English to survey Germany's foreign policy from a German viewpoint across the entire inter war period The approach which sets Germany in her full European context is not narrowly diplomatic and it gives as much attention to the Weimar years of the 1920s as it gives to the more familiar story of Germany's international relations under the Third Reich John Hiden has now thoroughly revised his text to take account of new scholarship since the book first appeared in 1977

*State Security in South Africa* James Michael Roherty, 1992 This work is a study of civil military relations in the Republic of South Africa while Pieter Willem Botha was prime minister 1978-89 The author's controversial thesis is that Prime Minister Botha recognizing that his country had reached the historical juncture when it needed to establish a new political order encompassing all of its diverse peoples moved effectively to prepare the ground for fundamental constitutional change What was needed above all were stabilization measures to assure the support of the white population for reform Botha used the South African defence force as his primary instrument By 1989 Professor Roherty maintains a striking degree of stabilization had been achieved within the country and throughout South Africa and the groundwork for epochal change had been prepared The author makes use of exclusive interviews with South Africans from the political military intelligence corporate and academic worlds

**Exporting Democracy** Peter J. Schraeder, 2002 In recent years debates within academic and policymaking circles have gradually shifted from a Cold War focus on whether democracy constitutes the best form of governance to the question of whether and to what degree international actors should be actively involved in democracy promotion This book offers the first comprehensive analysis of international efforts to promote democracy during the post World War II period with an emphasis on developments since 1989 The authors assess the efforts of major industrialized democracies multilateral actors and NGOs They find that the success of these endeavors is constrained by several realities ranging from the often significant gap between the rhetoric and the reality of actual policies to the dilemma that occurs when the goal of democracy clashes with other foreign policy interests The first comprehensive analysis of international efforts to promote democracy during the

post World War II period with an emphasis on developments since 1989      For Richer, For Poorer Demie Kurz, 2013-12-02

For Richer For Poorer provides a new perspective on the impact of divorce on women Based on interviews with a random sample of divorced mothers this book identifies their real concerns inadequate resources from their ex husbands and the state and unequal social policies Presenting accounts of how they manage the divorce process divorced women of diverse background describe their attempts to rebuild their own lives and those of their families Demie Kurz proposes a reversal of policies which penalize the single parent family by failing to provide mothers and children with adequate resources
