

The Age of Jackson

1824-1844

The Age Of Jackson

Arthur M. Schlesinger (jr.)

The Age Of Jackson:

The Age of Jackson Robert Vincent Remini,1972 **The age of Jackson** Arthur Meier Schlesinger (Jr.),1945 Presents ideologies controversies and personalities of the early 1800 s instructive to the American as democracy of today *The Age of Jackson* Arthur M. Schlesinger (jr.),1950 *The Revolutionary Age of Andrew Jackson* Robert Vincent Remini,1976

The Age of Jackson Arthur Meier Schlesinger,1945 *The Age of Jackson* Arthur M. Schlesinger,1945 *The Age of Jackson and the Art of American Power, 1815-1848* William R. Nester,2013 As William Nester asserts in *The Age of Jackson* it takes quite a leader to personify an age A political titan for thirty three years 1815 1848 Andrew Jackson possessed character beliefs and acts that dominated American politics Although Jackson returned to his Tennessee plantation in March 1837 after serving eight years as president he continued to overshadow American politics Two of his proteges Martin the Magician van Buren and James Young Hickory Polk followed him to the White House and pursued his agenda Jackson provoked firestorms of political passions throughout his era Far more people loved than hated him but the fervor was just as pitched either way Although the passions have subsided the debate lingers Historians are split over Jackson s legacy Some extol him as among America s greatest presidents citing his championing of the common man holding the country together during the nullification crisis and eliminating the national debt Others excoriate him as a mean spirited despot who shredded the Constitution and damaged the nation s development by destroying the Second Bank of the United States defying the Supreme Court and grossly worsening political corruption through his spoils system Still others condemn his forcibly expelling more than forty thousand Native Americans from their homes and along the Trail of Tears which led far west of the Mississippi River with thousands perishing along the way In his clear eyed assessment of one of the most divisive leaders in American history Nester provides new insight into the age old debate about the very nature of power itself **The Age of Jackson** Tim McNeese,2020-07-01 Andrew Jackson was one of the most controversial presidents in American History Raised in the backwoods of Appalachia he grew up amidst the violence of the Revolutionary War and carried violence with him throughout his life Though his penchant for dueling left him with a bullet lodged in his chest Jackson s combative nature served him well in his military career He quickly rose to prominence as a celebrated Indian fighter and hero of the War of 1812 and his victories against the Spanish and the Seminole in Florida led to the further expansion of the United States As president Jackson squabbled with the South over tariffs and fought to dismantle the Second Bank of the United States But his longest lasting legacy was his policy of Indian Removal Jackson signed the Indian Removal Act of 1830 which resulted in the forcible relocation of multiple tribes to territories further west a move that would become known as the Trail of Tears In *The Age of Jackson* follow Andrew Jackson s progress from fighting on the frontier to governing in the White House **The Coming of Democracy** Mark R. Cheatham,2018-08 In *The Coming of Democracy* Mark R Cheatham examines the evolution of presidential campaigning from 1824 to 1840 Addressing the roots of early republic cultural politics from campaign

biographies to songs political cartoons and public correspondence between candidates and voters Cheatham asks the reader to consider why such informal political expressions increased so dramatically during the Jacksonian period What sounded and looked like mere entertainment he argues held important political meaning The extraordinary voter participation rate over 80 percent in the 1840 presidential election indicated that both substantive issues and cultural politics drew Americans into the presidential selection process Publisher's description

Democracy in the Age of Jackson Edwin Charles Rozwenc, Frederick E. Bauer, 1965 *The Age of Jackson and the Art of American Power, 1815-1848* William Nester, 2013-08-31 As William Nester asserts in *The Age of Jackson* it takes quite a leader to personify an age A political titan for thirty three years 1815 1848 Andrew Jackson possessed character beliefs and acts that dominated American politics Although Jackson returned to his Tennessee plantation in March 1837 after serving eight years as president he continued to overshadow American politics Two of his proteges Martin the Magician van Buren and James Young Hickory Polk followed him to the White House and pursued his agenda Jackson provoked firestorms of political passions throughout his era Far more people loved than hated him but the fervor was just as pitched either way Although the passions have subsided the debate lingers Historians are split over Jackson's legacy Some extol him as among America's greatest presidents citing his championing of the common man holding the country together during the nullification crisis and eliminating the national debt Others excoriate him as a mean spirited despot who shredded the Constitution and damaged the nation's development by destroying the Second Bank of the United States defying the Supreme Court and grossly worsening political corruption through his spoils system Still others condemn his forcibly expelling more than forty thousand Native Americans from their homes and along the Trail of Tears which led far west of the Mississippi River with thousands perishing along the way In his clear eyed assessment of one of the most divisive leaders in American history Nester provides new insight into the age old debate about the very nature of power itself

Willie Mangum and the North Carolina Whigs in the Age of Jackson Benjamin L. Huggins, 2016-05-22 In the 1820s young congressman Willie Mangum imbibed the political philosophy of North Carolina's senior senator Nathaniel Macon the prophet of pure republicanism From his election in 1824 Mangum was at the epicenter of national and state government In the 1830s he emerged as leader of an opposition party the Whigs and became an opponent of Andrew Jackson and his Democratic Party Mangum's career offers insight into the ideology and politics of North Carolina's Whigs Opposition to executive power was fundamental to the Whig platform but in North Carolina the party was a coalition that melded the Old Republicans creed with the National Republican economic agenda touted by Henry Clay a combination that enabled them to dominate Mangum and the Carolina Whigs have received little attention from scholars This book traces their rapid rise to power and their even more rapid fall in the years prior to the Civil War

Political Parties and American Political Development from the Age of Jackson to the Age of Lincoln Michael F. Holt, 1992-06-01 For more than twenty years Michael F Holt has been considered one of the leading specialists in the political

history of the United States Political Parties and American Political Development from the Age of Jackson to the Age of Lincoln is a collection of some of his more important shorter studies on the politics of nineteenth century America The collection focuses on the mass political parties that emerged in the 1820s and their role in broader political developments from that decade to 1865 Holt includes essays on the Democratic Antimasonic Whig and Know Nothing parties as well as one on Abraham Lincoln s relationship with the congressional wing of the Republican party during the Civil War Almost all essays touch on the broad question of the role of partisan politics in explaining the outbreak of the war Individual essays address the following questions as well What explains the birth and death of powerful third parties What was the relationship among economic conditions party performance in office especially legislative performance and the mobilization of an unprecedented number of voters between 1836 and 1840 Why did the Whigs find it necessary to nominate military hero Zachary Taylor as their presidential candidate in 1848 What explains the death of the Whig party What role did ethnoreligious issues and the Know Nothing party play in the realignment of the 1850s and the ultimate triumph of the Republican party In what ways did the continuation of two party competition after 1860 help the North win the Civil War Most of the essays have been published previously over a twenty year span but there are also two new pieces The Mysterious Disappearance of the American Whig party originally delivered as the Commonwealth Fund Lecture at University College London in February 1990 seeks to explain why the Whig party died in the 1850s This essay contrasts the fate of the Whig party with the fates of the Republican party in the 1930s and 1970s and the British Conservative party in the 1840s and 1850s parties that survived similar indeed graver challenges than those to which the Whigs succumbed In addition Holt has written an excellent introduction in which he explains how he came to write the essays and reflects upon them in light of the current state of political history as a discipline Political Parties and American Political Development from the Age of Jackson to the Age of Lincoln offers provocative insights into both the history of nineteenth century politics and the way it is studied The Age of Jackson ,1945

Waking Giant David S. Reynolds,2009-03-06 A New York Times Notable Book Far more than just a political story or for that matter a story of Andrew Jackson Reynolds s book shines a bright light on the cultural social intellectual and artistic currents buffeting the nation Reynolds is a thoughtful historian and *Waking Giant* is as engaging and insightful a narrative of this critical interregnum as any written in years New York Times Book Review A brilliant definitive history of America s vibrant and tumultuous rise during the Jacksonian era from the Bancroft Prize winning author of *Walt Whitman s America* America experienced unprecedented growth and turmoil in the years between 1815 and 1848 It was an age when Andrew Jackson redefined the presidency and James K Polk expanded the nation s territory Historian and literary critic David S Reynolds captures the turbulence of a democracy caught in the throes of the controversy over slavery the rise of capitalism and the birth of urbanization He brings to life the reformers abolitionists and temperance advocates who struggled to correct America s worst social ills and he reveals the shocking phenomena that marked the age violent mobs P T Barnum s freaks all

seeing mesmerists polygamous prophets and rabble rousing feminists Meticulously researched and masterfully written
Waking Giant is a brilliant chronicle of America s vibrant and tumultuous rise *The Age of Jackson* Arthur M. Schlesinger
jr.,1945 **From the Revolution Through the Age of Jackson: Innocence and Empire in the Young Republic** John R.
Howe,1973 *The Era of Good Feelings and the Age of Jackson, 1816-1841* ,1979 **The Age of Jackson: An**
Interpretation of Jacksonian Politics and Democracy P. R. Dickson,1991 **The Age of Jackson (abridged)** Arthur
Meier Schlesinger (Jr.),1964
