Martyn Whittock

The Age Of Revolution The Making Of Britain By Smith Lesley M:

The Victorian Studies Reader Kelly Boyd,Rohan McWilliam,2024-11-01 Selected as an Outstanding Academic Title in the 2008 CHOICE awards The Victorian Studies Reader gathers together in one volume some of the key pieces on Victorian history society and culture The book draws on new trends in looking at the Victorian Age and includes sections on periodization politics consumerism intellectual life sexuality empire The Victorian Studies Reader is a rich resource essential for all those studying this important period of history

Provincial Police Reform in Early Victorian England Roger Swift,2021-04-21 The establishment of new police forces in early Victorian England has long attracted historical enquiry and debate albeit with a general focus on London and the urban industrial communities of the Midlands and the North This original study contributes to the debate by examining the nature and process of police reform the changing relationship between the police and the public and their impact on crime in Cambridge a medium sized county town with a rural hinterland It argues that the experience of Cambridge was unique for the Corporation shared co jurisdiction of policing arrangements with the University and this fractious relationship as well as political rivalries between Liberals and Tories impeded the reform process although the force was certified efficient in 1856 Case studies of the careers of individual policemen and of the crimes and criminals they encountered shed additional light on the darker side of life in early Victorian Cambridge and present a different and more nuanced picture of provincial police reform during a seminal period in police history than either the traditional Whig or early revisionist Marxist interpretations implied As such it will support undergraduate courses in local social and criminal justice history during the Victorian period

Behaving Badly Roger Swift,2006-03-01 This inaugural lecture discusses the complex relationship between Irish migration to Britain in the nineteenth century and the incidence of crime in the British cities in which the migrants settled In particular indications of changes following the period after the Great Famine when migration from Ireland was at its peak are examined using evidence from a number of British cities and possible explanations for the differences between the reality of Irish criminality and British perceptions of it are reported and analysed

Victorian Afterlife John Kucich,Dianne F. Sadoff,2000

The Quakers in English Society, 1655-1725 Adrian Davies,2000-02-17 The early Quakers denounced the clergy and social lite but how did that affect Friends relationships with others Drawing upon the insights of sociologists and anthropologists this lively and original study sets out to discover the social consequences of religious belief Why did the sect appoint its own midwives to attend Quaker women during confinement Was animosity to Quakerism so great that Friends were excluded from involvement in parish life And to what extent were the remarkably high literacy rates of Quakers attributable to the Quaker faith or wider social forces Using a wide range of primary source material this study demonstrates that Quakers were not the marginal and isolated people which contemporaries and historians often portrayed Indeed the sect had a profound impact not only upon members but more widely by encouraging a greater tolerance of diversity in early modern society

History Today ,1996 *Whitaker's Book List* ,1991 A Brief History of Life in the Middle Ages Martyn

Whittock,2013-02-07 Using wide ranging evidence Martyn Whittock shines a light on Britain in the Middle Ages bringing it vividly to life in this fascinating new portrait that brings together the everyday and the extraordinary Thus we glimpse 11th century rural society through a conversation between a ploughman and his master The life of Dick Whittington illuminates the rise of the urban elite The stories of Roger the Raker who drowned in his own sewage a merman imprisoned in Orford Castle and the sufferings of the Jews of Bristol reveal the extraordinary diversity of medieval society Through these characters and events and using the latest discoveries and research the dynamic and engaging panorama of medieval

England is revealed Waterstone's Guide to Books Waterstone & Co,1988 Henrietta Maria and the English Civil Wars Michelle White,2017-09-29 The influence exercised by Queen Henrietta Maria over her husband Charles I during the English Civil Wars has long been a subject of interest To many of her contemporaries especially those sympathetic to Parliament her French origins and Catholic beliefs meant that she was regarded with great suspicion Later historians picking up on this have spent much time arguing over her political role and the degree to which she could influence the decisions of her husband What has not been so thoroughly investigated however are issues surrounding the popular perceptions of the Queen that inspired the plethora of pamphlets newsbooks and broadsides Although most of these documents are polemical propaganda devices that tell us little about the actual power wielded by Henrietta Maria they do throw much light on how contemporaries viewed the King and Queen and their relationship The picture created by Charles and Henrietta s enemies was one of a royal household in patriarchal disorder The Queen was characterized as an overly assertive unduly influential foreign Catholic queen consort whilst Charles was portrayed as a submissive and weak husband Such an image had wide political ramifications resulting in accusations that Charles was unfit to rule and thus helping to justify Parliamentary resistance to the monarch Because Charles had permitted his Catholic wife to interfere in state matters he stood accused of threatening the patriarchal order upon which all of society rested and of imperilling the Church of England In this book Michelle White tackles these dual issues of Henrietta s actual and perceived influence and how this was portrayed in popular print by those sympathetic and hostile to her cause In so doing she presents a vivid portrait of a strong willed woman who had a profound influence on the course of English history **Eighteenth-century Life** ,1988 *The British Library*

General Catalogue of Printed Books, 1986 to 1987 British Library,1988 The Cultural Foundations of Nations Anthony D. Smith,2008-03-03 This major new work by Professor Anthony D Smith challenges the notion of nationalism as a product of modernity Major new work by a leading historical sociologist Challenges the prevailing idea of nationalism as a product of modernity Demonstrates that different political forms of community and collective identity from pre modern times have contributed to the formation and character of nations Analyzes the chronology and nature of nations from the ancient world to the European Middle Ages the early modern and the modern eras Discusses alternative destinies facing modern nations

today **Victorians Institute Journal** ,1988 **The Imperial Garden** Ching-Feng Tseng,2003 Morale Daniel Ussishkin,2017 Morale traces the emergence of a novel and modern concept through which collective conduct was be managed and its diffusion from the military to other civilian spheres of life during the twentieth century when it came to be understood as vital for the democratic management of groups in war and peace *Whitaker's Books in Print* ,1990

Scotland in the Age of Two Revolutions Sharon Adams,Sharon Adams (Historian),Julian Goodare,2014 The seventeenth century was one of the most dramatic periods in Scotland s history with two political revolutions intense religious strife culminating in the beginnings of toleration and the modernisation of the state and its infrastructure This book focuses on the history that the Scots themselves made Previous conceptualisations of Scotland s seventeenth century have tended to define it as falling between 1603 and 1707 the union of crowns and the union of parliaments In contrast this book asks how seventeenth century Scotland would look if we focused on things that the Scots themselves wanted and chose to do Here the key organising dates are not 1603 and 1707 but 1638 and 1689 the covenanting revolution and the Glorious Revolution Within that framework the book develops several core themes One is regional and local the book looks at the Highlands and the Anglo Scottish Borders The increasing importance of money in politics and the growing commercialisation of Scottish society is a further theme addressed Chapters on this theme like those on the nature of the Scottish Revolution also discuss central government and illustrate the growth of the state A third theme is political thought and the world of ideas The intellectual landscape of seventeenth century Scotland has often been perceived as less important and less innovative and such perceptions are explored and in some cases challenged in this volume Two stories have tended to dominate the historiography of seventeenth century Scotland Anglo Scottish relations and religious politics One of the recent leitmotifs of early modern British history has been the stress on the Britishness of that history and the interaction between the three kingdoms which constituted the Atlantic archipelago The two revolutions at the heart of the book were definitely Scottish even though they were affected by events elsewhere This is Scottish history but Scottish history which recognises and is informed by a British context where appropriate The interconnected nature of religion and politics is reflected in almost every contribution to this volume SHARON ADAMS is Postdoctoral Research Fellow at the University of Freiburg JULIAN GOODARE is Reader in History at the University of Edinburgh Contributors Sharon Adams Caroline Erskine Julian Goodare Anna Groundwater Maurice Lee Jnr Danielle McCormack Alasdair Raffe Laura Rayner Sherrilynn Theiss Sally Tuckett Douglas Watt **Books in Print** ,1994 **Strangers Within the Realm** Bernard Bailyn,Philip D. Morgan,2012-12-01 Shedding new light on British expansion in the seventeenth and eighteenth centuries this collection of essays examines how the first British Empire was received and shaped by its subject peoples in Scotland Ireland North America and the Caribbean An introduction surveys British imperial historiography and provides a context for the volume as a whole The essays focus on specific ethnic groups Native Americans African Americans Scotch Irish and Dutch and Germans and their relations with the

British as well as on the effects of British expansion in particular regions Ireland Scotland Canada and the West Indies A conclusion assesses the impact of the North American colonies on British society and politics Taken together these essays represent a new kind of imperial history one that portrays imperial expansion as a dynamic process in which the outlying areas not only the English center played an important role in the development and character of the Empire The collection interprets imperial history broadly examining it from the perspective of common folk as well as elites and discussing the clash of cultures in addition to political disputes Finally by examining shifting and multiple frontiers and by drawing parallels between outlying provinces these essays move us closer to a truly integrated story that links the diverse ethnic experiences of the first British Empire The contributors are Bernard Bailyn Philip D Morgan Nicholas Canny Eric Richards James H Merrell A G Roeber Maldwyn A Jones Michael Craton J M Bumsted and Jacob M Price

The Age Of Revolution The Making Of Britain By Smith Lesley M Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Age Of Revolution The Making Of Britain By Smith Lesley M has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Age Of Revolution The Making Of Britain By Smith Lesley M has opened up a world of possibilities. Downloading The Age Of Revolution The Making Of Britain By Smith Lesley M provides numerous advantages

over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Age Of Revolution The Making Of Britain By Smith Lesley M has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Age Of Revolution The Making Of Britain By Smith Lesley M. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Age Of Revolution The Making Of Britain By Smith Lesley M. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Age Of Revolution The Making Of Britain By Smith Lesley M, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Age Of Revolution The Making Of Britain By Smith Lesley M has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
