The Age Of Sex Crime

David W. Selfe, Vincent Burke

The Age Of Sex Crime:

The Age of Sex Crime Jane Caputi, 1987 The sexualized serial murder of women by men is the subject of this provocative book Jane Caputi argues that the sensationalized murders by men such as Jack the Ripper Son of Sam Hillside Strangler and the Yorkshire Ripper represent a contemporary genre of sexually political crimes The awful deeds function as a form of patriarchal terrorism disappearing women at a rate of some four thousand annually in the United States alone Caputi asks us not only to name the phenomenon of sexually political murder but to recognize sex crime in all of its various interconnecting manifestations

Sex Crime Terry Thomas, 2015-11-19 Sex Crime Third edition offers a comprehensive and integrative introduction to sex crime written by an expert in the field The third edition has been fully expanded and updated to include further coverage of a range of critical topics including child sexual exploitation child pornography female sex offenders treatment approaches such as the Good Lives Model and the European Convention on Human Rights Delving into and beyond the news headlines about sexual crimes that seem to appear on our screens and in our newspapers almost every day this third edition draws on a range of high profile case studies such as Vanessa George Stuart Hall Jimmy Savile and Operation Yewtree and also offers a review of all relevant legislation This new edition also includes an analysis of possible causes of sex offending as well as public and professional responses to sex crime Including an examination of the policing of sexual crime the prosecution of the accused the sentencing and punishment of sexual offenders and public protection measures this new edition covers all of the key aspects of sex crime and how it is dealt with Wide ranging and authoritative Sex Crime Third edition presents a complex area in a straightforward and understandable manner Thomas guides the reader through the range of policies and law which have accumulated over the years making this essential reading for academics and students engaged in the study of sex crime sexual violence and the treatment of sex offenders It will also be of great interest to criminal justice practitioners

Sex Crimes and Offenders Mary Clifford, Alison Feigh, 2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts Sex Crimes and Offenders Exploring Questions of Character and Culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators

accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided

The Oxford Handbook of Sex Offences and Sex Offenders Teela Sanders,2017 The Oxford Handbook on Sex Offenses and Sex Offenders provides comprehensive even handed analysis of the myriad of topics related to sex offenses including pornography sex trafficking criminal justice responses and the role of social media in sex crimes Extending beyond the existing scholarly research on the topic this volume teases out the key debates controversies and challenges involved in addressing sex crimes

Sex, Crime and Morality Sharon Hayes,Belinda Carpenter,Angela Dwyer,2012-08-21 Over the last few decades there has been a marked increase in media and debate surrounding a specific group of offences in modern Democratic nations which bear the brunt of the label crimes against morality Included within this group are offences related to prostitution and pornography homosexuality and incest and child sexual abuse This book examines the nexus between sex crime and morality from a theoretical perspective This is the first academic text to offer an examination and analysis of the philosophical underpinnings of sex related crimes and social attitudes towards them and the historical anthropological and moral reasons for differentiating these crimes in contemporary western culture The book is divided into three sections corresponding to three theoretical frameworks Part 1 examines the moral temporality of sex and taboo as a foundation for legislation governing sex crimes Part 2 focuses on the geography of sex and deviance specifically notions of public morality and the public private divide Part 3 examines the moral economy of sex and harm including the social construction of harm

Sex Crime and Morality will be key reading for students of criminology criminal justice gender studies and ethics and will also be of interest to justice professionals

Sex Crimes Donna Vandiver,Jeremy Braithwaite,2022-04-11 *Sex Crimes Research and Realities* 2nd edition provides succinct overviews and details of the research regarding sex crimes and the persons who commit them dispelling common myths related to sex crimes that have been contradicted in the scientific literature in recent decades Throughout the book survivors of sexual violence are highlighted including those who have engaged in activism leading to positive changes for victims of sexual violence or came forward with their stories of sexual victimization despite being told nothing can be done The book begins with a broad overview of the number and types of sex crimes that occur annually then outlines several theories developed to explain sex crimes specifically along with descriptions of popular criminological theories that have been applied to persons who have committed a sex crime The next several chapters provide details regarding different types of sex crimes Subsequently the authors provide an overview of juveniles and females who commit sex crimes and of sex crimes that occur within an institution such as college campuses and sports or

youth organizations New to this edition is a chapter that focuses on victims of sex crimes and the victimology of sexual violence Attention is given to the nuances of investigating sex crimes and policies such as registration and civil commitment laws affecting persons who have committed a sex crime The conclusion provides an overview of the myths regarding sex crimes and the persons who commit them again with a summary of what research has unveiled while highlighting areas of recommended future research This book is suitable for an undergraduate or graduate level course for a variety of social science fields It is invaluable for treatment providers law enforcement officers detectives or policy makers *Impacts of Sex Crime Laws on the Female Partners of Convicted Offenders* Lisa Anne Zilney, 2020-06-01 This work is an exploratory examination of the experiences motivations and coping mechanisms of women who are involved in intimate relationships with registered sexual offenders The study focuses both on women who were involved with an offender prior to the commission of his offense and who stayed with him post conviction and on women who became involved with a registered offender after his sex offense conviction Like the offender himself these women face a variety of challenges in responding to treatment of them by friends family the community and the criminal justice system Utilizing the results of intensive interviews this work provides a unique look at the women who are one of the few sources of support for registered sexual offenders and assesses the effectiveness and wide ranging implications of community notification and registration laws on public safety policy and practice This work offers alternative approaches based on evidence and case studies and considers the significance of familial contact in buffering sexual recidivism These women are the heretofore unstudied victims of sexual offending legislation This book is essential reading for those in sociology criminology psychology and social work For undergraduate or graduate students practitioners researchers or policy makers this thought provoking book will shed light on how to optimize the reintegration of sex offenders It assesses the effectiveness and wide ranging implications of sex offender legislation on public safety policy and practice and considers alternative approaches to reduce sexual violence Sexual Crime Caryn E. Neumann, 2009-12-14 A contemporary fact filled resource on the historical legal medical and political aspects of a wide variety of sexual crimes Authoritative and informative *Sexual Crime A Reference Handbook* offers a thoroughly up to date report on an issue of extraordinary urgency It is an expert introduction to a variety of often misunderstood crimes Sexual Crime begins with a background chapter outlining the causes and definitions of sexual crime legal and cultural attitudes over the past three centuries and common myths surrounding this sensitive subject It then offers wide ranging coverage of issues including date rape crimes involving male victims rape in prison female perpetrators medical treatments political ramifications and other contemporary issues **Sex Crimes in the Fifties** Lisa Featherstone, Amanda Kaladelfos, 2016-07-18 The Australian Royal Commission into Institutional Responses to Child Sexual Abuse 2013 2017 has given national consciousness to the problematic treatment of sexual offences in Australia s past Yet there has been little historical research into the policing prosecution and punishment of those crimes This book examines Australia s treatment of

sexual crimes in the 1950s a decade well known for its political and social conservatism its prudish views on morality and its prescriptive gender roles for men and women Fewer would know that this same decade saw soaring arrests mounting criminal prosecutions and intensifying public debates about how to deal with sexual offenders Or that sexual offences on children attracted the most concentrated state attention and public concern Sex Crimes in the Fifties uncovers this new history by drawing on transcripts of hundreds of criminal proceedings and extensive research in criminal justice archives We examine the criminal trial itself exploring how prosecutors defence counsel witnesses juries and judges understood sexual crimes We consider the experience of women testifying in rape trials the prosecution of sexual crimes against children the court s treatment of recent immigrants the prosecution and punishment of homosexual men the influence of psychiatric evidence and the increasing public debates over the sex offender We show that the 1950s was indeed foundational to many of our contemporary beliefs about sexual crimes This book makes a major contribution to our historical and socio legal knowledge about sexual offences and criminal prosecution It will be of interest to historians criminologists sociologists and legal scholars as well as general readers interested in the treatment of these crimes in our past

Protection Against Sexual Exploitation of Children Act of 2005, and the Prevention and Deterrence of Crimes Against Children Act of 2005

United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security,2005 *Sex Offenders* Arjan A. J. Blokland,Patrick Lussier,2015-09-08 An authoritative and in depth treatment of the latest research into the criminal careers of sex offenders providing background and investigating the policies used to combat one of society s most intractable public issues Features chapters based on original research from the most prominent scholars in the field of sex offender and criminal career research Deals with the entire criminal careers of sex offenders from youth to adulthood Illustrates the significance of the criminal career approach for theory treatment research and policy regarding sex offenders Covers a wider breadth of topics than existing texts and uses data from various studies and countries including the U S Canada the U K and the Netherlands Features an introductory chapter charting the origins of the criminal career perspective as well as the history of sex offender research pinpointing the most important research questions and current debates in both fields

Child Sexual Abuse Megan J. Smith,2008 Accurate statistics on the prevalence of child and adolescent sexual abuse are difficult to collect because of problems of underreporting and the lack of one definition of what constitutes such abuse However there is general agreement among mental health and child protection professionals that child sexual abuse is not uncommon and is a serious problem which has become more widely spread with the internet This new book presents recent and significant research from around the globe

Reconsidering Sex Crimes and Offenders

Laura J. Zilney,Lisa A. Zilney,2009-07-23 This examination of our nation s sex crime laws and the social attitudes behind them argues that many citizens are being pursued as sex offenders for nonviolent and oftentimes consensual sexual behaviors Cutting through the hysteria and hype *Reconsidering Sex Crimes and Offenders* Prosecution or Persecution argues

that while convicted violent sex offenders certainly should be punished many laws targeting minor sexual offenses are outdated overly severe and too concerned with satisfying public outrage driven by distortions misconceptions and sensationalistic media coverage Reconsidering Sex Crimes and Offenders is sure to challenge readers understanding of who a sex offender is how they should be treated and how best to protect the community from such offenders The book looks at how the legal definitions of certain offenses have changed over time and then explores a series of real life case studies Readers will discover how some citizens have been targeted and punished for consensual acts including homosexuality polygamy and pornography Additional coverage considers a number of highly controversial laws from residency restrictions to the death penalty and the media s role in fueling public support for them

Sex Crimes Stephen T. Holmes, Ronald M. Holmes, 2008-06-18 A comprehensive survey of sex offenders and sexual offenses This succinct and highly accessible text provides a comprehensive overview of a wide range of sexual behaviors and sex crimes thoroughly addressing criminal actions from nuisance sex crimes such as voyeurism and exhibitionism to the most extreme including rape sex crimes against children lust and serial murders and more Including unique and engaging case studies and first person accounts from sex offenders Sex Crimes Patterns and Behavior Third Edition provides unique insight into sex crimes deviance and criminal behavior theory and analysis This engaging and easy to read text provides information on psychological profiling of sex offenders the crimes they commit the effects on their victims and attempted treatments in an engaging style that compels students to continue reading even ahead of the syllabus Key Features Two new chapters address Internet related sex crimes and sexually motivated homicides Photos and tables have been updated to provide the most cutting edge information and reflect the thorough updating the book throughout Other helpful pedagogical aids include case files and boxed news accounts that bring key concepts to life and first person accounts from sex criminals medical and legal insights into the behaviors described A glossary of sexual behavior and related terms is provided at the back of the text Intended Audience Suitably brief to serve as a core text in conjunction with readings or as a supplement to another text this provocative textbook will spark lively discussion in undergraduate courses such as Sex Crimes Deviance Criminal Behavior and Violent Crimes in departments of criminology criminal justice sociology social work and counseling

Thematic Prosecution of International Sex Crimes Morten Bergsmo, 2018-06-01 **Perspectives on Sex Crime & Society** David W. Selfe, Vincent Burke, 2012-11-12 Concerned with an analysis of sexual offences and sexual behaviour from a variety of perspectives this work consider the construction and interpretation of relationships between sexual behaviour and the criminal process by analyzing the criminalization and decriminalization of certain conduct

Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices Anil Aggrawal, 2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical

aspects current incidence and geographic *Sex, Violence and Crime* Adrian Howe, 2009-01-21 Theoretically informed yet entirely accessible style this book provides a novel critical approach to questions of sex and violence in contemporary Western society

Sex Crimes Alissa R. Ackerman, Rich Furman, 2015-06-16 Sex crimes such as rape child sexual abuse and intimate partner violence are increasingly transnational in nature introducing unique cross border and cross cultural challenges for police the courts and the law Policy makers and practitioners are in need of a resource that explores the incidence prosecution and treatment of sexual crimes across different countries and cultures This book is the first to investigate all aspects of sexual crimes and the policy and management initiatives developed to address them from a transnational global perspective Introducing an array of tools for reducing the prevalence and consequences of sex crimes this volume brings together leading scholars in criminology criminal justice social work and law to discuss topics ranging from sex trafficking and sex tourism to pornography cyberstalking and sexual abuse in the military and the Catholic church Case studies track the reporting of these crimes the methods used to interview victims and perpetrators and the policies enacted to punish those involved

House bills on sexual crimes against children United States. Congress. House. Committee on the Judiciary. Subcommittee on Crime, Terrorism, and Homeland Security, 2005
