The Ageless Wisdom:

The Ageless Wisdom of Life Clara M. Codd,1971 **The Ageless Wisdom of Life** Clara M. Codd,1957 *The Ageless Wisdom Teaching* Benjamin Creme,2021-08-15 An overview of humanity s spiritual legacy this booklet serves as a concise and easy to understand introduction to the Ageless Wisdom Teaching It explains the basic tenets of esotericism including rebirth and reincarnation origin of man the emergence of the World Teacher Karma the Plan of evolution meditation and service 2nd Edition **Spiritual Practicality** Rev. Douglas Fisichella,2016-01-15 Energy follows thought Creation on any level is the result of conscious choice facilitated by mind and brought into physical reality through action based on the desire to see the idea realized The understanding of these concepts brings extraordinary power and responsibility into the life of the so called average person These are not impractical ideas ill suited to modern life Spiritual Practicality is the integration of your spiritual life in its totality to practical living You live spiritually through every experience because your awareness is changed When you truly live spiritually you will find that every aspect of your inner life has a practical application in the modern world The so called Success Principals of our age are the Spiritual Principals of the ages and the Ageless Wisdom teachings Equipped with the Seven Keys to the mysteries we will reveal the beauty unity and yes the practicality of the spiritual life There is something irresistible about this book It is an unusual and masterful blend of common sense clear writing and advanced metaphysics in a style that is both mature and accessible Wonderful for seekers of all ages and stages Jonathan Ellerby PhD bestselling author of Return to the Sacred Take the 7 keys and open the door to a realm of knowledge and wisdom masterfully presented by Ageless Wisdom student of 30 years Douglas Fisichella Prepare to embark on a journey that will inspire your own greatness Liz Sterling Author Radio Personality Motivational Speaker A wonderfully broad survey of the universal wisdom teachings which lie at the heart of both eastern and western traditions Rev Fisichella displays an unusual knack for bringing the teachings alive making them easily accessible and absorbing to both beginning and seasoned students Kathryn Gann Director Theosophical Society in America **Health Teachings of the Ageless Wisdom** Ra Un Nefer Amen I.,1983 **The Ageless Wisdom** Torkom Saraydarian,1990 **A Student's Overview of the Ageless Wisdom** Alice Bailey,2020-12-12 This Overview was carefully distilled from the abridgments and was created to be used as an overall textbook and lesson plan by study groups New students may find it useful as an introduction to the vast body of knowledge bequeathed to us by DK and AAB Intermediate students may benefit from it as a reference while advanced disciples may appreciate it as a trusted source of recommend reading for their students It is my sincere belief that the Ageless Wisdom much of which is discussed in this book can and will aid the world at this time of great change With this overview the New Age movement presently lacking in concrete knowledge will have a core textbook upon which to grow I believe this is one of the Ashram s goals and is part of DK s larger plan to spread awareness of the Ageless Wisdom throughout the world and I am honored to play a small part in these objectives In Unity Love and Light Patrick Westfall
